

Biology (SUBHASH) - 1:00 PM to 2:00 PM

Chapter Name	Date
Biodiversity and Conservation	Friday, December 26, 2025
The Living World	Saturday, December 27, 2025
Biological Classification	Sunday, December 28, 2025
Biological Classification	Monday, December 29, 2025
Plant Kingdom	Tuesday, December 30, 2025
Plant Kingdom	Wednesday, December 31, 2025
Animal Kingdom	Thursday, January 1, 2026
Animal Kingdom	Friday, January 2, 2026
Morphology of Flowering Plants	Saturday, January 3, 2026
Morphology of Flowering Plants	Sunday, January 4, 2026
Anatomy of Flowering Plants	Monday, January 5, 2026
Anatomy of Flowering Plants	Tuesday, January 6, 2026
Structural Organisation in Animals	Wednesday, January 7, 2026
Structural Organisation in Animals	Thursday, January 8, 2026
Cell: The Unit of Life	Friday, January 9, 2026
Cell: The Unit of Life	Saturday, January 10, 2026
Biomolecules	Sunday, January 11, 2026
Biomolecules	Monday, January 12, 2026
Cell Cycle and Cell Division	Tuesday, January 13, 2026
Cell Cycle and Cell Division	Wednesday, January 14, 2026
Photosynthesis in Higher Plants	Thursday, January 15, 2026
Photosynthesis in Higher Plants	Friday, January 16, 2026

Respiration in Plants	Saturday, January 17, 2026
Respiration in Plants	Sunday, January 18, 2026
Plant Growth and Development	Monday, January 19, 2026
Plant Growth and Development	Tuesday, January 20, 2026
Breathing and Exchange of Gases	Wednesday, January 21, 2026
Breathing and Exchange of Gases	Thursday, January 22, 2026
Body Fluids and Circulation	Friday, January 23, 2026
Body Fluids and Circulation	Saturday, January 24, 2026
Excretory Products and their Elimination	Sunday, January 25, 2026
Excretory Products and their Elimination	Monday, January 26, 2026
Neural Control and Coordination	Tuesday, January 27, 2026
Neural Control and Coordination	Wednesday, January 28, 2026
Chemical Coordination and Integration	Thursday, January 29, 2026
Chemical Coordination and Integration	Friday, January 30, 2026
Sexual Reproduction in Flowering Plants	Saturday, January 31, 2026
Sexual Reproduction in Flowering Plants	Sunday, February 1, 2026
Human Reproduction	Monday, February 2, 2026
Human Reproduction	Tuesday, February 3, 2026
Reproductive Health	Wednesday, February 4, 2026
Reproductive Health	Thursday, February 5, 2026
Principles of Inheritance and Variation	Friday, February 6, 2026
Principles of Inheritance and Variation	Saturday, February 7, 2026
Molecular Basis of Inheritance	Sunday, February 8, 2026
Molecular Basis of Inheritance	Monday, February 9, 2026

Evolution	Tuesday, February 10, 2026
Evolution	Wednesday, February 11, 2026
Human Health and Disease	Thursday, February 12, 2026
Human Health and Disease	Friday, February 13, 2026
Human Health and Disease	Saturday, February 14, 2026
Microbes in Human Welfare	Sunday, February 15, 2026
Biotechnology: Principles and Processes	Monday, February 16, 2026
Biotechnology: Principles and Processes	Tuesday, February 17, 2026
Biotechnology and its Applications	Wednesday, February 18, 2026
Organisms and Populations	Thursday, February 19, 2026
Organisms and Populations	Friday, February 20, 2026
Ecosystem	Saturday, February 21, 2026
Ecosystem	Sunday, February 22, 2026
