

**DEPARTMENT OF PSYCHOLOGY**  
**COMMUNAL /RURAL SUPPORT PROGRAM**  
**B.C. S. GOVT. P.G. COLLEGE DHAMTARI (C.G.)**

**2023-24**

**Report**

The Communal /Rural Support Program was started by the IQAC of B.C. S. Govt. P.G. College Dhamtari (C.G.) in session of 2023-24. The objective of communal / Rural programme is to reach the benefit of higher education to the community or rural areas. The knowledge of highly qualified teachers and their students/ alumni has been brought to the communal level.

The Personality Development Program conducted by the Department of Psychology of B.C.S. Govt. P.G. College aimed to enhance the cognitive and personal growth of school adolescents. This program was held on December 16 at Swami Atmanand Government Excellence Hindi Higher Secondary School in Hatkeshar, under the Communal/Rural Support Program of Internal Quality Assurance Cell (IQAC).

Dr. Sarla Dwivedi, HOD Of Psychology and IQAC co-ordinator has commenced the session, discussing the essential elements of personality development and emphasizing the importance of positive thinking among school children. During the session, Psychology final year students conducted various engaging activities such as dramas, role plays etc.

The drama titled 'Passion Needs Compassion' portrayed by students conveyed the significance of self-dedication and self-awareness in achieving one's goals and inspiring them through letter of hope. Through role plays, the relationship and practical and behavioral insights between students and teachers were explored by assigning students the role of teachers and vice versa.

Later, the 'Balloon and Pin' activity provided a new perspective on phrases like 'United We Stand, Divided We Fall'. Through an experiment named 'Blindfold' tested the concentration and belief power in students.

During the program, school teachers and over 75 high school students are engaged.

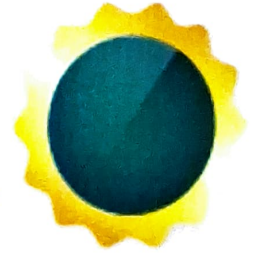

This initiative aspires to contribute to the evolving social behavior, making them integral parts of a developed India.
