

HUMANIST THE HR CLUB

Our focus is towards building leadership skills in students through various experiential activities.

VISION & MISSION

- Vision: To see every member evolve as an eminent leader
- Mission: To improve the managerial qualities and build leadership qualities

LIST OF EVENTS

- **TRANSCEND -MOCK GD & PI**
- **HUMAN EQUATIONS** - Table discussion by eminent leaders from various industries
- **CDMI** - Center for Diversity Management and Inclusion
- **INTERNATIONAL HR CONFERENCE** - Round table conference and paper presentation by students & faculty members across the globe
- **CRESCENDO** – A Melange (SIMSR Flagship Event) initiative

TRANSCEND–Mock GD & PI

- Transcend is the flagship event of Humanist
- It is about experiencing the Group Discussions and Personal Interviews before the students start their placement procedures
- The event has been helping students improve their verbal skills such as communication skills and knowledge and non verbal skills such as maintaining body language and handling stress while going through the process
- This is a 5 day event providing an experiential learning platform to the students

CDMI – Center for Diversity Management and Inclusion

- Centre for Diversity Management and Inclusion (CDMI) along with Team Humanist organize an event focusing on diversity inclusion and management
- Industry stories are reviewed and a theme is decided
- Industry leaders who follow the diversity and have managed it over the years are requested to share their stories
- Stories for example such as inclusion of LGBTs, Physically Challenged people in the workforce are shared

HUMAN EQUATIONS

- This event is a forum for Panel Discussion wherein eminent HR professionals and reputed academicians from the industry are invited
- This event majorly is based on topics which are taught in the course and have large impact in the Industry such as Change Management, Diversity, Digitalization
- Students involve by asking various questions that they may face in the real time work culture
- The Panel discussion is modulated by SIMSR HR faculty heads in order to engage the discussion towards students centric understanding

INTERNATIONAL HR CONFERENCE

- It is the annual HR Conference which aims to promote research in the field of HR by providing a platform to students, academicians, and industry experts to present as well as publish their research papers.
- It is a 2-day event which provides the participants with a knowledge-sharing experience by exploring untouched areas of HR in the changing times.
- Members involve in identifying the top colleges in the world and sending them application requests for the conference participation and paper presentations
- Various academicians and industry experts across the globe are contacted and invited by the students

CRESCENDO – A Melange Initiative

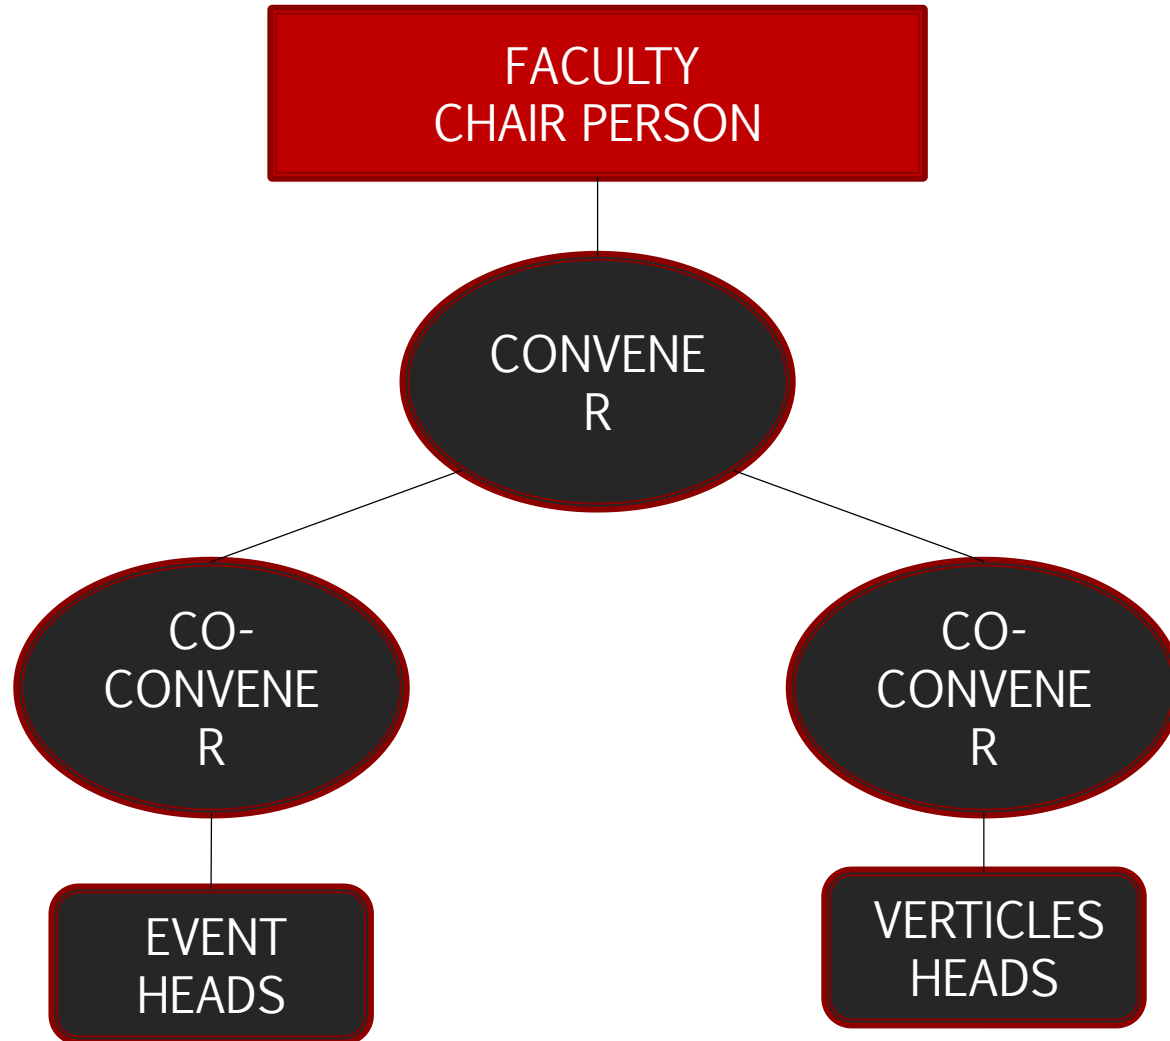

- CRESCENDO – It is Humanist event in the Melange festival of SIMSR
- Every year the theme changes, The new members of the committee decide on the event theme and handle the event
- Various students from colleges across the country participate in the event
- Event involves themes like quizzing, moving making, debates etc.
- Winners of the event are awarded with prizes and certificate

THE ROAD AHEAD

- ❖ Providing students with the opportunity of writing case studies based on their learnings on various industry aspects
- ❖ Strong association with corporate leaders and bring them on campus for better understanding about the industry dynamics
- ❖ Provide students of various courses with research opportunities in the domain of HR and connect them with the faculty and Alumni
- ❖ Involve in CSR activities of various corporate companies to promote the need for social development and community engagement
- ❖ Focusing more on bringing quality knowledge to students by conducting events based on course related and Industry centric topics
- ❖ Provide students with various workshop facilities in the domain of Cultural development and leadership enhancement opportunities
