**HISTORY**

**(CUET UG & BOARDS)**

## PREFACE

Thank you for choosing this book as your trusted companion in the journey of mastering History. “**A COMPLETE BOOK FOR HISTORY (CUET UG & BOARDS) – Mind Maps, Practice Questions & Test Papers**” authored by **Anita Sharma Ma’am** is designed with a clear vision—to simplify learning, strengthen concepts, and build exam confidence among students.

This book has been thoughtfully structured to provide a smart and systematic approach to preparation. Each chapter begins with a comprehensive Mind Map, enabling students to grasp the entire theme at a glance and build strong conceptual clarity. These visual summaries help in quick revision and long-term retention of important events, timelines, causes, consequences, and interconnections.

Following the mind maps, every chapter includes a wide range of practice questions curated to cover important concepts, frequently asked areas, and application-based formats. The questions are designed to enhance analytical thinking and ensure thorough understanding of the subject. To further strengthen exam readiness, the book includes **4 full-length Practice Sets**. In addition, **5 Previous-Year Papers** and also **5 Sample Papers Class 12<sup>th</sup>** are provided to give students a clear understanding of actual exam trends, question styles, and difficulty levels.

The primary aim of this book is to make History engaging, structured, and scoring. With a balanced combination of conceptual clarity, visual learning tools, and rigorous practice, this book ensures that students are fully equipped to perform confidently in competitive and board examinations.

Authored under the expert guidance of **Anita Sharma Ma’am**, this book reflects years of teaching experience, deep subject knowledge, and a student-centric approach. Every effort has been made to keep the content precise, exam-oriented, and aligned with the latest pattern.

We, **Careers Adda unit** hereby assure you that whatever difficulty you are facing in this challenging environment, you will find us with the best possible solution. As educators, we promise you the best so that all your needs are taken care of.
