

AWARENESS ON CLINICAL ASSOCIATE PROGRAMME

Nature of Programme	: Awareness Program
Title	: Awareness On Clinical Associate Program
Resource persons	: 1. Mr. Tharun Business Development Manager, KIMS 2. Mr. Sai Srinivas Business Development Assistant Manager, KIMS
Number of Students	: II & III B. Sc honors - Microbiology, Food science & technology, Biochemistry, 4 Staff members
Date	: 31/07/2025

Brief Report:

The session was aimed at creating awareness among students about the roles, responsibilities, and career prospects associated with the Clinical Associate Programme, especially in the context of improving healthcare access and delivery in under-served areas. It was highlighted that Clinical Associates act as a vital link between doctors and patients, particularly in rural or semi-urban healthcare setups, where the doctor-to-patient ratio remains a challenge.
