

“INDUSTRY – ACADEMIA RELATIONS”

The Dept. of Chemistry and Alumnae Association of SDMSMK jointly organised a Seminar on **Industry – Academia Relations** on 5th May 2019.

Participants:

Heads of the departments and senior faculty.

Resource persons:

Dr.Kollipara Parvathi, Founder GMK Pharmaceutical Industries.

Description of the programme:

Dr.Kollipara Parvathi, Founder, GMK Pharmaceutical Industries, USA, Vizag & Hyderabad is an old student of the college. She Studied B.Sc. PMC in the year 2003-06 in the college. P. Veda Sri and Y.Lohitha, of III PMC, chemistry cluster students were selected by GMK Hyderabad in the year 2019.

The resource person felt that youth of the college should relate with industry and should realise the need of the chemists in industries. She advised that the curriculum must be designed keeping industrial needs in view. She asked teachers to motivate students and offer internships, Hands on training, workshops and Add on courses. She also advised that Field trips and Industrial trips must be arranged by all the departments as innovation, discoveries in basic sciences and sharing of knowledge are based on industry academia relations.

“Our industry does not respect tradition. It only respects innovation”

-Satya Nadella
