Guest Lecture on Medical coding

STUDENT INDUCTION PROGRAMME

Date : 05-02-2022

Class : 25 students of I AZC and BZC.

Resource Person: Miss.S.Sri Vyshnavi

Access Health Care, 9th Avenue, 1st Main Road
Ambattur Industrial Estate, Chennai.

Brief Report : Department of Zoology and Aquaculture Technology arranged an Awareness Programme for the students of I AZC and BZC on Medical Coding.

The Resource Person is the Alumnus of the Department from 2016-2019 batch. She motivated the students towards utilizing the opportunities available in the field to build their career as a Medical Coder. Focusing on the increasing need and demand for professional Medical Coders, she explained the crucial role they play in the healthcare delivery system in India, the second largest healthcare outsourcing destination for USA. She insisted the students to develop analytical and communication skills besides pursuing their bachelor's Degree in Life Sciences.

The interaction session was fruitful, with active participation of the students clearing their doubts.
