

Internship title -Mentoring & Technical Assistance Mapping- Intern

About the Organization:

Villgro is India's oldest and one of the world's largest social enterprise incubators. We support innovative enterprises that solve critical issues faced by the poor. We fund, mentor, provide networks and resources to innovative social enterprises in sectors such as education, health, agriculture, energy, among others in India.

Since our inception in 2001, we have incubated over 125 social enterprises with seed funding of INR 8 Crore, many of which have gone to generate around 4,000 jobs, secure INR 1270 Crore in follow-on funding, and impact over 15 million underprivileged lives.

We foster an open culture where each member can express their views and opinions based on merits and objectivity. At Villgro, we work together as a team with a shared vision of social impact which is essential to our continued success.
