Ambitious dream. Tribute to Nature.
Embodiment of what a great city deserves.
Welcome to Mumbai's first true urban oasis.

The 7-acre park – nearly 1.5 times the size of the world's largest cricket field, the MCG – is envisioned on the scale of a city park, and inspired by the great urban parks of the world: Central Park, New York, Hyde Park, London and Ueno Park, Tokyo. Set in South Mumbai's prime locale, Worli, at the very start of the Golden Mile, Mumbai's lifestyle hub, The Park is a rich landscape designed to provide a multitude of experiences and a diverse range of delightful environments. Pulsating with vibrant life and activity, and so rich in experiences, that it would take a lifetime to enjoy all of them.

The Park is a celebration of the incredible diversity and abundance of Mother Nature. Encompassing a variety of moods and expressions, and a vast range of scales, from a wide meadow to intimate spaces for a couple to retreat to.

Tall magnificent gates usher you into a gracious courtyard with a reflection pool, reminiscent of a grand entry into a palatial ground. A tree-lined avenue beckons you onward, winding up a hill through terraces of flowering plants, to arrive at a lush 7-acre expanse, set 70 feet above the ground. A haven of flowers and fruit trees, serene pools and soothing waterfalls, butterflies and birds: a destination aptly called The Park.

From your vantage point, you can see the oval, tree-fringed turf that is the meadow, the hub of all sporting activity. While picnic spots, shaded decks, charming lawns and tree-fringed enclosures invite happy family gatherings and lively times with friends.

NATURE'S BOUNTY TO
WALK IN AND IMMENSITY
TO DREAM IN
– WHAT MORE COULD
YOU ASK FOR?

Across a bridge, on the other side, extends the sprawling children's playground. A sand-pit, a skating rink, an irresistibly tempting tree house, and grassy expanses for quiet recreation or exhilarating games and sports – The Park provides the perfect environment for children to revel in.

More sophisticated venues await you – a magnificent clubhouse framed with hanging gardens and trees, a world-class gym, elegant party venues, sports courts, a private theatre and a well-stocked library.

While a lotus water-garden and lily bay, picnic islands, wetlands garden, and a butterfly island invite you into the comforting embrace of nature.

Water spreads its magic everywhere with several swimming pools, water bodies and a magnificent canal – cooling the environment and providing experiences inspired by Mumbai's rich coastal history.

Organic gardens, thriving with herbs, vegetables and healing plants, and a spice garden redolent with nutmeg, clove and cinnamon – ensure the freshest ingredients are grown in your backyard, for your health and well-being.

The 7-acre expanse that gives The Park its name is much more than a haven of green. It is a tapestry of experiences, unfolding gradually for you. Chasing butterflies or playing tennis, attending a rock concert or climbing a rock wall, being soothed by a spa or waterfall, picking herbs or fruits – every nook of The Park has been designed to stimulate, enlighten and enrich.

ONE PARK.
INFINITE
EXPERIENCES.

AN ECOSYSTEM AT YOUR DOORSTEP

“The soul cannot

THOMAS MORE

With over 1000 trees of different species, a butterfly garden, canals teeming with colourful fish, serene waterfalls and fountains, The Park is a complete ecosystem unto itself. Fitting harmoniously into this natural haven are a variety of themed gardens, a fruit orchard, shaded walkways and avenues, pavilions for the elderly, and world-class open-air health and fitness facilities. Creating a world complete in itself, and in perfect harmony with the universe.
