A Message from the Founder & CEO – Anil Nagar

At Adda Education, we're driven by a single belief: every learner in Bharat deserves the chance to build a better life.

This journey isn't just about clearing an exam. It's about proving to yourself – and the world – that where you come from should never decide where you can go.

Our goal is simple – to bring exam-oriented, high-quality content in an accessible, affordable, and easy-to-revise format. This book is a trusted companion, researched and crafted by our expert faculty & team to help you not just memorize facts but understand their context and relevance.

This book belongs to you.

Keep learning. Keep believing. The journey is tough, but so are you.

Kamyabi humara haq hai. Hum kamyab hokar rahenge!

“What is Adda Education?”

Adda Education is one of India's most trusted education ecosystems – designed for Bharat.

With brands like Adda247, StudyIQ, PrepInsta, and Career247, we support millions of learners across Tier 2, 3, and 4 cities with test prep, upskilling, and employability.

We believe opportunity should not depend on geographical area, language, or background. That's why we build in vernacular, go deep into exam patterns, and obsess over learner outcomes – not vanity metrics.

Whether you're preparing for a government job, learning new skills for private employment, or just trying to change your life – we're here to support your journey.

Adda Education is not just a platform. It's a promise.
