By order of the Board of Directors

Sd/-Sanjeev Kumar **Company Secretary** ACS: 18087

# NOTES:

Place: New Delhi

Dated: 14th August,2019

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE IN THE MEETING INSTEAD OF HIMSELF / HERSELF, AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. A PERSON CAN ACT AS A PROXY ON BEHALF OF NOT EXCEEDING 50 MEMBERS AND HOLDING IN AGGREGATE NOT MORE THAN 10% OF THE TOTAL SHARE CAPITAL OF THE COMPANY.

THE INSTRUMENT OF PROXY IN ORDER TO BE EFFECTIVE, SHOULD BE DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY, DULY COMPLETED AND SIGNED, NOT LESS THAN 48 HOURS BEFORE THE COMMENCEMENT OF THE MEETING. A PROXY FORM IS ATTACHED HEREWITH. PROXIES SUBMITTED ON BEHALF OF THE COMPANIES, SOCIETIES ETC., MUST BE SUPPORTED BY AN APPROPRIATE RESOLUTION/AUTHORITY, AS APPLICABLE.

2. Corporate Members intending to send their authorised representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company a certified copy of the relevant Board Resolution together

#### JINDAL POLY FILMS LIMITED

- with their respective specimen signatures authorising their representative(s) to attend and vote on their behalf at the Meeting.
- 3. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, in respect of the Special Business at Item No. 5 of the accompanying Notice is annexed hereto.
- 4. The Register of Members and the Share Transfer Books of the Company will remain closed from 19<sup>th</sup> September, 2019 to 25<sup>th</sup> September 2019 (both days inclusive) for determining the names of members eligible for dividend on Equity Shares, if declared at the Annual General Meeting.
- The dividend on Equity Shares, if declared at the Annual General Meeting, will be payable on or after 25<sup>th</sup> September, 2019 to those members:
  - (a) Whose names appear as Members in the Register of Members of the Company on 18th September, 2019 and
  - (b) Whose names appear as Beneficial Owners in the list of Beneficial Owners on 18<sup>th</sup> September 2019 furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) for this purpose.
- 6. Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars can not act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to the Registrars and Transfer Agents M/s. Karvy Fintech Private Limited, Karvy Selenium Tower B, Plot number 31 & 32, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad-500032, India or e-mail to <a href="mailtosures-s
- 7. Members holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or Registrars and Transfer Agents, M/s. Karvy Fintech Private Limited, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be returned to such Members after making requisite changes thereon.
- 8. As per the provisions of Section 72 of the Act, facility for making nomination is available for Members in respect of shares held by them. Members holding shares in single name and who have not yet registered their nomination are requested to register the same by submitting form No. SH-13. If a Member desires to cancel the earlier nomination and record fresh nomination, he/she may submit the same in Form No. SH-14. Members holding shares in physical form are requested to submit the forms to M/s. Karvy Fintech Private Limited, Karvy Selenium Tower B, Plot number 31 & 32, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad-500032, India or e-mail <a href="mailto:suresh.d@karvy.com">suresh.d@karvy.com</a>. Members holding shares in electronic form may obtain nomination forms from their respective Depository Participant.
- 9. The amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company had, accordingly, transferred Rs.6,47,567/- being the unpaid and unclaimed dividend amount pertaining to Dividend 2010-2011 to the Investor Education and Protection Fund of the Central Government.
- 10. The Securities and Exchange Board of India ('SEBI') has mandated the transfer of securities to be carried out only in dematerialised form (except in case of transmission or transposition of securities) effective from 1st April, 2019. Accordingly, requests for physical transfer of securities of listed entities shall not be processed from 1st April, 2019 onwards. In view of such amendment and in order to eliminate the risks associated with physical holding of shares, Members who are holding shares in physical form are hereby requested to dematerialise their holdings.
- 11. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified carefully.
- 12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
- 13. Electronic copy of the Annual Report containing the Notice of the 45<sup>th</sup> Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form are being sent to all the Members whose email IDs are registered with the Company/Depository Participants(s) or who have given their positive consent to

receive the same through electronic means. For Members other than above, physical copies of Annual Report containing the Notice of the 45<sup>th</sup> Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form are being sent in the permitted mode.

- 14. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses for receiving all communications including Annual Report, Notices, Circular, etc. from the Company in electronic mode.
- 15. The Ministry of Corporate Affairs ('MCA') had notified the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 effective from 7th September, 2016 including amendments thereto ('IEPF Rules 2016'). Amongst other things, the Rules provides for the manner of transfer of the unpaid and unclaimed dividends to the IEPF and the manner of transfer of shares in case any dividend has not been encashed by the shareholders on such shares during the last seven years to the designated Account as prescribed by the IEPF. In pursuance of Compliance of said rules Company has transferred 13,318 (Thirteen thousand three hundred eighteen only) Equity Shares to Investor Education and Protection Fund (IEPF).
- 16. Relevant documents referred to in the accompanying Notice and in the Explanatory Statement are open for inspection by the Members at the Company's Registered Office on working days during normal working hours (except Saturdays, Sundays and Public Holidays) upto the date of this Annual General Meeting.
- 17. The Members are requested to bring their copies of notice at the Annual General Meeting and hand over the attendance slip at the entrance of the meeting.
- 18. The Company has paid the Annual Listing Fees for the Financial Year 2019-2020 to the following Stock Exchanges, viz. Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE) on which the Company's Equity Shares are presently listed.
- 19. Pursuant to Section 108 of Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members the facility to vote at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services provided by M/s. Karvy Fintech Private Limited e-Voting platform <a href="https://evoting.karvy.com">https://evoting.karvy.com</a>
- 20. It may be noted that this e-voting facility is optional.
- 21. The remote E-voting facility will be available during the following voting period:
  - Commencement of e-voting: From 9:00 a.m. (IST), on Sunday, 22<sup>nd</sup> September, 2019, and end of e-voting: upto 5:00 p.m. (IST) on Tuesday 24<sup>th</sup> September, 2019.
- 22. E-voting shall not be allowed beyond 5:00 p.m. on Tuesday, **24**<sup>th</sup> **September, 2019** and shall be disabled by Karvy Fintech Private Limited for voting thereafter.
- 23. During the e-voting period, shareholders of the Company, holding shares either in physical form or in Dematerialized form, as on Wednesday, **18**<sup>th</sup> **September, 2019** may cast their vote electronically.
- 24. Initial password is provided through separate loose sheet communication containing following:

#### **INSTRUCTIONS FOR E-VOTING & INSTAPOLL**

- I. Remote e-voting: In compliance with the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, substituted by Companies (Management and Administration) Rules, 2015 and as per Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company is providing e-voting facility through Karvy Fintech Private Limited ("Karvy") on all resolutions set forth in this Notice, from a place other than the venue of the Meeting.
- (A) In case a Member receives an email from Karvy [for Members whose email IDs are registered with the Company/ Depository Participants (s)]:
  - I. Visit the e-voting website of Karvy, open web browser by typing the following URL: https://www.evoting.karvy.com/either on a Personal Computer or on a mobile.
  - II. Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be EVEN (e-voting Event Number) followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with Karvy for e-voting, you can use your existing User ID and password for casting your vote.
  - III. After entering these details appropriately, click on "LOGIN".

- IV. You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@,#,\$, etc.,). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
- V. You need to login again with the new credentials.
- VI. On successful login, the system will prompt you to select the "EVENT" i.e., Jindal Poly Films Limited i.e. name of the Company.
- VII. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/AGAINST" taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
- VIII. Members holding multiple folios / demat accounts shall choose the voting process separately for each folio/demat accounts.
- IX. Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
- X. You may then cast your vote by selecting an appropriate option and click on "Submit".
- XI. A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
- XII. Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., together with attested specimen signature(s) of the duly authorized representative(s), to the Scrutinizer at email deepak.kukreja@dmkassociates.in with a copy marked to evoting@karvy.com. The scanned image of the above mentioned documents should be in the naming format "Corporate Name Event No." The documents should reach the Scrutinizer on or before 5:00 pm on Tuesday, 24th September, 2019.
- (B) In case of Members receiving physical copy of Notice [for Members whose email IDs are not registered with the Company/Depository Participants(s)]:
  - i. E -Voting Event Number (EVEN), User ID and Password is provided in the Attendance Slip.
  - ii. Please follow all steps from SI. No. (i) to (xii) above to cast your vote by electronic means.
- II. Voting at AGM: The shareholders, who have not cast their vote through remote e-voting can exercise their voting rights at the Annual General Meeting ("AGM"). We have made the necessary arrangements in this regard at the AGM Venue.
  - The facility for voting through electronic voting system ('Insta Poll') shall be made available at the AGM. Members who have already cast their votes by remote e-voting are eligible to attend the AGM; however those Members are not entitled to cast their vote again in the AGM. A Member can opt for only single mode of voting i.e. through Remote e-voting or voting at the AGM. If a Member casts votes by both modes then voting done through Remote e-voting shall prevail and vote at the AGM shall be treated as invalid.
- III. The Company has appointed Mr. Deepak Kukreja (FCS-4140), Practicing Company Secretary (CP No. 8265) Partner of M/s DMK Associates, Company Secretaries, New Delhi and in case of failing him Mrs. Monika Kohli (FCS 5480), Practicing Company Secretary (CP No.4936) Partner of M/s DMK Associates, Company Secretaries, New Delhi, as Scrutinizer to scrutinize the e-voting process in fair and transparent manner.
- IV. The scrutinizer shall immediately after the conclusion of voting at the AGM, count the votes cast at the AGM and there after unblock the votes in the presence of at least two witnesses not in employment of the Company. The Scrutinizer's shall submit a consolidated Scrutinizer's Report of the votes cast in favour or against, if any, within a period of not exceeding three working days from the conclusion of the voting to the Chairman of the Company or a person authorised by him in writing who shall countersign the same.
- V. The Chairman or a person authorised by him in writing shall declare the result of voting forthwith.

VI. The results of the e-voting along with the scrutinizer's report shall be communicated immediately to the BSE Limited and NSE Limited, where the shares of the Company are listed and shall be placed on the Company's website http://www.jindalpoly.com/investor-relations.html and on the website of Karvy www.karvy.com immediately after the result is declared by the Chairman or any other person authorised by the Chairman/Whole-time Director.

#### OTHER INSTRUCTIONS.

- a. In case of any query and/or grievance, in respect of voting by electronic means, Members may refer to the Help & Frequently Asked Questions (FAQs) and e-voting user manual available at the download section of https://e-voting.karvy.com (Karvy Website) or contact Mr. Suresh Babu, (Unit: Jindal Poly Films Limited) of Karvy Fintech Private Limited, Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad 500 032 or at e-voting@karvy.com or phone no. 040 6716 1518 or call Karvy's toll free No. 1-800-34-54-001 for any further clarifications.
- b. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- c. From 9:00 a.m. (IST), on Sunday, 22<sup>nd</sup> September, 2019, and end of e-voting: upto 5:00 p.m. (IST) on Tuesday, 24<sup>th</sup> September, 2019. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Wednesday, 18<sup>th</sup> September, 2019, may cast their votes electronically. A person who is not a shareholder as on the cut-off date should treat this Notice for information purposes only. The remote e-voting module shall be disabled for voting thereafter. Once the vote on a resolution(s) is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
- d. The voting rights of shareholder shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date i.e. Wednesday, 18<sup>th</sup> September, 2019.
- e. In case a person has become a shareholder of the Company after dispatch of AGM Notice but on or before the cut-off date for e-voting i.e. on Wednesday, 18<sup>th</sup> September, 2019, he/she may obtain the User ID and Password in the manner as mentioned below:
  - If the mobile number of the member is registered against Folio No. / DP ID Client ID, the member may send SMS: MYEPWD <space> E-Voting Event Number + Folio No. or DP ID Client ID to 9212993399.
  - ii. Example for NSDL:

MYEPWD <SPACE > IN 12345612345678

iii. Example for CDSL:

MYEPWD <SPACE > 1402345612345678

iv. Example for Physical:

MYEPWD <SPACE > XXXX1234567890

- v. If e-mail address or mobile number of the Member is registered against Folio No./DP ID Client ID, then on the home page of https://evoting.karvy.com, the Member may click Forgot Password" and enter Folio No. or DP ID Client ID and PAN to generate a password.
- vi. Member may call Karvy's toll free number 1800-3454-001.
- vii. Member may send an e-mail request to evoting@karvy.com. However, Karvy shall endeavor to send User ID and Password to those new Members whose email Ids are available.

### ATTENDANCE REGISTRATION PROCEDURE FOR THE AGM IS AS FOLLOWS:

- Shareholders are requested to tender their attendance slips at the registration counters at the venue of the AGM and seek registration before entering the meeting hall.
- Alternatively, to facilitate smooth registration/entry, the Company has provided a web-check in facility through Karvy's
  website. This will enables the shareholders to register attendance online in advance and generate Attendance Slip without
  going through the registration formalities at the registration counters.
- The Web Check-in (i.e. Online Registration facility) is available during e-voting period only i.e on Sunday, 22nd September, 2019 at 9:00 a.m. (IST) and end of e-voting: upto 5:00 p.m. (IST) on Tuesday, 24th September, 2019.

#### JINDAL POLY FILMS LIMITED

#### WEB CHECK-IN PROCEDURE IS AS FOLLOWS:

- Log on to https://karisma.karvy.com and click on "Web Check-in for General Meetings
- Select the name of the Company: Jindal Poly Films Limited
- Pass through the security credentials viz., DP ID/Client ID/Folio no. entry, PAN No & "CAPTC HA" as directed by the system
  and click on the submission button.
- The system will validate the credentials. Then click on the "Generate my attendance slip" button that appears on the screen.
- The attendance slip in PDF format will appear on the screen. Select the "PRINT" option for direct printing or download and save for the printing.
- The Members are requested to carry their valid photo identity along with the above attendance slip for verification purpose.
- Members are requested to carry their copy of the Annual Report to the AGM. Copies of the Annual Report will not be distributed at the Meeting.

# EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

#### Item No. 5

The Board of Directors at its Meeting held on May 30, 2019 upon the recommendation of the Audit Committee, approved the appointment of M/s R.J. Goel & Co., Cost Accountants (Firm Registration No. 000026), to conduct the audit of the cost records relating to Plastics and Polymers products of the Company on a remuneration of Rs. 2,00,000 (Rupees Two Lakhs only) (excluding all applicable taxes and reimbursement of out of pocket expenses) for the Financial Year ending March 31, 2020. In terms of the provisions of Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, (as amended from time to time) the remuneration as mentioned above, payable to the Cost Auditor is required to be ratified by the Members of the Company. Accordingly, the Members are requested to ratify the remuneration payable to the Cost Auditors for the Financial Year ending March 31, 2020, as set out in the Ordinary Resolution for the aforesaid services to be rendered by them.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives are in any way concerned or interested, financially or otherwise, in the said Resolution.

The Board of Directors recommends the Ordinary Resolution set out Item No. 5 of the Notice for approval by the Members.

| Profit from Operations (EBITDA) before Exceptional Items | 52,948.30   | 37,172.95   | 51,284.49    | 69,766.56  |  |
| Add/ (Less) : Exceptional Items*                         | (57,655.28) | (18,425.81) | (60,468.86)  | (3,124.59) |  |
| Less: Finance Cost                                       | 4,156.65    | 6,109.84    | 4,503.59     | 11,307.00  |  |
| Profit/ (Loss) Before Depreciation and Tax               | (8,863.63)  | 12,637.30   | (13,687.95)  | 55,334.97  |  |
| Less: Depreciation and amortization                      | 10,218.46   | 10,204.82   | 10,392.17    | 25,515.61  |  |
| Profit/(Loss) before Tax                                 | (19,082.09) | 2,432.48    | (24,080.12)  | 29,819.36  |  |
| Less: Income Tax   | 8,236.35    | 4,165.06    | 8,630.46     | 9,162.94   |  |
| Less: Deferred Tax                                       | 7,982.49    | (3,186.02)  | 8,154.26     | 5,418.66   |  |
| Profit /(Loss) After Tax                                 | (35,300.92) | 1,453.44    | (40,864.84)  | 15,237.76  |  |
| Less : Profit attributable to Non Controlling Interests  |             |             |              | 6,716.79   |  |
| Balance available for appropriation                      | (35,300.92) | 1,453.44    | (40,864.84)  | 8,520.96   |  |
| Appropriations   |             |             |              |            |  |
| Dividend on Equity Shares                                | -           | 437.86      |              | 437.86     |  |
| Tax on Dividend  | -           | -           |              |            |  |
| Balance/(Loss) carried forward                           | (35,300.92) | 1,015.58    | (40,864.84)  | 8,083.10   |  |

<sup>\*</sup>Exceptional Items comprises net of gain/(loss) on foreign exchange rate fluctuations and written off balance amount of RPS and OCPS and Trade advance given to JITPL (Refer Note No. 33 of Standalone Financial Statements).

#### 2) CONSOLIDATED FINANCIAL STATEMENTS

In pursuance of the provisions of the Companies Act, 2013, (the Act) Rules made thereunder, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and the applicable Accounting Standards, the Company has prepared Consolidated Financial Statements. The Audited Consolidated Financial Statements along with Auditor's Report and the Statement containing salient features of the financial statements of the Subsidiaries (Form AOC – 1) forms part of the Annual Report.

#### 3) OPERATIONS

Your Company is engaged in the manufacturing of Biaxially-Oriented Polyethylene Terephthalate (BOPET) and Biaxially Oriented Poly Propylene Films (BOPP films), Cast Poly Propylene Films (CPP films), Thermal Lamination Films, Medical Films, and Non-Woven Products such as Interlining, Disposable Fabrics and Fabrics for Industrial Applications, etc. The manufacturing plant of the Company at Nasik, Maharashtra is the world's largest integrated facility for the production of BOPET and BOPP Films.

During the year under review, the revenue from operations of the Company were higher at 3,69,224 Lakhs as against 3,01,388 Lakhs in the previous financial year.

During the financial year 2018-19, Turnover of JPF Netherland B V has not been consolidated, hence the Consolidated Turnover of the previous year 2017-18 are not comparable with that of financial year 2018-19 as JPF Netherland BV ceased to be a subsidiary effective **28**th **December, 2017** and became an associate company thereafter.

#### 4) DIVIDEND

The Board recommends dividend @Re. 1.00 per equity share of Rs. 10 each (previous year- Re. 1.00 per equity share) for the Financial Year ended March 31, 2019 out of accumulated Profits. The total outgo on this account will be Rs. 528 lakhs including dividend distribution tax.

#### 5) CORPORATE GOVERNANCE REPORT AND CODE OF CONDUCT

Your Directors strive to maintain highest standards of Corporate Governance. The Corporate Governance Report is attached to this Report. The declaration of the Whole-Time Director confirming compliance with the 'Code of Conduct' of the Company and Auditor's Certificate confirming compliance with the conditions of Corporate Governance are enclosed with Corporate Governance Report to this Report.

#### 6) SUBSIDIARIES

| Sr.<br>No. | Subsidiary Companies u/s 2(87) of the Companies Act, 2013.        | Turnover* during<br>the financial year<br>2018-19<br>(Rs. in lacs) | Contribution<br>in<br>consolidated<br>turnover% |
|------------|---|--|---|
| 1          | Jindal Films India Ltd. (CIN: U25199DL2010PLC210480),             | 13530.83   | 3.63  |
| 2          | Jindal Packaging Trading DMCC (Reg. No. DMCC64743)                | 984.37   | 0.26  |

| 5          | J And D Speciality Films Pvt. Ltd. (CIN: U74999DL2018PTC341022)** | Nil  | NIL   |

<sup>\*</sup> Turnover is shown after net off eliminations of sales made by inter companies, incorporated in the consolidated financial statements.

#### 7) DEMERGER

Your Company has three business segments namely Packaging Film business, Photo Film business and Non-Woven Fabric business. Jindal Photo Imaging Limited (JPIL/Transferee Company), a wholly owned subsidiary of your Company was incorporated to carry on the business which is similar to the Photo Film business of the Company. In order to manage Packaging Films & Non-Woven Fabric businesses efficiently and effectively, the Board of Directors at its Meeting held on November 12, 2018 had approved the proposal to demerge the Photo Film business of the Company (transferor Company), as a going concern, into JPIL with the appointed date of April 1, 2019 (The Scheme).

Pursuant to an application (first motion petition) filed by both transferor and transferee Companies before Hon'ble National Company Law Tribunal, Allahabad Bench under Sections 230 to 232 of the Act read with relevant Rules, Meetings of the equity shareholders, secured creditors and unsecured creditors of the transferor Company was convened on Friday, 21 June, 2019, wherein the scheme was duly approved by the equity shareholders, secured creditors and unsecured creditors with requisite majority.

Both the transferor and transferee Companies have also jointly filed second petition on **22**<sup>nd</sup> **July, 2019** before the National Company Law Tribunal, Allahabad Bench for its approval.

#### 8) CORPORATE SOCIAL RESPONSIBILITY (CSR)

Your Company has formulated a long-term CSR Policy to contribute well being and development of the society through direct contribution as well as through BC Jindal Foundation. The CSR Policy is available on the Company's website at <a href="https://www.jindalpoly.com/Uploads/image/110imguf">https://www.jindalpoly.com/Uploads/image/110imguf</a> CSR-Policy.pdf

As a part of its CSR initiatives, the Company is working mainly in the areas of rural development, provision of various infrastructure facilities, provision of clean drinking water, education, environmental support, etc. The composition and terms of reference of Corporate Social Responsibility Committee are given in the Corporate Governance Report. The Annual Report on CSR activities as prescribed under Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 is attached as **Annexure "A"** to this Report.

#### 9) DIRECTORS AND KEY MANAGERIAL PERSONNEL

During the year under review, based on the recommendation of Nomination and Remuneration Committee Mr. Sagato Mukerji (DIN 06465901) and Mrs. Sonal Agarwal (DIN 08212478) were appointed as Whole-Time Director and Independent Director of the Company, respectively with effective from August 28, 2018 for a continuous period of 5 years. Further, the shareholders of the Company at their 44<sup>th</sup> AGM held on **29<sup>th</sup> September, 2018** had approved the appointment of Mr. Sagato Mukerji and Mrs. Sonal Agarwal.

Mr. Rathi Binod Pal (DIN 00092049) and Mr. Sanjeev Saxena (07899506), Directors of the Company are due for retirement at the ensuing AGM and have offered themselves for re-appointment. Your Board of Directors commend their re-appointment.

<sup>\*\*</sup> J And D Speciality Films Pvt. Ltd was incorporated on 24th October, 2018.

Mr. Prakash Matai (DIN 07906108) due to his personal reasons resigned from the directorship of the Company effective February 12, 2019. Your Board of Directors expresses its sincere gratitude and appreciation for the contribution and valuable services rendered by Mr. Prakash Matai during his tenure as an Independent Director of the Company.

All the Independent Directors have submitted declarations that they meet the criteria of independence as provided under Section 149 of the Act and the Listing Regulations.

In pursuance of the provisions of Section 2(51) and 203 of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as on March 31, 2019 Mr. Rathi Binod Pal, Mr. Sanjeev Saxena and Mr. Sagato Mukerji - Whole-Time Directors, Mr. Vinay Jindal, Chief Financial Officer and Mr. Sanjeev Kumar, Company Secretary were Key Managerial Personnel of the Company. During the year, there was no change in the Key Managerial Personnel (KMP).

However effective 31st May, 2019, Mr. Rathi Binod Pal has been designated as Non-Executive Non Independent Director.

Pursuant to the provisions of Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, approval has been sought for ratification of continuity of Mr. R. K. Pandey (DIN 00190017) as an Independent Director from 1st April, 2019 till 19th Sept, 2019. Further, the Company has received the notice in writing under section 160 of the Act from a Member proposing his candidature for office of Director in the Company as Independent Director of the Company for a further period of 5 years upto 31st March, 2024. The Board recommends the appointment of Mr. Radha Krishna Pandey as an Independent Director of the Company.

The Board met eight times during the Financial Year 2018-19. Other information on the Directors and the Board Meetings is provided in the Corporate Governance Report attached to this Report.

#### 10) REMUNERATION POLICY

In pursuance of the provisions of Section 178 of the Companies Act, 2013 and Listing Regulations, the Company has formulated a Remuneration Policy which is available at Company's website <a href="https://www.jindalpoly.com/Uploads/image/115imguf\_Remuneration-Policy.pdf">https://www.jindalpoly.com/Uploads/image/115imguf\_Remuneration-Policy.pdf</a>

The Remuneration Policy, *inter-alia*, includes the appointment criterion & qualification requirements, process for appointment & removal, retirement policy and remuneration structure & components, etc. of the Directors, KMP and other senior management personnel of the Company. As per the Remuneration Policy, a person proposed to be appointed as Director, KMP or other senior management personnel should be a person of integrity with high level of ethical standards. In case of appointment as an Independent Director, the person should fulfill the criteria of independence prescribed under the Companies Act, 2013, Rules framed thereunder and the Listing Regulations. The Remuneration Policy also contains provisions about the payment of fixed & variable components of remuneration to the Whole-Time Director and payment of sitting fee & commission to the Non-Executive Directors and describes fundamental principles for determination of remuneration of senior management personnel and other employees.

#### 11) DISCLOSURES UNDER THE COMPANIES ACT, 2013, RULES THEREUNDER AND SECRETARIAL STANDARDS

Due to non finalization of various modalities of the project and revision in technical specifications, during the year under review, the Company was able to spend only Rs. 2.87 lakhs for construction of development/ training centre in Hissar, Haryana.

#### In case the Company has failed to spend the 2% of the average net profit of the last 3 Financial Years or any part thereof, reasons for not spending the amount:

As an integral part of the Society, the Company is aware of its Corporate Social Responsibilities and has been engaged in community and social investment. Accordingly, the Company has earmarked funds in line with its Policy as well as prescribed CSR expenditure. It is the Company's continuous endeavor to increase its CSR impact and spend on well-being of the Society, supplemented by its continued focus towards sustainable development and responsible infrastructure.

In addition to the above, the Group implements various CSR initiatives of substantial value through B. C. Jindal Foundation operating at various locations of the Country. There are also certain philanthropic/ CSR activities/initiatives undertaken by the Group for the substantial well-being of the people in the community, which are not getting covered under the above CSR report due to the specified format under the applicable rules.

During the year under review, the Company was not able to spend entire prescribed amount, however it is committed to continually explore new opportunities which align to its CSR philosophy and create maximum impact and incrementally invest in CSR activities to spend the prescribed CSR amount in the subsequent years.

# Responsibility Statement of the CSR Committee for the implementation and monitoring of CSR policy in compliance with CSR objectives and Policy of the Company:

Subject to above explanation the CSR Committee confirms that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and the policy of the Company.

Annexure - B

# FORM NO. MR-3

#### SECRETARIAL AUDIT REPORT

#### FOR THE FINANCIAL YEAR ENDED 31.03.2019

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, JINDAL POLY FILMS LIMITED 19 Km Hapur Bulandshahr Road, P.O. Guloathi, Bulandshahr, Uttar Pradesh - 203408

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **JINDAL POLY FILMS LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2019 (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter along with Annexure 1 attached to this report:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on March 31, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment (FDI), Overseas Direct Investment (ODI) and External Commercial Borrowings (ECB) (No Fresh FDI & ODI was taken by the Company during the audit period)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not applicable to the Company during the audit period)
  - The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period);
  - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period)
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable as the Company is not registered as Registrar to an issue and Share Transfer Agent during the audit period);
  - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (Not applicable to the Company during the audit period);
  - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period):

#### I. OTHER LAWS:

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time and the Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following:

• As per section 135 of the Companies Act, 2013, the eligible amount required to be spent by the Company is Rs. 340 lacs during the Financial Year 2018-19, however as per information provided, the Company has spent Rs. 213.45 Lacs.

#### JINDAL POLY FILMS LIMITED

Based on the information received and records maintained, we further report that:

- The Board of Directors of the Company was duly constituted with proper balance of Executive, Non-Executive, Women and Independent Directors as on March 31, 2019. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- 2. Adequate notice of at least seven days was given to all Directors to schedule the Board Meetings along with agenda and detailed notes on agenda and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the Meeting in compliance of the Act.
- 3. Majority decision is carried through and recorded in the minutes of the Meetings. Further as informed, no dissent was given by any Director in respect of resolutions passed in the Board and Committee Meetings.

Based on the compliance mechanism established by the Company and on the basis of the Compliance Certificate (s) issued by Executive Director, Chief Financial Officer and Unit Head(s) of the Company and taken on record by the Board of Directors at their Meeting (s),

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has not incurred any specific event / action that can have major bearing on the Company's affairs in pursuance of above referred laws, rules, regulations; guidelines, standards etc. except as follows:

- 1. The Board of Directors at its Meeting held on November 12, 2018 has approved the Scheme of Arrangement between Jindal Poly Films Limited (Transferor/Demerged Company) and Jindal Photo Imaging Limited (Transferee/Resulting Company) and their Respective Shareholders and Creditors under Sections 230 to 232 of the Companies Act, 2013. The Company has received "No Objection" in terms of regulation 94 of SEBI LODR, 2015 to this scheme of arrangement from National Stock Exchange of India Limited and BSE Limited vide their letters dated March 11, 2019. Later the Company filed the Joint Application with the National Company Law Tribunal, Allahabad Bench for seeking approval for dispensation of meeting of equity shares of Transferee Company and convening the Meeting of Equity Shareholders of Transferor Company which was allowed by the National Company Law Tribunal vide order delivered on April 30, 2019. Pursuant to an application (first motion petition) filed by both transferor and transferee Companies before Hon'ble National Company Law Tribunal, Allahabad Bench under Sections 230 to 232 of the Act read with relevant Rules, Meetings of the Equity Shareholders, Secured Creditors and Unsecured Creditors of the transferor Company was convened on Friday, 21 June, 2019, wherein the Scheme was duly approved by the Equity Shareholders, Secured Creditors and Unsecured Creditors with requisite majority. Both the transferor and transferee Companies have also jointly filed second petition on 22<sup>nd</sup> July, 2019 before the National Company Law Tribunal, Allahabad Bench for its approval.
- 2. The Board of Directors at its Meeting held on February 12, 2019 authorised to file the Petition for revocation of the Power Trading Licence with the Central Electricity Regulatory Commission, New Delhi (CERC) as Company was not doing Power Trading Business. Accordingly application was filed with CERC and CERC vide its order dated April 18, 2019 directed the Central Government in Ministry of Power and the Central Electricity Authority of India (CEA) that the licence granted to Jindal Poly Films Limited be revoked with effect from March 31, 2019.

#### REPORT ON CORPORATE GOVERNANCE

The Directors presents the Company's Report on Corporate Governance for the year ended March 31, 2019.

#### 1. Company's Philosophy on Corporate Governance

The Company has always focused on good corporate practices, which are key drivers of sustainable growth and long-term value creation for its shareholders. The Company believes that corporate governance is not limited to merely creating checks and balances. It is more about creating organizational excellence leading to increase in employee and customer satisfaction and long-term shareholders' value without compromising on ethical standards.

#### 2. Board of Directors

As on March 31, 2019, your Board of Directors comprised of six directors with three being Non-Executive Directors and three being Executive Directors. Out of the total strength of six directors, two are women directors, out of which one is Independent Director and another is Non-Executive Director. Out of the three Non-Executive Directors, two are Independent Directors. Composition of your Board is diverse optimum and balanced in terms of specialization in one or more areas. The Board of Directors takes into account the interest of all stakeholders while discharging its responsibilities and provides leadership and guidance to the Company's management. Moreover, the Board while discharging its fiduciary responsibilities very well ensures that the management adheres to the high standards of ethics, transparency and disclosures.

The Non-Executive Directors including Independent Directors bring objective and independent perspective in Board deliberations and decisions as they have a wider view of external factors affecting the Company and its business. They make a constructive contribution to the Company by ensuring fairness and transparency while considering the business plans devised by the management team.

All the Independent Directors have requisite knowledge of business, in addition to the expertise in their area of specialization. The Company has received declaration from each of the Independent Directors confirming that he/ she meets the criteria of independence as defined under the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). In the opinion of the Board of Directors, the Independent Directors fulfill all the conditions as specified in the Listing Regulations and are independent of the management. The Company has issued letters of appointment to the Independent Directors and the terms and conditions of their appointment have been uploaded on the website of the Company.

During the year under review, based on the recommendation of Nomination and Remuneration Committee Mr. Sagato Mukerji (DIN 06465901) and Mrs. Sonal Agarwal (DIN 08212478) were appointed as Whole-Time Director and Independent Director of the Company, respectively effective August 28, 2018 for a continuous period of 5 years. Further, the shareholders of the Company at their 44<sup>th</sup> Annual General Meeting (AGM) held on September 29, 2018 had approved the appointment of Mr. Sagato Mukerji and Mrs. Sonal Agarwal, respectively.

During the year, Mr. Prakash Matai (DIN 07906108) due to his personal reasons has resigned from the directorship of the Company, effective February 12, 2019. Mr. Prakash Matai confirmed in his resignation letter dated February 12, 2019 that there is no disagreement with the Board and there are no other matters relating to his resignation that need to be brought to the attention of the shareholders of the Company.

Further, re-appointment of Mr. R. K. Pandey (DIN 00190017) is due as an Independent Director for which approval of shareholder has been sought through Postal Ballot Notice dated August 14, 2019. Mr. Rathi Binod Pal, Director and Mr. Sanjeev Saxena, Whole time Director are retiring by rotation at the forthcoming AGM and are eligible and have offered themself for re-appointment.

The brief resume and other requisite details of the Directors proposed to be re-appointed are given in the notice convening the ensuing AGM.

#### 3. Meetings and Attendance

The Meetings of the Board are generally held at the Corporate Office of the Company and are scheduled in a manner that it coincides with the announcement of quarterly/annual financial results. In case of urgency, additional Board Meetings are convened. As and when required, the resolutions are also passed by circulation as permitted by law. During the year under review, eight Board Meetings were held on April 13, May 15, August 10 and 28, September 29 and November 12, 2018, February 12 and March 26, 2019. The gap between two consecutive Board Meetings did not exceed one hundred twenty days.

The composition of the Board of Directors, their attendance at the Board Meetings held during the Financial Year 2018-19 and AGM, number of other directorships and membership of the Committees of the Boards of other Indian Public Limited Companies as on March 31, 2019, are as follows:

- C. Finance, Banking and Foreign Exchange Markets.
- D. Experience in developing governance practices, serving the best interests of all stakeholders, maintaining Board and management accountability, building long-term effective stakeholder engagements and driving corporate ethics and values.

#### 9. Performance Evaluation

In pursuance of the provisions of the Act and the Listing Regulations, the evaluation of performance of the Board as a whole, Committees of the Board, individual Directors and Chairperson of the Company was carried out for the Financial Year 2018-19. The performance of each Director has been evaluated by NRC.

The performance of the Board and individual Directors was evaluated by the Board after seeking inputs from all the Directors. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee Members. The criteria for performance evaluation of the Board included aspects such as Board composition and structure, effectiveness of Board processes, contribution in the long term strategic planning, etc. The criteria for performance evaluation of the Committees included aspects such as structure and composition of Committees, effectiveness of Committee Meetings etc.

In a separate Meeting, the Independent Directors evaluated the performance of Non-Independent Directors and performance of the Board as a whole. They also evaluated the performance of the Chairman taking into account the views of Executive Directors and Non-Executive Directors. The NRC reviewed the performance of the Board, its Committees and of the Directors. The same was discussed in the Board Meeting that followed the Meeting of the Independent Directors and NRC, at which the feedback received from the Directors on the performance of the Board and its Committees was also discussed.

Significant highlights, learning and action points with respect to the evaluation were discussed by the Board.

# 10. Vigil Mechanism and Whistle Blower Policy

The Company has a Whistle Blower Policy for establishing vigil mechanism for Directors, employees and other stakeholders to report concerns about unethical behavior, actual or suspected fraud or violation of the Company's "Code of Conduct and Ethics". The vigil mechanism under the Whistle Blower Policy provides adequate safeguard against victimization of the Directors and the employees who avail of the mechanism and also provides for direct access to Chairman of the Audit Committee in appropriate or exceptional cases. Whistle Blower Policy is available on the website of the Company at <a href="https://www.jindalpoly.com/Uploads/image/125imguf\_WHISTLEBLOWERPOLICY.pdf">https://www.jindalpoly.com/Uploads/image/125imguf\_WHISTLEBLOWERPOLICY.pdf</a>

# 11. Prevention of Insider Trading Code:

During the year, your Board has amended the Insider Trading Policy in line with the SEBI (Prohibition of Insider Trading) (Amendment) Regulations, 2018. The Board has also approved the updated Code for Fair Disclosure of Unpublished Price Sensitive Information which is available on the Company's website at <a href="https://www.jindalpoly.com/Uploads/image/118imguf">https://www.jindalpoly.com/Uploads/image/118imguf</a> FreshCodeforFairDisclosure-of-UPSI.pdf

# 12. Related Party Transactions

During the Financial Year 2018-19, all transactions entered into with related parties, as defined under the Act and Listing Regulations, were in the ordinary course of business and on an arm's length basis. There were no materially significant transactions with related parties during the year that may have potential conflict with the interest of the Company at large. The Company has formulated a policy on dealing with related party transactions which can be accessed at the Company's website at <a href="https://www.jindalpoly.com/Uploads/image/114imguf\_Policy-on-Related-Party-Transactions.pdf">https://www.jindalpoly.com/Uploads/image/114imguf\_Policy-on-Related-Party-Transactions.pdf</a>

# 13. Shareholding of Non-Executive Directors

| Name              | No of Equity Shares held | Name                 | No of Equity Shares held |
|-------------------|--------------------------|----------------------|--------------------------|
| Mr. R K Pandey    | NIL                      | Mrs. Sonal Agarwal   | NIL                      |
| Ms. Shakshi Gupta | 02                       | Mr. Rathi Binod Pal* | NIL                      |

<sup>\*</sup>Mr. Rathi Binod Pal has been re-designated as Non-Executive- Non-Independent Director effective May 31, 2019.

# **AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE**

То

The Members of Jindal poly Films Limited,

We have examined the compliance of conditions of Corporate Governance by Jindal Poly Films Limited ('the company'), for the year ended March 31, 2019 as per the relevant provisions of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to Regulations 15(2) of the Listing Regulations.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was carried out in accordance with the Guidance Note on Certificate of Corporate Governance, issued by the Institute of Chartered Accountants of India and limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied in all material respect with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# **MANAGEMENT DISCUSSION & ANALYSIS**

# 1. MACROECONOMIC OVERVIEW

According to recently published International Monetary Fund's (IMF) World Economic Outlook, the global economic growth in 2020 is projected to be 3.6%. The report further mentions that the emerging markets and developing countries are expected to grow strongly bolstered mainly by growth in China and India and their increasing weights in the world income. In 2020, the growth is expected to rise to 4.8% in emerging market of developing economies driven almost entirely by an expected strengthening of activity in these economies on the back of policy adjustment.

Growth in emerging and developing Asia is expected to be 6.3% in 2020. In India, continued implementation of structural and financial sector reforms with efforts to reduce public debt remain essential to secure the economy's growth prospects. In the near term, continued fiscal consolidation is needed to bring down India's elevated public debt. This should be supported by strengthening goods and services tax compliance and further reducing subsidies. Important steps have been taken to strengthen financial sector balance sheets, including through accelerated resolution of nonperforming assets under a simplified bankruptcy framework. These efforts should be reinforced by enhancing governance of public sector banks. Reforms to hiring and dismissal regulations would help incentivize job creation and absorb the country's large demographic dividend; efforts should also be enhanced on land reform to facilitate and expedite infrastructure development.

#### 2. INDUSTRY SCENARIO

The global packaging industry is expanding and the Indian Packaging industry is also growing rapidly. This growth is primarily driven by factors like growing industry sectors such as pharmaceutical, food processing, FMCG, healthcare sector and ancillary in the emerging economies like China, India, Brazil, Russia and few other East European Countries. The growth of the Indian packaging industry will be heavily influenced by changing demographics such as growing urbanization and the rising proportion of middle-class consumers.

The way consumerism has evolved over the years has had a direct bearing upon flexible packaging both qualitatively and quantitatively. Flexible packaging has been one of the fastest growing sectors in the packaging industry over the past 10 years. The industry has witnessed introduction of new and efficient films used in manufacturing flexible packaging materials. Smaller unit packs/ sachets dispensing measured and controlled potions are a rage in FMCG and pharmaceutical sector.

Flexible packaging is a packaging format that is widely used across the globe. Flexible packaging is the most economical method to package, preserve and distribute food, beverages, consumables, pharmaceuticals and other products that need extended shelf life. It can be designed with barrier properties tailored to fit the products being packaged keeping in mind the end-use, whereas other packaging formats generally provide a one- size-fits-all approach. Flexible packaging can now be made in a wide variety of innovative shapes, sizes and appearances, and can include components such as handles and opening and reclosing features such as zips and spouts to name a few. Changing consumer lifestyle, growth of DINK (Double Income No Kids) population, propensity to spend more on the back of increasing disposable income has enhanced dependence on processed, pre-cooked and packed foods, which has augured well for the overall growth of the flexible packaging industry.

Asia Pacific is expanding at the fastest growth rate in the global flexible packaging market owing to the rising disposable income, increasing demand, and changing end-user trends which are expected to have a positive impact on the global flexible packaging industry.

# 3. BUSINESS REVIEW

Your Company was incorporated in 1974 and since then it has transformed itself into one of the largest manufacturers of Biaxially Oriented Polypropylene (BOPP) Films and Biaxially-Oriented Polyethylene Terephthalate (BOPET) in the world. The manufacturing plant at Nashik, Maharashtra is the world's largest integrated facility for the production of BOPET and BOPP Films.

With a current capacity of 251,000 TPA, your Company offers a full range of BOPP Films from 7 to 70 microns which include transparent Films (heat sealable and non-heat sealable), matte Film, peralised Film, label grade Film, opaque white Film, release Film, tape & textile Film and metallized BOPP Film.

After commencement of New BOPET Line at present, BOPET Films capacity of your Company is 1,71,000 TPA and the Company offers a full range of BOPET Films including coated Films.

CPP line has an annual capacity of 14,200 MT. It has the capability to produce a wide range of CPP Films, both for regular as well as specialty applications. The line is also equipped with advanced features to monitor and maintain consistent quality.

Metallizers has a total capacity of 78,000 TPA. Metallized BOPET Films are used for high barrier flexible packaging, metallic yarn, sequins for textiles, decorative etc. Metallized BOPP films are used for flexible packaging, gift wraps and decorative.

As a part of the forward integration of BOPP and PET Films, the Company has installed coating lines for manufacturing entire range of specialty coated films like PVDC, Acrylic, Silicon, Ink receptive, Digital Printable & DG coated Films & Coated HighCOF Matte PET & Lidding Films.

Having the World's largest stand-alone manufacturing unit of BOPP & PET films, Jindal Poly Films Ltd have forward integration with the installation of Extrusion Coating Line manufacturing BOPP & PET based Thermal Lamination Films.

The Company also caters to the export markets and has a strong global customer base. The Company is also focusing on newer products, which will cater to niche markets.

Further Company's Global Nonwoven Division is India's leading manufacturer of PP (Polypropylene) based 'Spunmelt' & 'Spunbond' Nonwoven Fabric. Global Nonwovens manufactures wide range of Spunbond (SSS) and Spunmelt (SSMMS) fabric in roll goods form.

#### 4. OPERATIONAL & FINANCIAL PERFORMANCE

# 5. CHANGES IN KEY FINANCIAL RATIOS

The details of changes (change of 25% or more) in key financial ratios as compared to previous Financial Year are stated below:

|         | Standalone                          |  |      |          |  |  |  |  |  |
|---------|-------------------------------------|--|------|----------|--|--|--|--|--|
| Sr. No. | Particulars                         | articulars Financial Financial Year 2019 Year 2018 |      | % Change | Explanations   |  |  |  |  |
| 1       | Debt Equity Ratio (Times)           | 0.73   | 0.54 | 34.53    | On account of business expansion, bank borrowings increased.             |  |  |  |  |
| 2       | Interest Coverage<br>Ratio (Times)* | 10   | 4    | 132.90   | Improved primarily on account of increased EBIT and lower interest rates |  |  |  |  |

<sup>\*</sup>calculated based on EBIT(before exceptional items).

During the year under review, there has been a change in return on net worth and net profit margin as compared to previous Financial Year primarily on account of writing off of investments, refer note no. 33 of Standalone Financial Statements.

# 6. KEY RISKS AND CONCERNS

The largest component of costs involved in making flexible packaging film is attributable to raw materials. The BOPET chips used to make BOPET Film as well as the polymers that go into producing BOPP Film are derived from petroleum. Given the volatile trend in crude oil and demand for polymers for competing applications the pressure on input costs can be expected to fluctuate and accordingly, it is expected to pass the same to end consumers in the foreseeable future.

Country's BOPET and BOPP industry production capacity is more against its domestic demand. Excess supply capacity is mainly due to time gap between new capacity addition and demand growth.

# 7. FUTURE OUTLOOK

The packaging industry has experienced rapid growth globally as a result of greater innovation and customer preferences for global brands. Packaging sales in the emerging markets are expected to continue to show strong momentum as both increased consumption and demand for consumer goods drives the need for more sophisticated packaging.

Asia is expected to lead the demand with its market share of around 42-45%. Food sector within the FMCG is the biggest consumer of flexible packaging with an aggregate share of over 70%. According to Smither'sPera, the World Packaging Market based on an Annual growth of 2.9% could reach US \$ 980 billion in 2022 and \$ 1000 billion in 2023. Flexible Packaging with agrowth rate of 4.83% per year should reach US \$ 283 billion by 2022. The major growth engines shall be the Asia-Pacific (APAC) countries. According to analysis from PCI Wood Mackenzie, Indian flexible packaging industry is expected to grow at around 10% a year and will stand at around \$ 9 billion by 2022.

Substitutions of Traditional packaging and Retail Chains are the most important drivers for the market growth. The real opportunity lies in developing nations or emerging economies.

The players in the flexible packaging industry worldwide are coming up with more and more innovative and effective flexible packaging products. Flexible packaging designs such as zippers, pouring spouts, peel-off lids, and microwavable pouches provide consumers with convenience in accessing and disposing the products like never before. Such packaging designs are being increasingly improvised to meet the growing consumer demand for food and beverage products offering higher convenience and portability. Flexible packaging helps in minimizing wastage of goods/products by offering appropriate portion sizes and re-closable options.

The Company has established itself as a significant player in the BOPP, BOPET, CPP and other products. The products of the Company are well known in the market place for their good and consistent quality. Considering its successful approach towards research and development so as to innovate customer's centric products, strong marketing network and logistics strength, the outlook remains positive.

## 8. OPPORTUNITIES AND THREATS

#### **BOPET Film**

The Company produces both types of BOPET Films upto 50 Micron and thick films upto 350 Microns. Thin BOPET films constitute nearly three fourth of the world's consumption of BOPET films and are mainly used in packaging.

Flexible packaging improves the shelf life of products while increasing its product appeal. Asia (excluding Japan and Korea) has emerged as the largest market for BOPET films accounting for nearly 50% of the world consumption.

However, the penetration of flexible packaging in the developing economies in Asia is still low and huge opportunities exist for growth with the increase in organized retail, small serve packs and increasing consumerism all requiring better and attractive packaging.

The global market demand had a growth rate of 6% last year. For the next 2 years we expect demand to remain stable.

# **BOPP Films**

In the FY 2018-19 prices remained subdued since with the capacity expansions across the world. The global BOPP industry is dominated by China which accounts for nearly 40% of the global capacity and consumption.

The current demand stands around 8 Million Ton and shown a growth rate of 4% over last year. Presently the demand for BOPP films is increasing faster than BOPET films, however with addition of capacities in BOPP, margin will continue in pressure.

## **SEGMENT PERFORMANCE**

A. Flexible Packaging Film

The flexible packaging gross revenue was Rs. 3,363 crore (2018-19) as against Rs. 2,720 crore (2017-18)

B. Nonwoven Fabrics

The Nonwoven Fabrics gross revenue was Rs. 264 crore (2018-19) as against Rs. 202 crore (2017-18)

C. Photographic Product and others

The Photographic Product and others gross revenue was Rs. 66 crore (2018-19) as against Rs. 94 crore (2017-18)

# 9. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES

The Company has a team of experienced and qualified personnel to support its plant and other allied operations. The project team also comprises of professionals having technical expertise and experience which is critical for successful and timely implementation of the operations.

The recruitment of well qualified personnel and retention of experienced workforce is critical for maintaining the talent pool in the Company. The Company continuously works towards ensuring that appropriate recruitment and retention plans are

in place to avoid any gaps in talent pool. The Company continuously reviews its human resource policies to align them with the changing trends in the employment market and an appropriate performance appraisal system is in place to identify and reward the talent.

In order to maintain the talent pool, the Company selects technical personnel from premier institutes. They undergo detailed training after joining the Company which includes classroom lectures, on-the job training, mentor-mentee programs, etc. The training and development of the employees is a continuous process. The training and development needs of the employees are identified as part of the appraisal process and appropriate training programmes are designed.

Employees are also empowered to take full ownership and accountability of their responsibilities. Besides human resource development, Company provides various welfare measures for its employees and their families. Cordial industrial relations in factory have also helped Company to build a strong team of employees at various levels having good experience and skills.

## 10. INTERNAL CONTROL SYSTEM

The Company has a strong internal control system comprising various levels of authorization, supervision, checks and balances and procedures through documented policy guidelines and manuals. The Internal Audit Team regularly monitors the efficacy of internal controls/and compliances with Standard Operating Procedures and Manuals with an objective of providing to the Audit Committee and the Board of Directors, an independent, objective and reasonable assurance that all transactions are authorized, recorded and reported correctly and compliance with policies and statutes are made.

The managers exercise their control over business processes through operational systems, procedure manuals and financial limits of authority manual. These processes are reviewed and updated on regular basis to improve their efficacy and meet the business needs.

The Internal audit team develops a risk based annual audit programme which is aligned to the previous year's observations, suggestions from the operating managers and statutory auditors. The internal audit programme is approved by the Audit Committee.

The audit approach is based on random sample selection and takes into consideration the generally accepted business practices. The internal audit reports are discussed by the Audit Committee of the Board of Directors along with the directions/ action plan. The directions are implemented by the respective departments.

The Internal Audit Team also assesses opportunities for improvement in business processes, systems and controls, gives recommendations and reviews the implementation of directions issued by the management, Board of Directors or its Committees.

#### 11. CAUTIONARY STATEMENT

The report may contain certain statements that the Company believes are, or may be considered to be "forward looking statements" that describe its objectives, plans or goals. All these forward-looking statements are subject to certain risks and uncertainties, including but not limited to Government action, economic developments, risks inherent to the Company's growth strategy and other factors that could cause the actual results to differ materially from those contemplated by the relevant forward looking statements.

# INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Poly Films Limited

# Report on the Audit of the Standalone Financial Statements

# Opinion

We have audited the accompanying standalone financial statements of Jindal Poly Films Limited ("the Company"), which comprise the Balance sheet as at March 31 2019, the Statement of Profit and Loss (including the Statement of Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind-AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone FinancialStatements'section of our report. We are independent of the Company in accordance with the 'Code of Ethics'issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

# **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

# S. No. Key Audit Matter

# 1. Revenue Recognition

For the financial year ended 31 March, 2019, the Company has recorded revenue amounting to Rs. 3,69,350.89 Lakhs. The accounting policies for revenue recognition are set out in Note 2.20 to the standalone financial statements and the different revenue streams of the Company have been disclosed in Note 25 to the financial statements. We have identified sales cut-off to be significant because of the high volume of transactions and the varying sales, contractual and shipping terms. Revenue recognition is susceptible to the higher risk that the revenue is recognised when the control of goods has not been transferred to the customers.

# **Auditor's Response**

## How our audit addressed the key audit matter:

We assessed the overall sales process and the relevant systems and the design of controls over the capture and recording of revenue transactions. We have tested the effectiveness of controls on the processes related to revenue recognition relevant to our audit. We performed sample testing on revenue and checked that the revenue recognition criteria are appropriately applied. We have also performed cut-off tests to ensure the Company has complied with proper cut-off procedures and revenue is recognized in the appropriate accounting period.

#### **Our Observation:**

We found the Company's revenue recognition to be consistent with its accounting policy as disclosed in Note 2.20 to the standalone financial statements. We are satisfied that the Company's revenue has been appropriately recognized and in the relevant accounting period.

#### Valuation of inventories

We refer to Note 7 and 2.5 to the financial statements.

As at March 31, 2019, the total carrying amount of inventories was Rs. 48,176.92 lakhs. The assessment of impairment of inventories involves significant estimation uncertainty, subjective assumptions and the application of significant judgment. Reviews are made periodically by management on inventories for obsolescence and decline in net realizable value below cost. Allowances are recorded against the inventories for any such declines based on historical obsolescence and slow-moving history. Key factors considered include the nature of the stock, its ageing, shelf life and turnover

# Valuation of Current and Non-Current Investments

As disclosed in Note 4 & 8 to the financial statements.

As at March 31, 2019, the total carrying amount of total investments were Rs. 40,567.22 Lakhs. Investments mainly includes unquoted preference shares, and mutual funds. Fair valuation of unquoted current investments involves significant estimation uncertainty, subjective assumptions and the application of significant judgment. This was an area of focus for our audit and the area where significant audit effort was directed.

# How our audit addressed the key audit matter:

We have checked and analyzed the ageing of the inventories, reviewed the historical trend on whether there were significant inventories written off or reversal of the allowances for inventory obsolescence. We conducted a detailed discussion with the key management and considered their views on the adequacy of allowances for inventory obsolescence considering the current economic environment. We have also reviewed the subsequent selling prices in the ordinary course of business and compared against the carrying amounts of the inventories on a sample basis at the reporting date.

#### Our Observations:

We found management's assessment of the allowance for inventory obsolescence to be reasonable based on available evidence.

## How our audit addressed the key audit matter:

Our audit procedures included updating our understanding of the processes employed by the Company for accounting and valuing their investments. We have reviewed year end confirmation of mutual fund and depository participants. We have verified that the Company was the recorded owner of all investments. Our audit procedures over the valuation of the Investments included reviewing valuation of all Investments held at March 31, 2019. We have reviewed that investments, where probability of realization is very low, should not be carried forward.

# Our Observation:

Based on the audit procedures performed we are satisfied with existence and valuation of investment at March 31, 2019.

## Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. We have obtained all other information prior to the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit
  evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on
  the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to
  draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are
  inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's
  report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Change in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account:
- (d) In our opinion, the aforesaid standalonefinancial statements comply with the Indian Accounting Standards (Ind AS) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2013;
- (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
  - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid /provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements Refer Note 35 to the standalonefinancial statements;
  - ii. The Company did not have material foreseeable losses in long-term contracts including derivative contracts;
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

# ANNEXURE-A TO THE AUDITOR'S REPORT

Annexure A referred to in paragraph 1 of our report of even date on the other legal and regulatory requirements (Re: Jindal Poly Films Limited)

- i) a. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
  - b. The Company has a regular programme of physical verification of its property, plant and equipment by which property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, property and plant were verified during the year. In our opinion periodicity of physical verification is reasnable having regard to the size of the Company and nature of its property, plant and equipment.
  - According to information and explanations given by the management, the title deeds of immovable properties included in Property, Plant & Equipment are held in the name of the Company except free hold land having gross value of Rs. 45.70 lacs for which registration in the name of the company is pending.
- ii) The management has conducted physical verification of inventories except stock in transit during the year at reasonable interval and no material discrepancies were noticed on such physical verification.
- iii) During the year, the Company has granted unsecured loan to one wholly owned subsidiary company covered in register maintained under section 189 of the Companies Act, 2013. The terms and conditions of the grant of such loans are

not,prima facie prejudicial to the interest of the Company. The Company has stipulated schedule of repayment of principal and payment of interest thereon. Repayment of principal and interest for loans granted including earlier years, which are payable on demand, are regular in payment, whenever demanded. However, in respect of advance aggregating Rs. 9149 Lakhs (including interest) given to Jindal India Thermal Power Limited which was converted into loan in earlier year on cancellation of power purchase agreement, were written off during the year [Refer Note 33.2 of standalone financial statements]. The Company has not granted any loan to Firms, Limited Liability Partnership or any other parties covered in the register maintained under section 189 of the Companies Act, 2013.

- iv) The Company has complied with provisions of Section 186 of the Companies Act, 2013 in respect of loan granted, investments made and guarantee or security given. According to information and explanations given by the management, there is no loan granted or guarantee or security provided under section 185 of the Companies Act, 2013.
- v) The Company has not accepted any deposit covered under sections 73 to 76 of the Companies Act, 2013 during the year. Therefore, provisions of clause 3(v) of the Order are not applicable to the Company.
- vi) The maintenance of cost records has not been prescribed by the Central Government under the section 148 (1) of the Act read with companies (Cost Records and Audit) Rules, 2014 for the goods/product manufactured by the Company and are of the opinion that, prima facie, the prescribed records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii) a. According to the records of the Company, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and service tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues deducted/ accrued in the books, with the appropriate authorities. There was no undisputed outstanding statutory dues as at the yearend for a period of more than six months from the date they became payable.
  - b. According to the records of the Company, there are no dues outstanding of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax on account of any dispute, other than the followings:

| Name of Statue               | Nature of Dues                                    | Period to which it relates | Amount<br>(Rs. in<br>Lakhs) | Forum where dispute is pending  |
|------------------------------|---|----------------------------|-----------------------------|---------------------------------|
| The Income Tax Act,1961      | Disallowance of expenses and deduction            | 1993-1994                  | 52.60                       | ITAT- Delhi                     |
|                              | Disallowance of expenses and depreciation         | 1999-2000                  | 391.45                      | CIT(A)- GZB                     |

# **ANNEXURE - B TO THE AUDITOR'S REPORT**

Report on the Internal Financial controls under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Jindal Poly Films Limited ('the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to as audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements of and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

# Meaning of Internal Financial controls with reference to financial statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal; financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial controls with reference to financial statements

Because of the inherent limitations of Internal Financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019, based on the internal control over the financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India, however same need to be further strengthened.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

## 1 Company Information

Jindal Poly Films Limited ("the Company") is the largest manufacturer of BOPET and BOPP films in India. The Company produces BOPET, BOPP, CPP, Thermal, Metalized and Coated Films. The manufacturing units at Nasik are amongst the most modern facilities available and are capable of producing high quality products. The Company is also engaged in manufacturing of Photographic Products and Nonwoven Fabric products with plant located in Dadra and Nasik respectively. The Company is limited by shares, incorporated and domiciled in India and the equity shares of the Company are listed on the Indian Stock Exchanges i.e. National Stock Exchange & Bombay Stock Exchange.

# 2 Summary of Significant Accounting Policies

# 2.1 Basis of Preparation and Measurement

# **Statement of Compliance**

The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended. These standalone financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

These financial statements were authorised for issue by the Board of Directors on their meeting held on May 30, 2019.

#### **Historical Cost Conventions and Fair Value**

The financial statements have been prepared under the historical cost convention on accrual basis and the following items, which are measured on following basis on each reporting date:

- Certain financial assets and liabilities that is measured at fair value.
- Defined benefit liability/(assets): present value of defined benefit obligation less fair value of plan assets.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can
  access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

# **Reporting Presentation Currency**

The Financial Statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates, and all values are rounded to the nearest Lakhs with two decimals, except as otherwise stated.

# 2.2 Classification of Assets and Liabilities

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset/ liabilities is treated as current when it is:- Expected to be realised/settled (liabilities) or intended to be sold or consumed in normal operating cycle.- Held primarily for the purpose of trading- Expected to be realised/settled within twelve months after the reporting period, or- Cash and Bank Balances unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other assets/liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets/liabilities. The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents.

# 2.3 Accounting Estimates and Judgements and key sources of estimation uncertainty

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

- Property, Plant & Equipments (estimate useful life);
- · Intangible assets (estimate useful life)
- Impairment testing (if and when applicable)
- Provision inventories (obsoleteness / lower net realizable value)
- Allowances For Credit Losses
- Provision for employees' post employment benefits (actuarial assumptions)
- Lease (Finance Lease)

In preparing the financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined. The management of the Company makes assumptions about the estimated useful lives, depreciation methods, amortisation or residual values of items of property, plant and equipment (including intangible assets), based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that the inventory on hand could be sold to the third parties at not lower than the carrying value taking into consideration the condition of inventories held and current conditions in the market. Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of trade receivables at 31st March 2019. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations. The provisions for defined benefit plans have been calculated by a local (external) actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. Management believes that the mortality tables used are general acceptable mortality tables the countries involved. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

# 2.4 Operating Segments.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Operating segments comprise Packaging Films, Photographic Products and Nonwoven Fabrics being performance measure of the Company, as required under Ind AS 108 (Operating Segments). The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted by the Company. Operating Segments are identified based on the nature of products, the different risks and returns, being the performance measure of the Company. Further disclosure of segments based on geography by location of customers i.e. in India and outside India has been made. Inter-segment revenue, if any, have been accounted for based on the transaction price agreed to between the segments, which is primarily market based.

#### 2.5 Inventories

Inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials is determined on FIFO basis. Process chemicals, stores, packing materials are determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Further the cost for Work-in-Progress includes material cost, stage wise direct cost and other related manufacturing overheads. Non usable wastes are valued at net realizable value. Materials and other items held for use in the production of inventories are not written down below costs, if finished goods in which they will be incorporated are expected to be sold at or above cost.

# 2.6 Property, Plant and Equipment

Property, Plant and Equipment held for use in the production or supply of goods, or for administrative purposes are stated at cost less accumulated depreciation and any accumulated impairment losses, if any. Cost comprises of purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use. Property, plant and equipment acquired in a business combination are recognised at fair value or at carrying cost for acquisition under common control, as the case may be. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. If significant parts of an item of property, plant and

equipment have different useful lives, then they are accounted for as a separate items (major components) of property, plant and equipment. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

#### 2.7 **Intangible Assets**

Intangible Assets are stated at cost less accumulated amortization and impairment loss, if any. Intangible Assets which are not ready for intended use as on the date of Balance Sheet are disclosed as "Intangible Assets Under Development".

# Expenses on new projects, substantial expansion and during construction period

Expenditure directly relating to construction activity is capitalised. Indirect expenditure incurred during construction period is capitalised as part of the indirect construction cost to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period, which is not related to the construction activity nor is incidental thereto is charged to the Statement of Profit & Loss. Income earned during construction period is deducted from the total of the indirect expenditure. Expenditure incurred/income earned is added to/ reduced from capital work-in-progress till the plant is ready for use.

#### Impairment of Property, Plant & Equipment and Intangible Assets 2.9

Property, Plant & Equipment (including capital work in progress) and Intangible Assets (intangible assets under development) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the Property, Plant & Equipment's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an Property, Plant & Equipment's fair value less costs of disposal and value in use. For the purposes of assessing impairment, Property, Plant & Equipment are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other Property, Plant & Equipment or groups of Property, Plant & Equipment (cash-generating units). Property, Plant & Equipment and Intangible assets other than Goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period and the same has been recognised immediately in the statements of profit and loss.

# 2.10 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell. Non-current assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal unit classified as held for sale, continue to be recognised.

## 2.11 Depreciation and Amortisation

Depreciation on property, plant and equipment has been provided on straight-line basis over the estimated useful life as prescribed under Schedule II to the Companies Act, 2013 or as per estimated useful life re-assessed by the Company. In case of certain class of assets, the Company uses different useful life than those prescribed in Schedule II of the Companies Act, 2013. The useful life has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset on the basis of the management's best estimation of getting economic benefits from those classes of assets. The Company uses its technical expertise along with historical and industry trends for arriving at the economic life of an asset.

Following useful life has been considered for providing depreciation:

| Name of Assets         | Useful life |
|------------------------|-------------|
| Factory Buildings      | 30 Years    |
| Non Factory Buildings  | 60 Years    |
| Plants & Machineries   | 15-30 Years |
| Furniture and Fixtures | 10 Years    |
| Office Equipment       | 5 Years     |
| Computers              | 3 Year      |
| Vehicles               | 8-10 Years  |

Property, Plant and Equipment's residual values, estimated useful lives are reviewed at each balance sheet date and changes, if any, are treated as changes in accounting estimates. Intangible assets are amortised over their estimated useful economic lives on straight line basis. Estimated useful life of the software is considered as 6 years. Premium on Leasehold Land is amortised over the period of lease tenure. Freehold Land, Capital Work in Progress and Intangible Assets under Development are not depreciated.

#### 2.12 Leases

## **Operating Leases**

#### As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

#### As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the excepted inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

#### **Finance Lease**

Leases are classified as finance leases when according to terms of lease, the lessee assumes all principal risks and rewards incident to ownership of the leased assets. The lower of the fair value of the assets and the present value of the minimum lease rental is recorded as property, plant & equipment with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to statement of profit and loss as finance cost.

## 2.13 Financial Assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

# (a) Classification

The Investments and other financial assets has been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.

# (b) Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

## (b.1) Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company's classifies its debt instruments:

#### **Amortised Cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in profit and loss using the effective interest rate method.

# Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or

loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in profit and loss using the effective interest rate method.

# Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/ (losses) in the period in which it arises.

# (b.2) Equity instruments

The Company subsequently measures all equity investments (other than Investment in Subsidiaries and Associates) at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Company's right to receive payments is established.

# (b.3) Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expect to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets. Trade receivables are measured at their transaction price unless it contains a significant financing component. Loss allowance for expected life time credit loss is recognized on initial recognition.

# (b.4) Derivative Financial Instruments

The Company uses derivative financial instruments i.e. Forward Contracts to hedge its risks associated with foreign exchange fluctuations. These derivative financial instruments are used as risk management tools only and not for speculative purposes. The fair values of these derivative financial instruments are recognized as assets or liabilities at the balance sheet date and gain/loss is recognised in statement of profit and loss.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

# (c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

# (d) Derecognition of financial assets

A financial asset is derecognised only when - the Company has transferred the rights to receive cash flows from the financial asset or - retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

## (e) Offsetting financial instruments

Financial assets and liabilities are being offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### (f) Income recognition

# (f.1) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

# (f.2) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

#### 2.14 Financial Liabilities

#### Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest rate method.

# Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

## Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

#### 2.15 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value. For the purposes of the Statement of Cash Flow, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

#### 2.16 Borrowings

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest rate method.

# 2.17 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

# 2.18 Product warranties

The company gives warranties on certain products and services relating to its photographic division to repair or replace the items that fails to perform satisfactorily during the warranty period. Provisions are made towards expected cost of meeting such obligations of rectification/replacement. Warranty provisions are made for expected future cash outflows and computed on total sales made during the year, based on past experience.

## 2.19 Employee Benefits

# (i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

# (ii) Post-Employment Benefits

## (a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the statement of profit and loss during the period during which the employee renders the related service.

# (b) Defined Benefit Plans

The employee Gratuity Fund Scheme managed by a trust is a defined benefit plan. The present value of

obligation under such defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government bonds as at balance sheet date, having maturity periods approximated to the returns of related obligations. In case of funded plans the fair value of the planned assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on net basis.

- (c) The obligation for leave encashment is provided for and paid on yearly basis.
- (d) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

# 2.20 Revenue Recognition

The Company recognizes revenue when it satisfies a performance obligation in accordance with the provisions of contract with the customer. This is achieved when:

- (a) effective control of goods alongwith significant risks and rewards of ownership has been transferred to customer and in case of services, the year in which such services are rendered.
- (b) the amount of revenue can be measured reliably:
- (c) it is probable that the economic benefits associated with the transaction will flow to the Company; and
- (d) the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue (other than sale of goods) is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Claim on insurance companies, interest and others, where quantum of accrual cannot be ascertained with reassurance certainty, are accounted for on acceptance basis. The Company is engaged in the business of manufacturing & sales of various types of packaging films, photographic products and Nonwoven Fabric Products of various dimensions and grades. As per the Company's usual policy, the low graded/surplus stock of films are sold at special discounted prices and such discounts are adjusted in unit sale price.

#### 2.21 Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Dividend income is recognized in the income statement on the date the entity's right to receive payments is established. The Company has elected to present gains or losses arising from fair value adjustments of financial instruments, gains or losses on disposal of property, plant and equipment, gain or losses from disposal/redemption of investments, amortisation of deferred government grants and regular foreign currency transactions/translations as a separate line item "other gains/ (losses) - net" on the face of the statement of profit and loss as permitted in para 85 of Ind AS 1.

# 2.22 Export Benefits

Income from export incentives such as duty drawback etc are recognised on accrual basis when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist.

#### 2.23 Government Grants

Grants/Subsidy from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all attached conditions.

- (i) Government grants not related to acquisition of property, plant & equipment are initially carried by setting up these grants as Deferred Government Grants in Non-Current Liabilities/Current Liabilities and amortised/recognised in the statement of profit and loss on straight line method and disclosed in Other Income (other gains/(losses)).
- (ii) Government grants related to acquisition of property, plant & equipment are initially carried by setting up these grants as Deferred Government Grants in Non-Current Liabilities/Current Liabilities and amortised/recognised in the statement of profit and loss on straight line method and netted off from depreciation expenses.

#### 2.24 Claims and Benefits

Claim on insurance companies, interest and others, where quantum of accrual cannot be ascertained with reasonable certainty, are accounted for on acceptance basis.

#### 2.25 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years. Deferred tax is provided using the balance sheet liability method, providing for taxable temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal Income Tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the statement of profit and loss and is considered as (MAT Credit Entitlement). The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period. Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence, it is presented with Deferred Tax Asset. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

## 2.26 Foreign currency transactions and translation

Transactions in foreign currencies are recorded in functional currency at the exchange rates prevailing at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currency are translated to the functional currency at the exchange rates prevailing at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss with the exception for exchange differences on foreign currency borrowings relating to qualifying assets under construction are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings. Nonmonetary items that are measured at historical cost in a foreign currency are translated using the exchange rates at the date of initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. These non-monetary items are not re-measured at the reporting date.

# 2.27 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest rate method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

## 2.28 Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

# 2.29 Earnings Per Share

Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

# 2.30 Business Combinations

Business combinations are accounted for using the acquisition method. The consideration transferred in a business

combination comprises the fair values of the assets transferred, liabilities incurred to the former owners of the acquired business, equity interests issued by the Group and fair value of any assets or liability resulting from a contingent consideration arrangement. Acquisition-related costs are expensed as incurred. At the acquisition date, the identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured at their fair values. However, certain assets and liabilities i.e. deferred tax assets or liabilities, assets or liabilities related to employee benefit arrangements and assets or disposal groups that are classified as held for sale, acquired or assumed in a business combination are measured as per the applicable Ind AS.

# Measuring Goodwill or a gain from Bargain Purchase

The excess/(short) of the sum of the consideration transferred and the acquisition-date fair value of any previous equity interest in the acquired entity over the acquisition-date fair value of the net identifiable assets (net of identifiable assets acquired and liabilities assumed/contingent consideration) acquired is recognised as goodwill/(bargain purchase gain). Any gain on a bargain purchase is recognised in other comprehensive income and accumulated in equity as Capital Reserve if there exists clear evidence of the underlying reasons for classifying the business combination as resulting in a bargain purchase, otherwise the gain is recognised directly in equity as Capital Reserve.

# **Contingent Consideration**

Any contingent consideration is measured at fair value at the date of acquisition. The Company would classify an obligation to pay contingent consideration that meets the definition of a financial instrument as a financial liability or as equity. If an obligation to pay contingent consideration that meets the definition of a financial instrument is classified as equity, then it is not remeasured subsequently and settlement is accounted for within equity. Other contingent consideration is remeasured at fair value at each reporting date and changes in the fair value of contingent consideration are recognised in statement of profit and loss.

When a business combination is achieved in stages, any previously held equity interest in the acquire is remeasured at its acquisition-date fair value and the resulting gain or loss, if any, is recognised in statement of profit and loss or other comprehensive income, as appropriate.

#### **Business Combination under Common Control**

Common control business combination means a business combination involving entities or businesses in which all the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination, and that control is not transitory. Business combinations involving entities or businesses under common control shall be accounted for using the pooling of interests method. The assets and liabilities of the combining entities are reflected at their carrying amounts.

# Ind AS Amendment Issued, but not yet effective

Standards/ amendments issued but not yet effective up to March 31, 2019 are as follows. The Company intends to adopt these standards when they become effective.

# Ind AS 116: Leases

In March 2019, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116, 'Leases'. The Standard is applicable to the Company with effect from 1st April, 2019. Leases Ind AS 116 establishes a single model of lease accounting and eliminates the classification of leases as either finance leases or operating leases for a lessee as was required under Ind AS 17. Ind AS 116 requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. For all leases except as noted above, a lessee is required to recognise a right of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments in its financial statement. Lessee will recognise depreciation of right of use assets and interest on lease liabilities in the statement of profit or loss. Requirements with regard to lessor accounting are substantially similar to accounting requirements contained in Ind AS 17. Accordingly, a lessor will continue to classify its leases as operating leases or finance leases, and account for those two types of leases differently. The Company is currently evaluating the impact this standard will have on its financial statements.

# Long-term Interests in Associates and Joint Ventures

Amendments to Ind AS 28, 'Investment in Associates and Joint Ventures' The amendment clarify the accounting for long term interests in an associate or joint venture, which in substance form part of the net investment in the associate or joint venture, but to which equity accounting is not applied. Entities must account for such interests under Ind AS 109 'Financial Instruments' before applying the loss allocation and impairment requirements in Ind AS 28. Since the Company do not have such long-term interests in its associates or joint ventures, the amendments will not have any impact on its financial statements.

### Plan Amendment, Curtailment or Settlement – Amendments to Ind AS 19, 'Employee Benefits

The amendments to Ind AS 19 clarify the accounting for defined benefit plan amendments, curtailments and settlements. It confirms that entities must: (a) calculate the current service cost and net interest for the remainder of the reporting period after a plan amendment, curtailment or settlement by using the updated assumptions from the date of the change; (b) any reduction in a surplus should be recognised immediately in profit or loss either as part of past service cost, or as a gain or loss on settlement. These amendments will apply to any future plan amendments, curtailments, or settlements of the Company on or after 1 April 2019.

### Ind AS 23 - Borrowing Costs:

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, than that borrowing becomes part of the general borrowings for calculating the future capitalisation rate. The Company does not expect any significant impact from this amendment.

### Ind AS 12 - Income taxes:

The amendment clarifies that the income tax consequences of dividends on financial instruments classified as equity should be recognised according to where the past transactions or events that generated distributable profit were recognised. These requirements apply to all income tax consequences of dividends. Previously, it was unclear whether the income tax consequences of dividends should be recognised in profit or loss, or in equity, and the scope of the existing guidance was ambiguous. This amendment is not expected to have any material impact on the financial statements of the Company.

- 3.1 Leasehold Land includes 17 Canal land situated in Sambha (J & K), having original value of Rs. 25.50 Lakhs (Previous Year Rs 25.50 Lakhs), allotment for which has been unilaterally cancelled by J & K State Industrial Development Corporation Limited. The Company has filed an appeal before Hon'ble District Court for restoration of the lease in favour of the Company. The Management expects favourable decision, hence no adjustment done in the carrying value of the leasehold land.
- 3.2 Disposal of Freehold Lands comprise portion of Lands at Gulaothi, acquired by NHAI for the purpose of widening of Municipal Road.
- 3.3 Interest Expenses Rs. 139.95 Lakhs (Previous Year Rs 437.29 Lakhs) directly attributable to the acquisition of fixed assets are being capitalized during the year as part of the cost of the assets up to the date of such asset is ready for its intended use.
- 3.4 Refer Note 15.1 and 17
- 3.5 Freehold Land includes lands having carrying value of Rs 45.70 Lakhs (Previous Year Rs 45.70 Lakhs), which are pending for registration in the name of the Company.

### 3.6 Additional disclosure as per previous GAAP

Summary showing Original Book Value as per previous GAAP (comprising Original Cost and Accumulated Depreciation thereon) is as follows:

25.1 With the introduction of Goods and Services Tax (GST) with effect from 1st July, 2017, Central Excise, Sales Tax, Value Added Tax (VAT) etc. have been replaced by GST. Gross Revenue for the comparative period upto 30th June 2017 includes Excise Duty but excludes sales tax / VAT. Gross Revenue from sale of products and services w.e.f 1st July 2017 is excluding of GST. In view this restructuring of Indirect Taxes, Gross Revenue from sale of products and services and Excise duty expenses for the year ended 31st March, 2019 are not comparable with the previous year. Following additional information is being provided to facilitate such comparison:

| Net revenue from operations              | 369,223.56 | 295,127.67 |
|--|------------|------------|
| (net of GST/ Excise Duty, as applicable) |            |            |

|      |  | (57,655.28)                        | (18,425.81)                        |

- 33.1 In earlier years, the Company has invested in 263590000 Zero Percent Redeemable Preference Shares (RPS) and 440200000 Optionally Convertible Preference Shares (OCPS) of Jindal India Powertech Limited (JIPL) having fair/ carrying value of Rs. 49137.48 Lakhs as at 1st April 2018. JIPL was the holding company of Jindal India Thermal Power Limited (JITPL) which operates thermal power plant (1200 MW) located at village Derang, Distt Angul, Orissa. In previous year, the lenders of JITPL have invoked the pledged equity shares to the extent of 66 % equity capital and consequent thereof, JITPL no longer remains a subsidiary of JIPL. The Company has measured above RPS and OCPS at fair value/amortised cost as per Ind AS 109 (Financial Instruments) in earlier years and necessary adjustments was made. As JITPL has substantial negative net worth, continuous cash losses, based on independent valuer's report and in view of remote possibility of recoverability, the Company has decided to write off balance amount of Rs 24130.20 Lakhs and Rs 25007.28 Lakhs (net of fair value adjustment Rs 19890 Lakhs made in earlier years), and shown under exceptional items.
- 33.2 The Company had entered into power purchase agreement with Jindal India Thermal Power Ltd. (JITPL) and given interest bearing trade advance for power purchase. JITPL due to various business & financial constraints, has expressed its inability at this juncture to repay the balance advance (including interest Rs 763.62 Lakhs) amounting Rs.9149 Lakhs. The Company has assessed its recoverability and in view of remote possibility of recoverability due to continuous cash losses by JITPL, it has been decided to write off this amount and shown under exceptional items.

Pending resolution of the respective proceedings, it is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above as it is determinable only on receipt of judgments/ decisions pending with various forums/ authorities. However, the Company has reviewed all its pending litigation and proceeding and has adequately provided for where provision required and disclosed as contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceeding to have a materially adverse effect on its financial position. The Company does not expects any payment in respect of the above contingent liabilities.

35.1.4 In light of recent judgment of Honorable Supreme Court dated 28, February 2019 on the definition of "Basic Wages" under the Employees Provident Funds & Misc. Provisions Act, 1952 and based on Company's evaluation, there are significant uncertainties and numerous interpretative issues relating to the judgement and hence, it is unclear as to whether the clarified definition of Basic Wages would be applicable prospectively or retrospectively. The amount of the obligation therefore cannot be measured with su•cient reliability for past periods and hence has currently been considered to be a contingent liability.

### **Defined Benefit Plans**

The Company made provision for gratuity as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. Gratuity liability is being contributed to the gratuity fund formed by the company. The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at 31st March 2019. The present value of the defined benefit obligations and the related current service cost and past service cost, was measured using the Projected Unit Credit Method.

Below tables entails the changes in the projected benefit obligation & plan assets and amount recognised in the standalone Balance Sheet as at 31st March 2019 and 31st march 2018, being the respective measurement date:

|                         | 100%                  | 100%                     |

#### Sensitivity Analysis of the defined benefit obligation 36.7

Rs in Lakhs

| F  | Particulars  | As at 31st March 2019 | As at<br>31st March 2018 |
|----|--|-----------------------|--------------------------|
| a) | Impact of the change in discount rate                |                       |                          |
|    | Present Value of Obligation at the end of the period | 1,102.06              | 1,318.96                 |
|    | Impact due to increase of 0.50%                      | (47.33)               | (47.02)                  |
|    | Impact due to decrease of 0.50 %                     | 51.34                 | 49.39                    |
| b) | Impact of the change in salary increase              |                       |                          |
|    | Present Value of Obligation at the end of the period | 1,102.06              | 1,318.96                 |
|    | Impact due to increase of 0.50%                      | 50.87                 | 49.59                    |
|    | Impact due to decrease of 0.50 %                     | (47.34)               | (47.67)                  |

Sensitivity due to mortality and withdrawals are not material, hence impact of change not disclosed.

Sensitivities as rate of increase of pensions in payment, rate of increase of pensions before retirement & life expectancy are not applicable.

### 36.8 Description of risk exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow -

Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

Investment Risk - If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.

Discount Rate: Reduction in discount rate in subsequent valuations can increase the plan's liability.

Demographic Risk: This is the risk of variability of results due to unsystematic nature of decrements that includes mortality, withdrawals, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends on the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the employee benefit of a short career employee typically costs less per year as compared to a long service employee.

<sup>\*\*</sup>balance excluding interest thereon

<sup>\$</sup> Refer Note 33.2

Comprehensive disclosure of investments as at 31st March 2019 has been made in Note 4 to the Financial Statements, hence closing balance of other investments, having no movement during the year were not again disclosed in above statement.

The Company has given interest bearing loan to Subsidiaries and Other Parties mentioned above in the ordinary course of business for general business purpose. The average rate of interest is 8.5% p.a. to 9% p.a.

- 40.1 Under the Package Scheme of Incentive 2007/2013 approved by the Government of Maharashtra, the Company is entitled to industrial promotion subsidy to the extent of 100% of the fixed capital investment or to the extent of taxes paid to the State Government within a period of 7 years, whichever is lower. During the year, subsidy receivable under the above scheme aggregating Rs 10097.69 Lakhs (previous year Rs 5860.07 Lakhs) has been carried by setting up these grants as Deferred Government Grants in Non-Current/Current Liabilities and amortised/recognised in the statement of profit and loss on straight line method and disclosed in Other Income (other gains/(losses)).
  - 40.2 Rs. 676.51 Lakhs (previous year Rs. 863.11 Lakhs) as subsidy under Technology Upgradation Funded Scheme (TUFS) by The Ministry of Textile (Government of India) for Nonwoven Project received / receivable in the form of reimbursement of interest paid to the lending banks /agencies for the loan disbursed and accordingly same has been netted off from the interest expenses in respective year, to the extent charged during the financial year.
  - 40.3 Rs. 570.97 Lakhs (previous year Rs. 752.87 Lakhs) as interest subsidy on long term loans to Nonwoven Project granted by Government of Maharashtra under Textile Policy, which has also been netted off from the interest expense, to the extent charged during the financial year.
- 41.1 Trade Receivables include Rs 45.73 Lakhs (previous year Rs 63.50 Lakhs) under litigation, against which legal cases are pending in various Courts for recovery. The same are considered good and realizable in the opinion of the management.
  - 41.2 Stores & Spares consumed and salaries & wages incurred during the year for repair and maintenance where seperation is not possible, has been charged to repairs to plant and machinary and repairs to building, as applicable.

### **43 SEGMENT INFORMATION**

### 43.1 Description of segments and principal activities

Segment information is presented in respect of the company's key operating segments. The operating segments are based on the company's management and internal reporting structure.

The company's board examines the Company's performance both from a product perspective and have identified three reportable segments of its business:

- 1 Packaging Films
- 2 Nonwoven Fabrics
- 3 Photographic Products & Others

The Company's board of Directors reviews the results of each segment on a quarterly basis. The company's board of directors uses Earning Before Interest and Tax (EBITA) to assess the performance of the operating segments.

### 43.2 Information about reportable segments

Information related to each reportable segment is as follows.

Rs in Lakhs

FVTPL refers Fair Value through profit and loss

The management considers that the carrying amount of financial assets and financial liabilities carried as amortised cost approximates their fair value.

### 44.2 Fair Value Hierarchy

(a) This section explains the judgements and estimates made in determining the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

### Financial assets and liabilities measured at fair value

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

There are no transfers between level 1 and level 2 during the year

### (b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

### Valuation inputs and relationships to fair value.

|  | Fair Valu              | ue as at               |                                       |                                  | Sensitivity   |

The Company gets the valuations performed from an independent valuer, required for financial reporting purposes, including level 3 fair values. The main level 3 inputs for unlisted preference shares used by the Company are derived and evaluated as follows:- Risk adjusted discount rates are estimated based on expected cash inflows arising from the instrument and the entity's knowledge of the business and how the current economic environment is likely to impact it.

### (c) Fair Value Estimations

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's financial instruments, judgment is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the Company could realize in a market exchange from the sale of its full holdings of a particular instrument.

The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.

### Interest-bearing borrowings

Fair value is calculated based on discounted expected future principal and interest cash flows. The carrying amount of the Company's loans due after one year is also considered as reasonable estimate of their fair values as the nominal interest rates on the loans due after one year are variable and considered to be a reasonable approximation of the fair market rate with reference to loans with similar credit risk level and maturity period at the reporting date.

### Trade and other receivables / payables

Receivables / payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amounts for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.

### Other long term receivables

These receivables are regularly reviewed and adjusted for impairment losses. Therefore, management considers the carrying amount of these receivables to approximate fair value.

### (d) Valuation Process

The accounts & finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).

Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the Company's quarterly reporting periods.

The main level 3 inputs for unlisted equity securities, contingent considerations and indemnification asset used by the Company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.
- Risk adjustments specific to the counterparties (including assumptions about credit default rates) are derived from credit risk grading determined by the Company's internal credit risk management group.
- Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.

### 45 FINANCIAL RISK MANAGEMENT

### (a) Risk Management Framework

In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the

financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the Company is exposed to and how it manages the risk.

### (b) Credit Risk

Financial loss to the Company, arising, if a customer or counterparty to a financial instrument fails to meet its contractual obligations principally from the Company's receivables from customers and investments in debt securities. The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk closely both in domestic and export market.

### **Trade and Other Receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. The Company Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Sales credit limit are set up for each customer and reviewed periodically. The credit risk from loans to other corporate is managed in accordance with the Company's fund management policy that includes parameters of safety, liquidity and post-tax returns. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank reference checks are also done. The Company creates allowances for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables.

### Investments

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

### (c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Company's liquidity position is carefully monitored and managed. The Company has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.

The following table provides details of the remaining contractual maturity of the Company's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the Company can be required to pay. The table includes only principal cash flows.

### **Financing Arrangements**

The Company has adequate short term finance arrangements to meet requirements of day to day operations.

### (d) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The Company uses derivatives like forward contracts to manage market risks on account of foreign exchange.

### **Currency Risk**

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD and Euro. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (Rupees). Currency risks related to the principal amounts of the Company's foreign currency payables, have been partially hedged using forward contracts taken by the Company.

### **Exposure to Currency Risk**

The summary of quantitative data about the Company's exposure (Unhedged) to currency risk as reported to the management of the Company is as follows :

### **Interest Rate Risk**

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31 March 2019 and 31 March 2018, the Company's borrowings at variable rate were denominated in Indian rupees. Currently the Company's borrowings are within acceptable risk levels, as determined by the management, hence the Company has not taken any swaps to hedge the interest rate risk.

### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows.

| Particulars      | Increase/decrease in basis points | Effect on profit before tax |
|------------------|-----------------------------------|-----------------------------|
| 31st March, 2019 | 50 basis point                    | 540.87                      |
| 31st March, 2018 | 50 basis point                    | 494.03                      |

### **47 CAPITAL MANAGEMENT**

The Company manages its capital to ensure to continue as a going concern while maximizing the return to the equity holders through optimization of the debt to equity balance. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capitalised one through judicious combination of equity and borrowing, both short term and long term. Consistent with others in the industry, the Company monitors capital on the basis of the optimum gearing ratio of Net debt (comprising total borrowings net of cash & bank balances and current investment) in proportion to Total Equity.

|                         | As at 31st March 2019 | As at 31st March 2018 |
|-------------------------|-----------------------|-----------------------|
| Capital Gearing Ratio : | 0.30                  | 0.27                  |
| Debt to Equity Ratio :  | 0.43                  | 0.37                  |

### INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Poly Films Limited

### Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the accompanying consolidated financial statements of Jindal Poly Films Limited ("the Parent Company") and its subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed and information obtained to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements. The components' auditors have not reported any key audit matter in their audit reports.

### S. No. Key Audit Matter

### 1. Revenue Recognition

We have identified sales cut-off to be significant because of the high volume of transactions and the varying sales, contractual and shipping terms. Revenue recognition is susceptible to the higher risk that the revenue is recognised when the control of goods has not been transferred to the customers.

### **Auditor's Response**

### How our audit addressed the key audit matter:

We assessed the overall sales process and the relevant systems and the design of controls over the capture and recording of revenue transactions. We have tested the effectiveness of controls on the processes related to revenue recognition relevant to our audit. We performed sample testing on revenue and checked that the revenue recognition criteria are appropriately applied. We have also performed cut-off tests to ensure the Group has complied with proper cut-off procedures and revenue is recognized in the appropriate accounting period.

### Our Observation:

We found the Group's revenue recognition to be consistent with its accounting policy as disclosed in Note 3.20 to the standalone financial statements. We are satisfied that the Group's revenue has been appropriately recognized and in the relevant accounting period.

### 2. Valuation of inventories

The assessment of impairment of inventories involves significant estimation uncertainty, subjective assumptions and the application of significant judgment. Reviews are made periodically by management on inventories for obsolescence and decline in net realizable value below cost. Allowances are recorded against the inventories for any such declines based on historical obsolescence and slow-moving history. Key factors considered include the nature of the stock, its ageing, shelf life and turnover rate

### How our audit addressed the key audit matter:

We have checked and analyzed the ageing of the inventories, reviewed the historical trend on whether there were significant inventories written off or reversal of the allowances for inventory obsolescence. We conducted a detailed discussion with the key management and considered their views on the adequacy of allowances for inventory obsolescence considering the current economic environment. We have also reviewed the subsequent selling prices in the ordinary course of business and compared against the carrying amounts of the inventories on a sample basis at the reporting date.

### Our Observations:

We found management's assessment of the allowance for inventory obsolescence to be reasonable based on available evidence.relevant accounting period.

### 3. Valuation of Current Investments

Current investments include quoted equity shares, preference shares and mutual funds. Fair valuation of unquoted current investments involves significant estimation uncertainty, subjective assumptions and the application of significant judgment. This was an area of focus for our audit and the area where significant audit effort was directed.

### How our audit addressed the key audit matter:

Our audit procedures included updating our understanding of the processes employed by the Group for accounting and valuing their investments. We have reviewed year end confirmation of mutual fund and depository participants. We have verified that the Group was the recorded owner of all investments. Our audit procedures over the valuation of the Investments included reviewing valuation of all Investments held at March 31, 2019. We have reviewed that investments, where probability of realization is very low, should not be carried forward.

### Our Observation:

Based on the audit procedures performed we are satisfied with existence and valuation of investment at March 31, 2019.

### Other Information

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including Ind AS. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding of the assets of the respective companies included in the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Parent company and of its subsidiaries are responsible for assessing the ability of the Company and of its subsidiaries to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Parent Company and of its subsidiaries are also responsible for overseeing the financial reporting process of the Parent Company and of its subsidiaries.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is
  higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
  or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Parent Company and its subsidiaries to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Parent Company and its subsidiaries to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within
  the Group to express an opinion on the consolidated financial statements, of which we are the independent Auditors. We
  are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the
  other entities included in the consolidated financial statements, which have been audited by other Auditors, such other
  auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain
  solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled 'Other
  Matters' in this audit report.

We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matter

- a. We did not audit the financial statements of four subsidiaries, whose total revenues of Rs. 14,939 Lakhs and total (profit) / loss after tax of Rs. 1,564 Lakhs for the year ended March 31, 2019 included in the consolidated financial statements. These financial statements have been audited by other auditors, whose unmodified reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the respective audit reports.
- b. We did not audit the financial statements of one foreign subsidiary company whose total revenue of Rs 1,049 Lakhs and net profit after tax of Rs. 8 Lakhs for the year ended March 31, 2019 included in the consolidated financial statements. These financial results have audited by other auditor as per the local laws of the respective country and have been converted as per applicable Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 by the management and our report in so far as it relates to the aforesaid subsidiary, is based solely on such financial statements as also the other financial information of the subsidiary company which have been converted and certified and provided by the management and reports of such other auditors issued under local laws of the respective country.
- c. The Group's share of profit in an associate located outside India, amounting Rs. 56 Lakhs for the year ended March 31, 2019 have been accounted for based on audited financial statements audited by other auditor as per the local laws of its country and have been converted as per applicable Indian Accounting Standard (Ind AS) by the management and provided to us duly certified and our report in so far as it relates to the aforesaid associate, is based solely on such financial statements as also the other financial information of the associate which have been converted and certified and provided by the management and reports of such other auditor issued under as per local laws of the country of associates.
  - Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

### Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit & Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2013;
- (e) On the basis of the written representations received from the Directors of the Parent Company as on 31 March 2019 taken on record by the Board of Directors of the Parent Company and the reports of the Statutory Auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Parent Company and its subsidiary companies incorporated in India, refer to our separate Report in "Annexure A" to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of such subsidiary companies incorporated in India which were not audited by us, the remuneration paid/provided during the year by the Parent Company its subsidiary companies to its directors is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
  - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group in its consolidated financial statements Refer Note 38 to the consolidated financial statements;
  - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts;
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

### ANNEXURE-A TO THE AUDITOR'S REPORT

Report on the Internal Financial controls under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Jindal Poly Films Limited ('the Parent Company") and its subsidiary companies incorporated in India (the Parent Company and its subsidiaries together referred to as "the Group"), as of March 31, 2019 in conjunction with our audit of the consolidated financial statements of the Parent Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent Company and its subsidiary companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over the financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to as audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements of and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statement included obtaining an understanding of internal financial controls with reference to consolidated financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

### Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal; financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls with reference consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019, based on the internal control over the financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India, however same need to be further strengthened.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 1 Group Information

Jindal Poly Films Limited (Holding Company) is the largest manufacturer of BOPET and BOPP films in India. The Holding Company produces BOPET, BOPP, CPP, Thermal, Metalized and Coated Films. The manufacturing units at Nasik are amongst the most modern facilities available and are capable of producing high quality products. The Holding Company is also engaged in manufacturing of Photographic Products and Nonwoven Fabric products with plant located in Dadra and Nasik respectively.

The group comprising Jindal Poly Films Limited (Holding Company), Its associates and subsidiaries has wide network of operations in local as well as in foreign market (manufacturing operations in India, Europe and US Countries etc). The equity shares of the Holding Company are listed on the Indian Stock Exchanges (National Stock Exchange & Bombay Stock Exchange).

### 2 Principles of Consolidation

The Consolidated Financial Statements (CFS) relates to Jindal Poly Films Limited (hereinafter referred to as the "Company") and its Subsidiaries and Associates (the Holding Company and its Subsidiaries and Associates together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2019, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Change in Equity, the Consolidated Statement of Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information /notes (herein referred to as "the Consolidated Financial Statements"). The CFS have been prepared in accordance with Indian Accounting Standard AS 110 on "Consolidated Financial Statements" (Ind AS 110), Indian Accounting Standard 28 on "Investments in Associates and Joint Ventures" (AS 28) referred to in section 133 of the Companies Act 2013 and the relevant provisions of The Companies Act, 2013 and are prepared on the following basis:

- (a) Subsidiaries are those enterprises controlled by the Group and its subsidiaries. Control is achieved when:• the Group has power over the investee;
  - is exposed, or has rights, to variable returns from its involvement with the investee; and
  - has the ability to use its power to affect its returns.

The group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements to control listed above. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

- (b) The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intra-group transactions, balances and unrealised profits on transactions between group companies are eliminated in full. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred assets. Appropriate adjustments for deferred taxes are made for temporary differences that arise from the elimination of unrealised profits and losses from intragroup transactions or undistributed earnings of Group's entity included in consolidated statement of profit and loss, if any.
- (c) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements to ensure conformity with the group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to the same reporting date as that of the parent company.
- (d) Non-controlling interest in the profit / loss and equity of the subsidiaries' are shown separately in the consolidated statement of profit and loss, consolidated statement of change in equity and consolidated balance sheet, respectively.
- (e) A change in the ownership interest of a subsidiary, without a loss of control and acquisition of non controlling interest is accounted for as an equity transaction. This results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.
- (f) In case of foreign subsidiaries, revenue items are translated at the average rates prevailing during the period and assets & liabilities are translated at the closing rate at the end of the reporting period. Any exchange difference arising on translation is recognized in Other Comprehensive Income (OCI) as "Exchange differences on translating the results and net assets of foreign operations".

### (g) Equity Method

Associates are entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting. Under the equity method of accounting, the investments are initially recognised at cost (fair value of retained interest, in case of loss of control over subsidiary, being regarded as cost on initial recognition as explained in below note (h)) and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income.

### (h) Loss of Control over Subsidiary and retained interest in Investee Company

The Group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements to control listed below. Loss of Control is determined when the Group:

- has no power over the investee;
- is not exposed to, or not has rights, to variable returns from its involvement with the investee; and
- not has the ability to use its power to affect its returns.

When loss of control over subsidiary is established, the parent shall derecognises the assets (including goodwill), liabilities and non-controlling interests of the former subsidiary from the consolidated balance sheet at their carrying amounts at the date when control is lost and recognises any investment retained in the former subsidiary at its fair value when control is lost and subsequently accounts for it and for any amounts owed by or to the former subsidiary in accordance with relevant Ind ASs. That fair value shall be regarded as the fair value on initial recognition of a financial asset in accordance with Ind AS 109 or, when appropriate, the cost on initial recognition of an investment in an associate or joint venture. The parent shall recognise any resulting difference as a gain or loss in profit or loss attributable to the parent.

(i) The details of Subsidiaries and Associates companies whose financial statements are consolidated are as follows:

| S.<br>No. | Name of Companies                        | Country of Incorporation | · ·                      | Proportion<br>terest     |

<sup>\*</sup> During the Previous Year 2017-18, the group incorporated JPF Holland B.V., the Netherlands. via JPF Holland B.V. The Group acquired 100% of the outstanding shares of Apeldoorn Flexible Packaging Holding B.V. with its wholly owned subsidiaries Apeldoorn Flexible Packaging B.V. and AFP Vastgoed B.V. Subsequent to the acquisition of JPF Holland B.V. and Apeldoorn Flexible Packaging Holding B.V. merged with Apeldoorn Flexible Packaging B.V. via a downstream merger. (Refer Note 36.1).

### **Summary of Significant Accounting Policies**

### 3.1 Basis of Preparation and Measurement

### Statement of Compliance

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

These consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

These financial statements were authorised for issue by the Board of Directors on their meeting held on May 30, 2019.

### **Historical Cost Conventions and Fair Value**

The financial statements have been prepared under the historical cost convention on accrual basis and the following items, which are measured on following basis on each reporting date:

<sup>\*\*</sup> Disposed off during the year.

<sup>\*\*\*</sup> As at December 18, 2018 JPF Netherlands B. V. acquired 51 % of the outstanding shares of JPF Germany GmbH from a related party. JPF Germany GmbH has the following wholly owned and fully consolidated subsidiaries; Treofan Holdings GmbH, Germany: Treofan Zweite Holding GmbH, Germany: Treofan GmbH & Co. KG, Germany : Treofan Italy Srl, Italy. (Refer Note 36.2)

- Certain financial assets and liabilities that is measured at fair value.
- Defined benefit liability/(assets): present value of defined benefit obligation less fair value of plan assets.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

### **Reporting Presentation Currency**

The Financial Statements are presented in Indian Rupees, which is the functional currency of the Group and the currency of the primary economic environment in which the Group operates, and all values are rounded to the nearest Lakhs with two decimals, except as otherwise stated.

### 3.2 Classification of Assets and Liabilities

The Group presents assets and liabilities in the balance sheet based on current/non-current classification. An asset/liabilities is treated as current when it is:

- Expected to be realised/settled (liabilities) or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realised/settled within twelve months after the reporting period, or
- Cash and Bank Balances unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets/liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets/liabilities.

The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents.

### 3.3 Accounting Estimates and Judgements and key sources of estimation uncertainty

Due to the nature of the Group's operations, critical accounting estimates and judgements principally relate to the:

- Property, Plant & Equipment (estimate useful life);
- Intangible fixed assets (estimate useful life)
- Impairment testing (if and when applicable)
- Provision inventories (obsoleteness / lower net realizable value)
- Provision for doubtful debts
- Provision for employees' post employment benefits (actuarial assumptions)
- Lease (Finance Lease)

In preparing the financial statements in conformity with the accounting principles, management of the respective companies consolidated in group's consolidated financials statements, is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.

The management of the respective companies of the Group makes assumptions about the estimated useful lives, depreciation methods, amortisation or residual values of items of property, plant and equipment (including intangible assets), based on past experience and information currently available to them. In addition, the management of the respective

companies' assesses annually whether any indications of impairment of intangible assets and tangible assets and believes that on balance sheet date no impairment indications were existing.

The Group believes that the inventory on hand could be sold to the third parties at not lower than the carrying value taking into consideration the condition of inventories held and current conditions in the market.

Furthermore, the Group believes that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at 31st March 2019. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

The provisions for defined benefit plans have been calculated by a local (external) actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. Management of the respective companies' believes that the mortality tables used are general acceptable mortality tables the countries involved. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and respective management expectations.

### 3.4 Operating Segments.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker of respective entities incorporated in consolidated financial statements. Operating segments comprise Packaging Films, Photographic Products and Nonwoven Fabrics being performance measure of the Group, as required under Ind AS 108 (Operating Segments). The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted by the Group. Operating Segments are identified based on the nature of products, the different risks and returns, being the performance measure of the Group. Further disclosure of segments based on geography by location of customers i.e. Within India and Outside India has been made. Inter-segment revenue, if any, have been accounted for based on the transaction price agreed to between the segments, which is primarily market based.

### 3.5 Inventories

Inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials is determined on FIFO basis. Process chemicals, stores, packing materials are determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Further the cost for Work-in-Progress includes material cost, stage wise direct cost and other related manufacturing overheads. Non usable wastes are valued at net realizable value. Materials and other items held for use in the production of inventories are not written down below costs, if finished goods in which they will be incorporated are expected to be sold at or above cost.

### 3.6 Property, Plant and Equipment

Property, Plant and Equipment held for use in the production or supply of goods, or for administrative purposes are stated at cost less accumulated depreciation (except Land) and any accumulated impairment losses, if any. Cost comprises of purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use. Property, plant and equipment acquired in a business combination are recognised at fair value or at carrying cost for acquisition under common control, as the case may be.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

### 3.7 Intangible Assets

Goodwill is recognised in respect of the difference between the fair value of the purchase price payable and the initially recognised amount of the identifiable assets and liabilities assumed at the date of the transaction.

Goodwill is carried at cost less any cumulative impairment losses.

Goodwill is not amortised but tested for impairment annually, or at other times when there is an indication of impairment.

Intangible Assets (Other than Goodwill) are stated at cost less accumulated amortization and impairment loss, if any. Intangible Assets which are not ready for intended use as on the date of Balance Sheet are disclosed as "Intangible Assets Under Development".

### 3.8 Expenses on new projects, substantial expansion and during construction period

Expenditure directly relating to construction activity is capitalised. Indirect expenditure incurred during construction period is capitalised as part of the indirect construction cost to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period, which is not related to the construction activity nor is incidental thereto is charged to the Statement of Profit and Loss. Income earned during construction period is deducted from the total of the indirect expenditure. Expenditure incurred/ income earned is added to/ reduced from capital work-in-progress till the plant is ready for use.

### 3.9 Impairment of Property, Plant & Equipment and Intangible Assets

Property, Plant & Equipment (including capital work in progress) and Intangible Assets (intangible assets under development) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the Property, Plant & Equipment's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an Property, Plant & Equipment's fair value less costs of disposal and value in use. For the purposes of assessing impairment, Property, Plant & Equipment are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other Property, Plant & Equipment or groups of Property, Plant & Equipment (cash-generating units). Property, Plant & Equipment and Intangible assets other than Goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period and the same has been recognised immediately in the statements of profit and loss.

### 3.10 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal unit classified as held for sale, continue to be recognised.

### 3.11 Depreciation and Amortisation

Depreciation on Property, Plant & Equipments (other than leased assets) and Intangible Assets are provided using straight Line Method based on estimated useful life prescribed under respective Local Laws. Depreciation on assets acquired under finance lease is spread over the lease term.

Further, in view of different sets of environment in which foreign subsidiaries operate in their respective countries, provision for depreciation is made to comply with local laws and by use of respective companies' managements estimate. It is practically not possible to align useful life of assets, for determination of depreciation of such subsidiaries with those of the Group. However on review, the group is of the opinion that provision of such depreciation is adequate.

Property, Plant and Equipment's residual values, estimated useful lives are reviewed at each balance sheet date and changes, if any, are treated as changes in accounting estimates.

Intangible assets are amortised over their estimated useful economic lives on straight line basis. Premium on Leasehold Land is amortised over the period of lease tenure.

Freehold Land, Capital Work in Progress and Intangible Assets under Development are not depreciated.

### 3.12 Leases

### **Operating Leases**

### As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Group's respective Companies' expected inflationary cost increases.

### As a lessor

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the

lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the excepted inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

### Finance Lease (as a Lessee)

Leases are classified as finance leases when according to terms of lease, the lessee assumes all principal risks and rewards incident to ownership of the leased equipment. The lower of the fair value of the assets and the present value of the minimum lease rental is recorded as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to statement of profit and loss account as interest cost.

### 3.13 Financial Assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

### (a) Classification

The Investments and other financial assets has been classified as per respective Company's business model of the group for managing the financial assets and the contractual terms of the cash flows.

### (b) Measurement

For assets measured at fair value, gains and losses will either be recorded in statement of profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

### (b.1) Debt Instruments

Subsequent measurement of debt instruments depends on the business model of the respective Company's of the group, for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the respective Company classifies their debt instruments:

### **Amortised Cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in profit and loss using the effective interest rate method.

### Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in profit and loss using the effective interest rate method.

### Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

### (b.2) Equity instruments

The respective Companies of the group subsequently measures all equity investments at fair value. Where the respective managements has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Group's right to receive payments is established.

### (b.3) Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If

collection is expect to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets. Trade receivables are measured at their transaction price unless it contains a significant financing component. Loss allowance for expected life time credit loss is recognized on initial recognition.

### (b.4) Derivative Financial Instruments

The Group uses derivative financial instruments i.e. Forward Contracts to hedge its risks associated with foreign exchange fluctuations. These derivative financial instruments are used as risk management tools only and not for speculative purposes. The fair values of these derivative financial instruments are recognized as assets or liabilities at the balance sheet date and gain/loss is recognised in statement of profit and loss.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

### (c) Impairment of financial assets

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, management of the respective companies, reviews periodically the provisions for expected credit loss/ allowance against realisability of trade receivables.

### (d) Derecognition of financial assets

A financial asset is derecognised only when - the Group has transferred the rights to receive cash flows from the financial asset or - retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

### (e) Offsetting financial instruments

Financial assets and liabilities are being offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### (f) Income recognition

### (f.1) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

### (f.2) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

### 3.14 Financial Liabilities

### Initial recognition and measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest rate method.

### Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

### Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

### 3.15 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an

original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

For the purposes of the Statement of Cash Flow, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

### 3.16 Borrowings

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest rate method.

### 3.17 Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

### 3.18 Product warranties

The Group gives warranties on certain products and services relating to its photographic division to repair or replace the items that fails to perform satisfactorily during the warranty period. Provisions are made towards expected cost of meeting such obligations of rectification/replacement. Warranty provisions are made for expected future cash outflows and computed on total sales made during the year, based on past experience.

### 3.19 Employee Benefits

### (i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

### (ii) Post-Employment Benefits

### (a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the statement of profit and loss account during the period during which the employee renders the related service.

### (b) Defined Benefit Plans

The employee Gratuity Fund Scheme managed by a trust is a defined benefit plan. The present value of obligation under such defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government bonds as at balance sheet date, having maturity periods approximated to the returns of related obligations. In case of funded plans the fair value of the planned assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on net basis.

- (c) The obligation for leave encashment is provided for and paid on yearly basis.
- (d) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

### 3.20 Revenue Recognition

The Group recognizes revenue when it satisfies a performance obligation in accordance with the provisions of contract with the customer. This is achieved when:

(a) effective control of goods alongwith significant risks and rewards of ownership has been transferred to customer and in case of services, the year in which such services are rendered.

- (b) the amount of revenue can be measured reliably:
- (c) it is probable that the economic benefits associated with the transaction will flow to the Group; and
- (d) the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue (other than sale of goods) is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Claim on insurance companies, interest and others, where quantum of accrual cannot be ascertained with reassurance certainty, are accounted for on acceptance basis.

The Group is engaged in the business of manufacturing & sales of various types of packaging films, photographic products and Nonwoven Fabric Products of various dimensions and grades. As per the Group's usual policy, the low graded/surplus stock of films are sold at special discounted prices and such discounts are adjusted in unit sale price.

### 3.21 Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognized in the income statement on the date the entity's right to receive payments is established.

The Group has elected to present gains or losses arising from fair value adjustments of financial instruments, gains or losses on disposal of property, plant and equipment, gain or losses from disposal/redemption of investments and regular foreign currency transactions and translations as a separate line item "other gains/(losses) - net" on the face of the statement of profit and loss as permitted in para 85 of Ind AS 1.

### 3.22 Export Benefits

Income from export incentives such as duty drawback etc are recognised on accrual basis when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist.

### 3.23 Government Grants

Grants/Subsidy from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

- (i) Government grants not related to acquisition of property, plant & equipment are initially carried by setting up these grants as Deferred Government Grants in Non-Current Liabilities / Current Liabilities and amortised/recognised in the statement of profit and loss on straight line method and disclosed in Other Income (other gains/(losses)).
- (ii) Government grants related to acquisition of property, plant & equipment are initially carried by setting up these grants as Deferred Government Grants in Non-Current Liabilities/ Current Liabilities and amortised/recognised in the statement of profit and loss on straight line method and netted off from depreciation expenses.

### 3.24 Claims and Benefits

Claim on insurance companies, interest and others, where quantum of accrual cannot be ascertained with reasonable certainty, are accounted for on acceptance basis.

### 3.25 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

### **Current Tax**

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

### **Indian Companies:**

Provision for current tax is made considering various allowances and benefits available to the companies under the provisions of Income Tax Act 1961.

### Foreign Companies:

Foreign subsidiaries and associates recognize tax liability in accordance with the applicable local laws. Provision for Income-tax is ascertained on the basis of assessable profits computed in accordance with the Local Laws.

### **Deferred Tax**

Deferred tax is provided using the balance sheet liability method, providing for taxable temporary differences between the

carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

MAT is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal Income Tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the statement of profit and loss and is considered as (MAT Credit Entitlement). The Group reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Group will pay normal Income Tax during the specified period. Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Group for a specified period of time, hence, it is presented with Deferred Tax Asset.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### 3.26 Foreign currency transactions and translations

### Functional and presentation currency

Consolidated financial statements have been presented in Indian Rupees, which is the Holding Company's primary functional and presentation currency. Each entity in the Group determines its own functional currency (the currency of the primary economic environment in which the entity operates) and items included in the financial statements of each entity are measured using that functional currency.

### **Transactions and Balances**

Transactions in foreign currencies are initially recorded by the entities in Group at their respective functional currency rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in statement of profit and loss. Differences arising on settlement of monetary items are also recognised in statement of profit and loss.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rates at the date of initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. These non-monetary items are not re-measured at the reporting date.

### 3.27 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest rate method. All other borrowing costs are recognised in the consolidated statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

### 3.28 Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

### 3.29 Earnings Per Share

Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders (owners of the parent) by the weighted average number of equity shares outstanding during the year.

### 3.30 Business Combinations

Business combinations are accounted for using the acquisition method. The consideration transferred in a business combination comprises the fair values of the assets transferred, liabilities incurred to the former owners of the acquired business, equity interests issued by the Group and fair value of any assets or liability resulting from a contingent consideration

arrangement. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured at their fair values. However, certain assets and liabilities i.e. deferred tax assets or liabilities, assets or liabilities related to employee benefit arrangements, liabilities or equity instruments related to share-based payment arrangements and assets or disposal groups that are classified as held for sale, acquired or assumed in a business combination are measured as per the applicable Ind AS.

### **Non Controlling Interests**

The Group recognises any non-controlling interest in the acquired entity either at fair value or at the non-controlling interest's proportionate share in the recognised amount of the acquired entity's net identifiable assets.

### Measuring Goodwill or a gain from Bargain Purchase

The excess/(short) of the sum of the consideration transferred, the amount of any non-controlling interests in the acquired entity and the acquisition-date fair value of any previous equity interest in the acquired entity over the acquisition-date fair value of the net identifiable assets (net of identifiable assets acquired and liabilities assumed/contingent consideration) acquired is recognised as goodwill/(bargain purchase gain). Any gain on a bargain purchase is recognised in other comprehensive income and accumulated in equity as Capital Reserve if there exists clear evidence of the underlying reasons for classifying the business combination as resulting in a bargain purchase, otherwise the gain is recognised directly in equity as Capital Reserve.

### **Contingent Consideration**

Any contingent consideration is measured at fair value at the date of acquisition. The group would classify an obligation to pay contingent consideration that meets the definition of a financial instrument as a financial liability or as equity. If an obligation to pay contingent consideration that meets the definition of a financial instrument is classified as equity, then it is not remeasured subsequently and settlement is accounted for within equity. Other contingent consideration is remeasured at fair value at each reporting date and changes in the fair value of contingent consideration are recognised in profit or loss.

When a business combination is achieved in stages, any previously held equity interest in the acquiree is remeasured at its acquisition-date fair value and the resulting gain or loss, if any, is recognised in statement of profit and loss or other comprehensive income, as appropriate.

### IND AS AMENDMENT ISSUED, BUT NOT YET EFFECTIVE

Standards/ major amendments issued but not yet effective up to March 31, 2019 are as follows. The Group intends to adopt these standards when they become effective.

### Ind AS 116: Leases

In March 2019, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116, 'Leases'. The Standard is applicable to the Group with effect from 1st April, 2019.

Leases Ind AS 116 establishes a single model of lease accounting and eliminates the classification of leases as either finance leases or operating leases for a lessee as was required under Ind AS 17. Ind AS 116 requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. For all leases except as noted above, a lessee is required to recognise a right of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments in its financial statement. Lessee will recognise depreciation of right of use assets and interest on lease liabilities in the statement of profit or loss. Requirements with regard to lessor accounting are substantially similar to accounting requirements contained in Ind AS 17. Accordingly, a lessor will continue to classify its leases as operating leases or finance leases, and account for those two types of leases differently.

The Group is currently evaluating the impact this standard will have on its financial statements.

### **Long-term Interests in Associates and Joint Ventures**

Amendments to Ind AS 28, 'Investment in Associates and Joint Ventures' The amendment clarify the accounting for long term interests in an associate or joint venture, which in substance form part of the net investment in the associate or joint venture, but to which equity accounting is not applied. Entities must account for such interests under Ind AS 109 'Financial Instruments' before applying the loss allocation and impairment requirements in Ind AS 28. Since the Group do not have such long-term interests in its associates or joint ventures, the amendments will not have any impact on its financial statements.

### Plan Amendment, Curtailment or Settlement - Amendments to Ind AS 19, 'Employee Benefits

The amendments to Ind AS 19 clarify the accounting for defined benefit plan amendments, curtailments and settlements. It confirms that entities must:

- (a) calculate the current service cost and net interest for the remainder of the reporting period after a plan amendment, curtailment or settlement by using the updated assumptions from the date of the change;
- (b) any reduction in a surplus should be recognised immediately in profit or loss either as part of past service cost, or as a gain or loss on settlement.

These amendments will apply to any future plan amendments, curtailments, or settlements of the Group on or after 1 April 2019.

### Ind AS 23 - Borrowing Costs:

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, than that borrowing becomes part of the general borrowings for calculating the future capitalisation rate. The Group does not expect any significant impact from this amendment.

### Ind AS 12 - Income taxes:

The amendment clarifies that the income tax consequences of dividends on financial instruments classified as equity should be recognised according to where the past transactions or events that generated distributable profit were recognised. These requirements apply to all income tax consequences of dividends. Previously, it was unclear whether the income tax consequences of dividends should be recognised in profit or loss, or in equity, and the scope of the existing guidance was ambiguous. This amendment is not expected to have any material impact on the financial statements of the Group.

|    | Gain/(Loss) on Fair Value Adjustment of Equity Shares   | (2,813.58)                         | -                                     |
|    | Gain on Loss of Control over Subsidiary (Refer Note 34.3)   | -                                  | 15,364.44                             |
|    |   | (60,468.86)                        | (3,124.59)                            |

- 34.1 In earlier years, the Holding Company has invested in 263590000 Zero Percent Redeemable Preference Shares (RPS) and 440200000 Optionally Convertible Preference Shares (OCPS) of Jindal India Powertech Limited (JIPL) having fair/carrying value of Rs. 49137.48 Lakhs as at 1st April 2018. JIPL was the holding company of Jindal India Thermal Power Limited (JITPL) which operates thermal power plant (1200 MW) located at village Derang, Distt Angul, Orissa. In previous year, the lenders of JITPL have invoked the pledged equity shares to the extent of 66 % equity capital and consequent thereof, JITPL no longer remains a subsidiary of JIPL. The Company has measured above RPS and OCPS at fair value/amortised cost as per Ind AS 109 (Financial Instruments) in earlier years and necessary adjustments was made. As JITPL has substantial negative net worth, continuous cash losses, based on independent valuer's report and in view of remote possibility of recoverability, the Company has decided to write off balance amount of Rs 24130.20 Lakhs and Rs 25007.28 Lakhs (net of fair value adjustment Rs 19890 Lakhs made in earlier years), and shown under exceptional items.
- 34.2 The Holding Company had entered into power purchase agreement with Jindal India Thermal Power Ltd. (JITPL) and given interest bearing trade advance for power purchase. JITPL due to various business & financial constraints, has expressed its inability at this juncture to repay the balance advance (including interest Rs 763.62 Lakhs) amounting Rs.9149 Lakhs. The Group has assessed its recoverability and in view of remote possibility of recoverability due to continuous cash losses by JITPL, it has been decided to write off this amount and shown under exceptional items.
- 34.3 With the issuance of new shares by JPF Netherlands B V (JPF NL) to other investor, JPF NL ceased to be subsidiary of the Group w.e.f. 29th December 2017 (shareholding of Group in JPF NL has been reduced to 49.47%). The dilution of the Group's interest in JPF NL constituted a deemed loss of control of the Group's equity interest in said subsidiary, Refer Note 37.

#### 36 BUSINESS COMBINATIONS

#### 36.1 Acquisition - Apeldoorn Flexible Packaging Holding B V.

On 29th September 2017 JPF Netherlands B V acquired 100 % of the outstanding shares of Apeldoorn Flexible Packaging Holding B V., The Netherlands with its wholly owned subsidiaries Apeldoorn Flexible Packaging B.V. and AFP Vastgoed B.V. This Acquisition has been accounted for using the acquisition method. The fair value of the assets acquired and the liabilities assumed as at that date is as follows:

| Particulars   | Euro ('000) | INR (In Lakhs) |
|---|-------------|----------------|
| Intangible Fixed Assets                             | 11,000      | 8,476.63       |
| Tangible Fixed Assets                               | 24,376      | 18,784.46      |
| Inventories   | 9,263       | 7,137.78       |
| Account Receivables                                 | 15,163      | 11,684.66      |
| Other Receivables & Current Assets                  | 3,067       | 2,363.27       |
| Cash & Cash Equivalents                             | 753         | 580.27         |
| Provisions & Long Term Payables                     | -3,116      | -2,400.86      |
| Credit Institutions                                 | -20,928     | -16,127.56     |
| Other Short Term Liabilities                        | -11,662     | -8,986.52      |
| Fair Value of assets acquired & liabilities assumed | 27,916      | 21,512.12      |
| Debt Free Purchase Price                            | 65,969      | 50,836.16      |
| Goodwill  | 38,053      | 29,324.04      |

#### Goodwill

Apeldoorn Flexible Films is a first class manufacturer of load security and food packaging films. The goodwill paid represents the expected future growth in sales as well as profitability and expected synergies within the group. The goodwill is not deductible for tax purposes.

#### **Intangible Fixed Assets**

The identified intangible fixed assets are relating to customer relationship (Euro 11000 K) of the acquired Group. The customer base has been calculated by management using the Discounted Cash Flow Method. When calculating the Fair value management estimated the expected future cash flows by using the cash flows over the last four years (2014-2017) taking into account a yearly customer attrition rate of 11.4 %. The weighted Average Cost of Capital (WACC) for these specific cash flows have been estimated at 13.5 %.

#### **Tangible Fixed Assets**

The fair value of the tangible fixed assets as at 29th September 2017 have been estimated by Troostwijk Taxaties B.V. and independent external appraiser.

The fair value of the land and Buildings has been estimated via the market rent capitalisation method (Level 2 Fair Value Measurement – Observable inputs other than quoted prices) and machinery and equipment are appraised using the depreciated replacement cost methodology (Level 3 Fair Value Measurement – Unobservable inputs) as adopted by overseas subsidiary.

Accordingly financial statements of Apeldoorn Flexible Packaging Holding B V., The Netherlands with its wholly owned subsidiaries Apeldoorn Flexible Packaging B.V. and AFP Vastgoed B.V has been incorporated in the Consolidated Financial Statements w.e.f 29th September 2017.

#### 36.2 Acquisition Treofan by Overseas Associate

As at December 18, 2018, our overseas associates, JPF Netherlands B.V. acquired 51 % of the outstanding shares of JPF Germany GmbH. JPF Germany GmbH itself acquired the following subsidiaries in 2018: ; Treofan Holdings GmbH, Germany: Treofan Zweite Holding GmbH, Germany: Treofan GmbH & Co. KG, Germany: Treofan Italy Srl, Italy.

As JPF Netherlands B.V. is controlling Treofan Group since December 18, 2018 it performed the purchase price allocation. The summary of fair value of the assets acquired and the liabilities assumed as at that date is broken down as follows:

| Particulars   | Euro ('000) | INR (In Lakhs) |
|---|-------------|----------------|
| Fair value of Assets Acquired & Liabilities Assumed (100%)          | 99,537      | 79,410.75      |
| Fair value of Assets Acquired & Liabilities Assumed (51%)           | 50,764      | 40,499.48      |
| Purchase price for 51%  | 510         | 406.88         |
| Bargain purchase Gain   | 50,254      | 40,092.60      |
| Proportionate share of Bargain Purchase Gain by Associates (49.47%) | 24,860      | 19,833.45      |

## **Bargain**

The acquisition resulted in a bargain purchase gain as the Group paid less than the net fair value of the acquired assets and liabilities assumed. Bargain is the result of the evaluation of the current films business environment and the fair value of the fixed assets comparing to the carrying amount of the value at the time of the acquisition of the business. Given the current environment economies of scale are required to expedite successfully on the films market (both sales as well as purchases) given the commodity and cost driven business. In the past the Treofan Group was operating as a standalone Group not owned by a major market participant, The bargain purchase recognition does not result as a taxable event for corporate income tax purchases.

#### 37 DEEMED LOSS OF CONTROL OVER SUBSIDIARY

With the issuance of new shares by JPF Netherlands B V (JPF NL) to other investor, JPF NL along with its step down subsidiaries ceased to be subsidiary(ies) of the Group w.e.f. 29th December 2017 (shareholding of Group in JPF NL has been reduced to 49.47%).

#### **Financial Effects**

The dilution of the Group's interest in JPF NL constituted a deemed loss of control of the Group's equity interest in said subsidiary(ies). Accordingly, consolidated statement of profit and loss includes Income and Expenses of JPF NL (Consolidated) on proportionate basis till it ceased to be a subsidiary. The assets and liabilities of JPF NL (Consolidated) were derecognised from the consolidated financial statement and there after retained interest in JPF NL (Consolidated) has been accounted for as an associate using equity method.

The deemed gain of Rs 15364.44 Lakhs on loss of control of subsidiary JPF NL is recorded in the consolidated statement of profit and loss account as per Ind AS 110 (Consolidated Financial Statements) which has been shown in exceptional items.

The financial statements of JPF NL along with its step-down subsidiaries has been incorporated line by line adding together like items of income and expenses for the period 1st April 2017 to 28th December 2017 on proportionate basis and assets, liabilities & equity as on 28th December 2017. As on 29th December 2017, assets, liabilities, equity & non-controlling interest has been derecognised on loss of control. Simultaneously on 29th December 2017, the group has accounted initial recognition on the retained interest in JPF NL (along with its step down subsidiaries), resultant as being an associate of the group and applied the equity method for incorporation of profit thereon.

| Summary of Consolidated Assets and Liabilities of Subsidiaries in which control was lost | : (Rs. In Lakhs)         |
|--|--------------------------|
| Particulars  | Amount                   |

# Initial Recognition at Fair Value of retained interest in erstwhile subsidiary, now being Associate of the Group (Rs. In Lakhs)

|   | (************************************** |
|---|---|
| Particulars   | Amount                                  |
| Retained Interest in JPF NL (shareholding in equity share capital)              | 49.47 %.                                |
| Fair Value of Retained Interest   | 73,061.93                               |
| Less: Gain on Deemed Loss of Control considered in Statement of profit and loss | 15,364.44                               |
| Add : Dividend Income of Parent from NL BV                                      | 478.32                                  |
| Net amount carried in Retained Earnings (Other Equity)                          | 58,175.80                               |

The fair value of the retained interest in the erstwhile subsidiary has been measured based on the discounted cash flow method, valuation been carried by an independent external appraiser/valuer.

#### 38 CONTINGENT LIABILITIES, CONTINGENT ASSETS AND COMMITMENTS,

Rs in Lakhs

|        |  | As at           | As at           |
|--------|--|-----------------|-----------------|
| 38.1   | Contingent Liabilities:  | 31st March 2019 | 31st March 2018 |
| 38.1.1 | <ul> <li>Claims against the Group not acknowledged as debts</li> <li>Claims against Group not acknowledged as debts</li> <li>Demand raised by authorities against which,<br/>Group has filed appeals:</li> </ul> | 882.06          | 869.30          |
|        | (i) Income Tax   | 1,145.05        | 712.50          |
|        | (ii) Excise Duties/Customs/Service Tax   | 1,513.53        | 2,005.09        |
|        | (iii) Sales Tax / VAT  | 40.37           | 29.22           |

Pending resolution of the respective proceedings, it is not practicable for the Group to estimate the timings of cash outflows, if any, in respect of the above as it is determinable only on receipt of judgments/ decisions pending with various forums/ authorities. However, the Group has reviewed all its pending litigation and proceeding and has adequately provided for where provision required and disclosed as contingent liabilities where applicable, in its financial statements. The Group does not expect the outcome of these proceeding to have a materially adverse effect on its financial position. The Group does not expects any payment in respect of the above contingent liabilities.

|        | - Jindal India Thermal Power Limited   | 1,852.00              | 1,852.00                 |
| 38.1.3 | In light of recent judgment of Honorable Supreme Court dated 28, February 2019 on the definition of "Basic Wages" under the Employees Provident Funds & Misc. Provisions Act, 1952 and based on Group's evaluation, there are significant uncertainties and numerous interpretative issues relating to the judgement and hence, it is unclear as to whether the clarified definition of Basic Wages would be applicable prospectively or retrospectively. The amount of the obligation therefore cannot be measured with su•cient reliability for past periods and hence has currently been considered to be a contingent liability. |                       |                          |

\*balance excluding interest

\$ Refer Note 34.2

40.1 Under the Package Scheme of Incentive 2007/2013 approved by the Government of Maharashtra, the Holding Company is entitled to industrial promotion subsidy to the extent of 100% of the fixed capital investment or to the extent of taxes paid to the State Government within a period of 7 years, whichever is lower. During the year, subsidy receivable under the above scheme aggregating Rs 10097.69 Lakhs (previous year Rs 5860.07 Lakhs) has been carried by setting up these grants as Deferred Government Grants in Non-Current/Current Liabilities and amortised/ recognised in the statement of profit and loss on straight line method and disclosed in Other Income (other gains/ (losses)).

- **40.2** Rs. 676.51 Lakhs (previous year Rs. 863.11 Lakhs) as subsidy under Technology Upgradation Funded Scheme (TUFS) by The Ministry of Textile (Government of India) for Nonwoven Project received / receivable in the form of reimbursement of interest paid to the lending banks /agencies for the loan disbursed and accordingly same has been netted off from the interest expenses in respective year, to the extent charged during the financial year.
- **40.3** Rs. 570.97 Lakhs (previous year Rs. 752.87 Lakhs) as interest subsidy on long term loans to Nonwoven Project granted by Government of Maharashtra under Textile Policy, which has also been netted off from the interest expense, to the extent charged during the financial year.
- 41.1 Trade Receivables include Rs 45.73 Lakhs (previous year Rs 63.50 Lakhs) under litigation, against which legal cases are pending in various Courts for recovery. The same are considered good and realizable in the opinion of the management.
  - 41.2 Stores & Spares consumed and salaries & wages incurred during the year for repair and maintenance where seperation is not possible, has been charged to repairs to plant and machinary and repairs to building, as applicable.
- 42 The Administration of Union Territory of Dadra & Nager Haveli vide its Notification dated 31st December, 1999 granted exemption for sales tax to the entity M/s Jindal Photo Limited Manufacturing Division (being merged with the Company M/s Jindal Poly Films Limited w.e.f. 1st April 2014).

Further financial statements for the financial years 2005-06 to 2010-11 of entity M/s Jindal Photo Limited - Manufacturing Division (being merged with Company M/s Jindal Poly Films Limited w.e.f. 1st April 2014) were prepared considering such benefit as revenue receipt and income tax was provided and paid at normal rate for respective year. The assessment of financial year 2005-06 to 2010-11 for which assessment proceedings u/s 153A is in progress, entity has filed revised income tax computations for such financial years claiming benefit of Rs. 11288.57 Lakhs as exempted income and tax liability was revised as per provisions of section 115JB of Income Tax Act, 1961 (MAT) at Rs. 2278.70 Lakhs. As the claim is for the years for which normal revised return could not be filed, the effect of such claim of benefit is not considered and necessary effective entries will be passed on finality of the assessment. Year wise detail is as under:

| Assessment Year | Sales Tax benefit | MAT as per revised computation |
|-----------------|-------------------|--------------------------------|
| 2006-07         | 1,791.14          | -                              |
| 2007-08         | 1,959.81          | 384.40                         |
| 2008-09         | 2,041.00          | 636.32                         |
| 2009-10         | 1,823.49          | 421.91                         |
| 2010-11         | 1,765.66          | 322.28                         |
| 2011-12         | 1,907.46          | 513.78                         |
| Total           | 11,288.57         | 2,278.70                       |

FVTPL refers Fair Value through profit and loss

The Group considers that the carrying amount of financial assets and financial liabilities carried as amortised cost approximates their fair value.

#### 44.2 Fair Value Hierarchy

(a) This section explains the judgements and estimates made in determining the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard.

#### Financial assets and liabilities measured at fair value

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

There are no transfers between level 1 and level 2 during the year

## (b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

#### Valuation inputs and relationships to fair value.

The Group gets the valuations performed from an independent valuer, required for financial reporting purposes, including level 3 fair values. The main level 3 inputs for unlisted preference shares used by the Group are derived and evaluated as follows:-

Risk adjusted discount rates are estimated based on expected cash inflows arising from the instrument and the entity's knowledge of the business and how the current economic environment is likely to impact it.

#### (c) Fair Value Estimations

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of the Group's financial instruments, judgment is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the Group could realize in a market exchange from the sale of its full holdings of a particular instrument.

The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.

#### Interest-bearing borrowings

Fair value is calculated based on discounted expected future principal and interest cash flows. The carrying amount of the Group's loans due after one year is also considered as reasonable estimate of their fair values as the nominal interest rates on the loans due after one year are variable and considered to be a reasonable approximation of the fair market rate with reference to loans with similar credit risk level and maturity period at the reporting date.

#### Trade and other receivables / payables

Receivables / payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amounts for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.

#### Other long term receivables

These receivables are regularly reviewed and adjusted for impairment losses. Therefore, Group considers the carrying amount of these receivables to approximate fair value.

#### (d) Valuation Process

The accounts & finance department of the respective Company's includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).

Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the respective Company's quarterly reporting periods.

The main level 3 inputs for unlisted equity securities, contingent considerations and indemnification asset used by the respective Company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.
- Risk adjustments specific to the counterparties (including assumptions about credit default rates) are derived from credit risk grading determined by the respective Company's internal credit risk management group.
- Earnings growth factor for unlisted equity securities are estimated based on market information for similar types
  of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.

#### 45 FINANCIAL RISK MANAGEMENT

#### (a) Risk Management Framework

In the ordinary course of business, the Group is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the Group, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the Group is exposed to and how it manages the risk.

#### (b) Credit Risk

Financial loss to the Group, arising, if a customer or counterparty to a financial instrument fails to meet its contractual obligations principally from the Group's receivables from customers and investments in debt securities. The carrying amount of financial assets represents the maximum credit exposure. The Group monitor credit risk closely both in domestic and export market.

#### **Trade and Other Receivables**

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, Group also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. The Group Group has established a credit policy under which each new customer is analysed individually for creditworthiness before the Group's standard payment and delivery terms and conditions are offered. Sales credit limit are set up for each customer and reviewed periodically. The credit risk from loans to other corporate is managed in accordance with the Group's fund Group policy that includes parameters of safety, liquidity and post-tax returns. The Group's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank reference checks are also done. The Group creates allowances for impairment that represents its expected credit losses in respect of trade and other receivables. The Group uses a simplified approach for the purpose of computation of expected credit loss for trade receivables.

#### Investments

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

#### (c) Liquidity Risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Group's liquidity position is carefully monitored and managed. The Group has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.

The following table provides details of the remaining contractual maturity of the Group's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the Group can be required to pay. The table includes only principal cash flows.

#### **Financing Arrangements**

The Group has adequate short term finance arrangements to meet requirements of day to day operations.

#### (d) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The Group uses derivatives like forward contracts to manage market risks on account of foreign exchange.

#### **Currency Risk**

The Group is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD and Euro. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Group's functional currency (Rupees). Currency risks related to the principal amounts of the Group's foreign currency payables, have been partially hedged using forward contracts taken by the Group.

# **Exposure to Currency Risk**

The summary of quantitative data about the Group's exposure (Unhedged) to currency risk is as follows:

#### Interest Rate Risk

The Group's main interest rate risk arises from long-term borrowings with variable rates, which expose the Group to cash flow interest rate risk. During 31 March 2019 and 31 March 2018, the Group's borrowings at variable rate were denominated in Indian rupees. Currently the Group's borrowings are within acceptable risk levels, as determined by the resepective Company's management, hence the Group has not taken any swaps to hedge the interest rate risk.

#### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows.

Rs. in Lakhs

| Particulars      | Increase/decrease in basis points | Effect on profit before tax |
|------------------|-----------------------------------|-----------------------------|
| 31st March, 2019 | 50 basis point                    | 563.87                      |
| 31st March, 2018 | 50 basis point                    | 519.01                      |

#### **46 SEGMENT INFORMATION**

#### 46.1 Description of segments and principal activities

Segment information is presented in respect of the Group's key operating segments. The operating segments are based on the Group's management and decision making.

The Group examines the performance both from a product perspective and have identified three reportable segments of business:

- 1 Packaging Films
- 2 Nonwoven Fabrics
- 3 Photographic Products & Others

#### 46.2 Information about reportable segments

Information related to each reportable segment is as follows.

| Re | eportable Segments                                  | Packagi    | ng Films   | Nonwover  | n Fabrics | Photograph & otl |          | То         | tal        |

#### 46.4 Major Customers

In case of Packaging and Photographic Segment, no single customer has contributed 10% or more to their respective segment's revenue for both 2018-19 and 2017-18

In case of Nonwoven Fabrics Segment, four (previous year three) major customers have contributed aggregate revenue of Rs 15598.58 Lakhs (Previous Year Rs. 8259 Lakhs) of that segments total revenues.

#### **47 CAPITAL MANAGEMENT**

The Group manages its capital to ensure that the Group entities will be able to continue as a going concern while maximizing the return to the equity holders through optimization of the debt to equity balance. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capitalised one through judicious combination of equity and borrowing, both short term and long term. Consistent with others in the industry, the group monitors capital on the basis of the optimum gearing ratio of Net debt (comprising total borrowings net of cash & bank balances and current investment) in proportion to Total Equity (as shown in the balance sheet, including non-controlling interests).

|                         | As at 31st March 2019 | As at<br>31st March 2018 |
|-------------------------|-----------------------|--------------------------|
| Capital Gearing Ratio : | 0.23                  | 0.23                     |
| Debt to Equity Ratio :  | 0.30                  | 0.29                     |

<sup>\*</sup>Banks Overdrafts Payable on Demand, disclosed in Cash & Cash Equivalents in Cash Flow Statements as per Ind AS 7.

<sup>\*\*</sup>During the financial year the US government decided to lower the US federal income tax rate from 35% into 25%. In addition, the Belgium Government decided to lower the tax rate from 33.99% into 25% in a two year period. As a result deferred tax liabilities were adjusted.

<sup>\*\*\*</sup>The nominal tax is calculated using the blended rate on the results in the applicable countries.

<sup>\*\*\*\*</sup>As Income and expenditure of overseas erstwhile subsidiary been incorporated in consolidated financial statement for the period 1st April 2017 to 28th December 2017, accordingly disclosure/ adjustment in above income tax reconciliation has been proportionately derived from full year overseas figures.

52 Information related to Micro Enterprises and Small Enterprises, as defined in the Micro, Small and Medium Enterprises Development Act, 2006 (MSME Development Act), are given below. The information given below have been determined to the extent such enterprises have been identified on the basis of information available with the Group:

- 53 The Board of Directors of Jindal Poly Films Limited ("Demerged Company") had approved in its meeting held on 12th November 2018, the Scheme of Arrangement ("Scheme") between the Demerged Company and its wholly owned Subsidiary M/s Jindal Photo Imaging Limited ("Resulting Company") to demerge its Photo Films Business (Demerged Undertaking, as defined in the Scheme) into Resulting Company w.e.f. 1st April 2019. Application has been filed before the Hon'ble National Company Law Tribunal, Allahabad (NCLT) for approving the Scheme. Now NCLT has directed to convene the meeting of its Shareholders, Secured Creditors and Unsecured Creditors on 21st June 2019. Pending necessary regulatory approvals and other compliances, the assets and liabilities of the Demerged Undertaking have not been classified as assets held for distribution to owners and no effect of demerger has been given in standalone financial statements.
- 54 In case of overseas associate, it has not complied with some of the agreed debt covenants. Associate Company has already requested for waiver letters for non compliance of agreed debt covenants from the lenders, for which discussions/ approvals are at advance stage. Management is quite confident that aforesaid waiver will be regularised in due course and the event is mere a procedural delay and does not indicates any material uncertainties in going concern in any manner, therefore has no bearing in the consolidated financial statements.
- 55 Events after the Balance Sheet Date.

The Board of Directors of the Holding Company, in its meeting held on 30th May 2019 has recommended dividend of Rs 1 (previous year Rs. 1) per equity share aggregating Rs 527.86 Lakhs (previous year Rs. 527.86 Lakhs) including corporate dividend tax of Rs 90 Lakhs (previous year Rs. 90 Lakhs) for the financial year ended 31st March 2019 and same is subject to approval of shareholders at the ensuing Annual General Meeting and as per Ind AS, has not been shown as a liability in the financial statements for the year ended 31st March 2019.

Other events after the balance sheet date relevant to these financial statements did not occur

Speciality Films Pvt Limited translating the financial statements of JPF Netherland B.V. (as per Indian Name of the Entity in the Group Jindal Photo Imaging Limited Gain on Loss of Control over Consolidation Adjustments Subsidiary (Refer Note 37) Deferred Tax Adjustments Jindal Poly Films Limited (b) Subsidiary Company Jindal Films India Ltd (c) Associate Company GAAP), Note 56.1

Note 56.1 With the issuance of new shares by JPF Netherlands B V (JPF NL) to other investor, JPF NL ceased to be subsidiary of the Group w.e.f. 29th December 2017 (shareholding of Group in JPF NL has been reduced to 49.47%). The dilution of the Group's interest in JPF NL ceased to be subsidiary. This has resulted in JPF NL being an associate of the Group w.e.f. 29th December 2017. (Refer Note 37)

Due to loss of control in overseas subsidiaries as referred in Note 37, the Consolidated Financial Statements for the year ended 31st March 2019 are not comparable with corresponding previous year ended 31st March 2018 to that extent. 27

Figures for the previous year have been regrouped /rearranged wherever required, to conform current year classifications.
