#### DIRECTORS' REPORT

To

The Shareholders,

The Godavari Sugar Mills Ltd.

Gentlemen.

Your Directors have great pleasure in placing in your hands their report and Audited Accounts for the 14th year ended 31st May, 1953. The accounts show a net profit of Rs. 7,77,148-8-0 after providing Rs. 9,60,813-11-10 for Depreciation. This together with the balance of Rs. 95,584-1-3 brought forward from the last year amounts to Rs. 8,72,732-9-3 which your Directors propose to appropriate as follows:-

You are requested to confirm the same.

It was mentioned in the last Report that the Irrigation Department had cut water supply to the cane growing to the extent of 33% for the cane to be crushed during the current season 1953-54. This was as a result of failure of rains. This failure also affected standing cane very badly. Against this cut of 33% we actually curtailed the crop area by 40%. Still the crop suffered owing to long interval of rotations. The out-turn of cane per acre for the year under review has gone down considerably. The recovery of sugar per ton of cane also was low this year on account of the poorer quality of cane.

Cane crop available for the crushing season 1953-54 is about 2055-8 acres. Taking into consideration the deficiency of rainfall last year the cane crop can be considered to be satisfactory.

Both the factories worked satisfactorily during the year under report.

The problem of disposal of molasses has remained as acute as ever. In keeping with the modern tendency of giving back to the land maximum of what is taken from it, it is proposed to send the total molasses produced by the factories back to the soil.

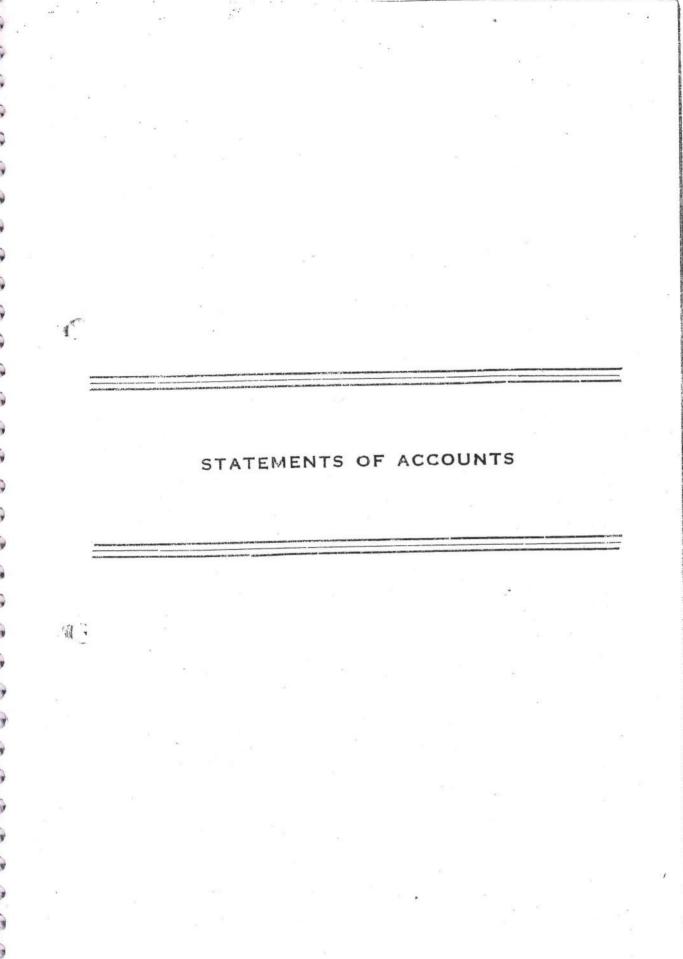

The minimum price for sugarcane for the next two years viz., seasons 1953-54 and 1954-55 has been fixed in advance by the Government of India at Rs. 1-7-0 per maund. This is a welcome change in the policy enunciated by the Government of India in asmuch as the agriculturist knows before hand the price he is going to fetch for the products he grows.

Two of your Directors, Dewan Bahadur M. B. Mutha and Shri. S. K. Somaiya retire by rotation in accordance with Article 93 of the Articles of Association, but being eligible offer themselves for re-election.

You are requested to appoint Auditors for the current year and fix their remunera-

Yours faithfully.
