DIRECTORS' REPORT

To

The Shareholders.

The Godavari Sugar Mills Ltd. Bombay

Gentlemen,

Your Directors have pleasure in submitting their Report and Audited Accounts for the 16th year ended 31st May, 1955. The Accounts show a net profit of Rs 15,00,981-5-1 after providing Rs 15,45,002-10-10 for depreciation which your Directors consider to be very satisfactory. This together with the balance of Rs. 20,130-0-3 brought forward from the last year amounts to Rs. 15,21,111-5-4, which your Directors propose to appropriate as follows:—

	Grand total:	Rs,	15.21,111-5-4
6.	Carried forward.	Rs.	19,309-1-4
5.	Reserve for taxation.	Rs.	7,00,000-0-0
4.	Reserve Fund.	Rs.	2,00,000-0-0
3.	Dividend on Preference Shares at the rate of 5½% free of Income Tax.	Rs.	1,01,802-4-0
	Final Dividend on Ordinary shares at the rate of Rs. 2-8-0 per share, free of Income Tax,	Rs.	1,00,000-0-0
	Interim Dividend on Ordinary shares at Rs. 10/- per share free of Income Tax, declared at the meeting of Directors held on 27-6-55.	Rs.	4,00,000-0-0

You are requested to confirm the same.

In the year under review there is a marked improvement in the yield of cane per acre. The scheme of intensive cultivation has resulted in appreciable increase in the out-turn of cane per acre. The yield of cane in the area to be harvested during the present crushing period is expected to make an all time record. Your Directors expect the same good results in out-turn of cane per acre for the next year also. On the whole, the working on the Farms side is satisfactory. The cane crop available for the crushing season 1955—56 is about acres 2,756.

Both the Factories worked satisfactorily during the year under report. The plan of improvements and additions in the Plant and Machinery at both the Factories is in progress and there is a general improvement in the size of grains and quality of sugar produced by your Factories. As in the previous years the release of sugar was under the control of the Government. You may be aware that this year there was a record all India production of Sugar. Your Directors are pleased to record that your Factories contributed to this increase in the production by producing about 90% more sugar than in the preceding year.

The minimum price for sugarcane for the year 1955-56 is fixed in advance by the Government of India at Rs 1-7-0 per maund, but the Bombay State Government has fixed the minimum price at Rs. 44/- per ton without reference to the Sugar price that the Factories may realise.

We have not yet been able to secure licence for running the distillery. Molasses disposal has therefore continued to remain a major problem. This has been further aggravated by the recent ban by the State Government on export to other States.

One of your Directors, Shri S. K. Somaiya, retires by rotation in accordance with the article 93 of the Articles of Association, but being eligible offers himself for re-election.

You are requested to appoint Auditors for the current year and fix their remuneration.

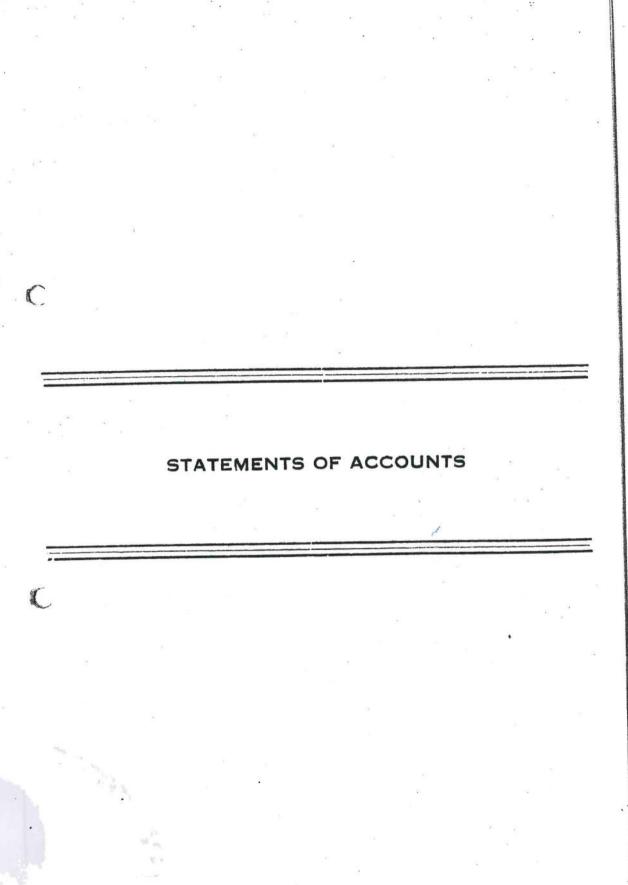

Yours faithfully. By Order of the Board of Directors.
