

Book Review on Personality Development

Book Review competition is conducted on 29-01-2020.

Personality Development Club in association with the Department of Library conducted Book Review competition. Overall 17 Students participated in this review. They selected different books on personality development written by inspirational authors and presented the content of the book very effectively in front of the peers and inspired the students. The book review competition is conducted to inculcate reading habits, develop communication skills and also to improve self-confidence among the students. This book review will encourage the students to go to the library and also to increase their knowledge.

Out of 17 participants, T.Manasa – I FMB won first prize and SK.Tasleema -II B.Sc Honors won second prize.
