

TWO DAY WORKSHOP
on
Path to Master English
by

Sri. P. Narendra Kumar, Master Trainer, Soft Skills, VJA

Date: 7-12-2017 & 8-12-2017

About the Programme:

The resource person, Sri P. Narendra Kumar told that grammar skills are useful in every aspect of life—from education to leadership and social life to employment opportunities. Grammar skills are indispensable for effective communication. Grammar skills include sentence structure, subject verb agreement, tense, punctuation, spelling and parts of speech. He showed how punctuation makes content readable and English interesting. Grammatical inconsistencies take away the intended strength of resume necessary for a job. Hence correct grammar is a valuable tool for success in life. He concluded saying just as rules are necessary in everyday situations, grammar rules are essential for clarity of meaning and understanding.

Language is wine upon the lips
