OBJECTIVE: To create awareness among students about the vast career opportunities available after pursuing Mathematics and to guide them toward higher education pathways and competitive examinations.

WORKSHOP HIGHLIGHTS

On the occasion of the International Day of Mathematics, celebrated as Happy Pi (π) Day on 14th March 2026, the Department of Mathematics of Sri Durga Malleswara Siddhartha Mahila Kalasala organized an awareness programme for I, II, and III degree students on the topic “Career Guidance for Higher Education.” The programme was delivered by Mr. G.Sreenivasulu, Director of GSN Academy, as the resource person.

PRAYER SONG BY THE STUDENTS

WELCOMING THE RESOURCE PERSON

PRINCIPAL OPENING REMARKS

The programme began with the address of the Principal Sir, who mentioned that since 2020, March 14 has been officially observed as the International Day of Mathematics. He highlighted the importance of Mathematics in everyday life and emphasized that the day symbolizes respect for knowledge and wisdom.

ADDRESSING THE GATHERING BY HOD

Further, the Head of the Department explained the significance of celebrating Pi Day. She stated that the approximate value of π is 3.14, where 3 represents the third month (March) and 14 represents the date, hence March 14 is celebrated as Pi Day worldwide.

RESOURCE PERSON TALK

KEY POINTS COVERED:

The resource person, Mr. G.Sreenivasulu, delivered an insightful session stressing that choosing B.Sc. Mathematics as a major subject is a strong academic foundation and a highly rewarding choice. He elaborated that after completing the course, students can pursue higher studies such as M.Sc. Mathematics and also prepare for prestigious examinations like IIT-JAM, GATE, CSIR-NET, NBHM, and Ph.D. programmes. He also informed students about opportunities to pursue M.Tech and explained integrated courses such as M.Sc. Mathematics + Ph.D. In addition, he discussed the pattern and approach for solving JAM model papers, providing practical guidance for aspirants.

INTERACTION SESSION

OUTCOME: The programme successfully enhanced students' awareness of higher education opportunities in Mathematics. It motivated them to consider Mathematics as a core subject for advanced studies and inspired them to prepare for national-level competitive examinations. Students gained clarity about various academic and career pathways, making the session highly informative and impactful.
