

Equity Application

Ensure a clear company seal is affixed, and the authorised signatory or director on the documents physically signs it. Fill out the application as per the company proof. Avoid overwriting and using whitener. In case a whitener is used, a counter signature is required.

Account Opening Annexures

The Board Resolution and Annexures should be on the company letterhead.

- Board resolution: The first page of the board resolution requires an authorised signatory or director signature on the specimen signatory place. The second page of the board resolution requires any two directors' seals and signatures on the prescribed place.
 - List of directors of the company with the authorised signatory or director signature.
 - The latest shareholding pattern of the company with the authorised signatory or director signature.
 - On Annexure A, affix all the authorised signatory or director's photographs and signatures on the prescribed places and affix the company seal on the authorised signatory or director's signature.
-
