Press Release

Maruti Suzuki sales in April 2020

New Delhi, May 1, 2020: Maruti Suzuki India Limited had zero sales in the domestic market, (including sales to OEM), in April 2020. This was because in compliance with the Government orders all production facilities were closed.

Meanwhile, following resumption of port operations, the first export shipment of 632 units was undertaken from the Mundra port, ensuring that all guidelines for safety were followed.
