Brief report of the program:

Dr. T. Rama Devi Head of the Department of Commerce welcomed the dignitaries and the participants virtually to the webinar. Dr. T. Vijaya Lakshmi, Director of our college, delivered inaugural speech in which she elaborately presented the achievements of our college. Sri Suryakanth Sarma, a senior consultant, AMFI, and retired D.GM, SEBI were the resource person.

In his speech he said that every person should develop the habit of savings by controlling ones expenses, and to think themselves where to invest such savings.

In his deliberations he said that when we invest our savings we have to face some risk. So all have to choose risk less or less risk investment policies. He also said that there will be high risk when we invest in real estates. If we deposit in the bank the returns will be less. So he said that Systematic Investment Policy is to be followed by everyone in investing their savings. It gives us high returns.
