## **Wipro Gallagher Solutions Partners with Precision Risk Management Systems Inc.**

*Partnership to Deliver Modern Mortgage Business Intelligence and Performance Management Tools to help lenders achieve greater ROI and efficiency*

Franklin, Tennessee, USA and Bangalore, India – May 14, 2018 – Wipro Gallagher Solutions (WGS), a Wipro Limited company and a leading provider of loan origination software solutions, and Precision Risk Management Systems, Inc. (PRMS), a leading provider of performance management solutions, today announced that they have partnered to deliver advanced mortgage business intelligence (BI) and customer experience management solutions to mortgage lenders.

As a part of this alliance, Wipro will offer its clients a powerful set of dashboard-driven performance management tools, including enterprise reporting, intuitive metrics and Key Performance Indicators (KPI) that focus on identifying potential problems before they progress in efforts to prevent business losses for lenders.

“As Wipro Gallagher Solutions consistently strives to add value for customers, we have partnered with PRMS to deliver enterprise-wide management information and production analytics tools that help customers achieve greater profitability and efficiency,” said **Scott Dunn, Head of Product Management, Strategy and Compliance, Wipro Gallagher Solutions, Wipro Limited**. “PRMS provides innovative solutions that are intuitively easy to use and are capable of integrating and functioning in an extremely short period of time to provide a rapid return to our customers.”

“PRMS is extremely pleased to be working with the team at Wipro Gallagher Solutions to help lenders perform at a higher level,” said **David Demstar, Executive Vice President, Precision Risk Management Systems**. “These solutions will provide Wipro customers with focused business reporting, graphical dashboard information and key performance indicators that will enable management and staff to work more efficiently and effectively.”

### **About Precision Risk Management Systems, Inc.**

Precision Risk Management Systems, Inc. (PRMS) provides leading technology for the mortgage industry. Its dashboard-based suite of products and services provide lenders with focused enterprise management tools. In addition to its leading mortgage BI solution, PRMS provides solutions that enable lenders to accurately measure and quantify interest rate risk as well as operational risk utilizing the most technically advanced analytics and neural-based modeling methods.

PRMS' sister company, **Mortgage Peer Network**, provides the leading solution in the marketplace for helping lenders deliver an exceptional borrower experience and driving new loan production. For additional information about PRMS visit [www.prmsonline.com](http://www.prmsonline.com), or call 800.335.6850.

#### **About Wipro Gallagher Solutions**

Wipro Gallagher Solutions is fueling the future lender. We provide retail, wholesale, correspondent, and consumer lenders with a powerful origination platform that drives profitable lending anytime, anywhere. Moving beyond a system of record to a system of opportunity, the NetOxygen platform elevates the borrower experience with front-to-back workflow, compliance automation, and paperless processing while leaving room for innovation through configurable workflow, third party integrations, and web services/APIs. Wipro Gallagher Solutions is a Wipro Limited company. For more information about Wipro Gallagher Solutions, visit [www.wiprogalagher.com](http://www.wiprogalagher.com)

#### **Forward-looking and Cautionary Statements**

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
