

DEPARTMENT OF BOTANY & ECOCLUB

Name of the Event:

“Green Glory: Botany Department Wins Prestigious Terrace Garden Award”

Date: 21/03/2026.

Brief report:-

The Department of Botany, in collaboration with the Eco Club, takes immense pride in announcing that its Rooftop Garden has been recognized as one of the distinguished awardees among 30 participants from Andhra Pradesh and Telangana for the prestigious **“Sri Thummeti Raghothama Reddy Rythunestham Terrace Garden Award – 2025.”**

This remarkable achievement highlights the department’s commitment in promoting sustainable practices, urban gardening, and environmental awareness among students. The rooftop garden serves as a model for eco-friendly initiatives, showcasing innovative techniques in plant cultivation, resource conservation, and biodiversity enhancement.

The award was presented by **Dr. Pemmasani Chandrasekhar** Union Minister of State for Rural Development and Communications. The ceremony was further graced by the presence of **Dr. Burela Ram Anjaneyulu**, MLA of Prattipadu Constituency, along with a distinguished retired IAS officer.

This recognition reflects the collective efforts of faculty members, students, and Eco Club participants who have consistently contributed to the development and maintenance of the rooftop garden. It also reinforces the department’s vision of integrating environmental sustainability with academic learning.

Felicitation programme

First year Botany students received an award from Dr. P. Chandrasekhar, Union Minister of State for Rural Development and Communication.
