**Name Of The Event: “ OIL AND GAS CONSERVATION - GO GREEN”**

**Date :- 14-02-2026.**

**Brief report:**

The Department of Eco Club of SDMSM Kalashala organized a Wall Painting Competition for students under the initiative of “ The Times of India” in collaboration with the “ Ministry of Petroleum and Natural Gas,” Government of India. The theme of the competition was “**Oil and Gas Conservation – Go Green.**”

The main objective of the program was to create awareness among students about the importance of conserving oil and natural gas resources and promoting eco-friendly practices. Students actively participated and expressed their creative ideas through meaningful paintings highlighting fuel conservation, reduction of pollution, use of renewable energy, and protection of the environment.

The competition encouraged students to understand the need for sustainable development and responsible use of natural resources. The event was successful in spreading awareness about energy conservation and inspired students to adopt green practices in their daily lives.
