

POSITIVE ATTITUDE PLAYS A CRUCIAL ROLE IN THE SUCCESS OF STUDENTS

Arranged a Guest Lecture on “**Positive Attitude Plays a Crucial Role in the Success of Students**” by Sri. A. Vijaya Rathnam, Senior Psychologist, Vignan University, Guntur, on 12-07-2019.

The resource person elucidated that attitude is a way of thinking which reflects our unique personality. People with right attitude also develop right behaviour. We should learn to respect ourselves and not compare with others. Students were encouraged to focus on what they are going to achieve and develop positive attitude in every tough task.
