

FIELD TRIP

Nature of Programme : Field Trip
Name of the Institute : Tanusri mushroom cultivation unit
Location : Ramavarappadu
Number of Students : 80 students of III Microbiology & III FST
2 Staff members
Date : 23-09-2025.

Brief Report:

The Departments of Microbiology organized a field Visit to Tanusri mushroom cultivation centre, Ramavarappadu to the students of III Microbiology.

The students gained practical experience in cultivating **Milky Mushrooms**. The program enhanced their technical skills, entrepreneurial understanding, and confidence to undertake small-scale mushroom production independently.
