RESOURCE PERSON:

Dr.K. Nageswara Rao, Asso. Professor, Y.N. College, Narasapur, West Godavari Dist.

DESCRIPTION OF THE PROGRAMME:

Dr.K. Nageswara Rao spoke that Hindi language is a very important tool in the unity of the Nation. There are issues which we tend to ignore until we face them personally. Generally we tend to ignore the issues of languages. Languages symbolize nation and are regarded as the identity of nations which are totally absent in India. Imagine how can a person who doesn't understand any language other than the mother tongue can understand the speech of leaders. When the national leaders are addressing the people of the nation in other languages the people all over India should understand what they are saying. If we know Hindi we can understand the traditions and customs of the Nation.
