Date (06:00-07:30 PM)	Lecture
Thursday, December 4, 2025	Available Now
Friday, December 5, 2025	Available Now
Monday, December 8, 2025	Available Now
Tuesday, December 9, 2025	Available Now
Thursday, December 11, 2025	Available Now
Friday, December 12, 2025	Available Now
Monday, December 15, 2025	Available Now
Tuesday, December 16, 2025	Available Now
Thursday, December 18, 2025	Available Now
Friday, December 19, 2025	Available Now
Monday, December 22, 2025	Available Now
Tuesday, December 23, 2025	Available Now
Friday, December 26, 2025	Anatomy of Flowering Plants -1
Monday, December 29, 2025	Anatomy of Flowering Plants -2
Tuesday, December 30, 2025	Structural Organisation in Animals -1
Friday, January 2, 2026	Structural Organisation in Animals -2
Saturday, January 3, 2026	Structural Organisation in Animals -3
Monday, January 5, 2026	Cell: The Unit of Life -1
Tuesday, January 6, 2026	Cell: The Unit of Life -2
Wednesday, January 7, 2026	Cell: The Unit of Life -3
Thursday, January 8, 2026	Biomolecules -1
Friday, January 9, 2026	Biomolecules -2
Saturday, January 10, 2026	Biomolecules -3
Monday, January 12, 2026	Cell Cycle and Cell Division -1
Tuesday, January 13, 2026	Cell Cycle and Cell Division -2
Wednesday, January 14, 2026	Photosynthesis in Higher Plants -1

Thursday, January 15, 2026	Photosynthesis in Higher Plants -2
Friday, January 16, 2026	Respiration in Plants -1
Saturday, January 17, 2026	Respiration in Plants -2
Monday, January 19, 2026	Plant Growth and Development -1
Tuesday, January 20, 2026	Plant Growth and Development -2
Wednesday, January 21, 2026	Breathing and Exchange of Gases
Thursday, January 22, 2026	Body Fluids and Circulation -1
Friday, January 23, 2026	Body Fluids and Circulation -2
Saturday, January 24, 2026	Excretory Products and their Elimination -1
Tuesday, January 27, 2026	Excretory Products and their Elimination -2
Wednesday, January 28, 2026	Locomotion and Movement -1
Thursday, January 29, 2026	Locomotion and Movement -2
Friday, January 30, 2026	Neural Control and Coordination -1
Saturday, January 31, 2026	Neural Control and Coordination -2
Monday, February 2, 2026	Chemical Coordination and Integration -1
Tuesday, February 3, 2026	Chemical Coordination and Integration -2
Wednesday, February 4, 2026	Sexual Reproduction in Flowering Plants -1
Thursday, February 5, 2026	Sexual Reproduction in Flowering Plants -2
Friday, February 6, 2026	Sexual Reproduction in Flowering Plants -3
Saturday, February 7, 2026	Human Reproduction -1
Monday, February 9, 2026	Human Reproduction -2
Tuesday, February 10, 2026	Human Reproduction -3
Wednesday, February 11, 2026	Reproductive Health -1
Thursday, February 12, 2026	Reproductive Health -2
Friday, February 13, 2026	Principles of Inheritance and Variation -1
Saturday, February 14, 2026	Principles of Inheritance and Variation -2
Monday, February 16, 2026	Principles of Inheritance and Variation -3
·	

Tuesday, February 17, 2026	Principles of Inheritance and Variation -4
Wednesday, February 18, 2026	Evolution -1
Thursday, February 19, 2026	Evolution -2
Friday, February 20, 2026	Evolution -3
Saturday, February 21, 2026	Human Health and Disease -1
Monday, February 23, 2026	Human Health and Disease -2
Tuesday, February 24, 2026	Human Health and Disease -3
Wednesday, February 25, 2026	Microbes in Human Welfare
Thursday, February 26, 2026	Biotechnology: Principles and Processes -1
Friday, February 27, 2026	Biotechnology: Principles and Processes -2
Saturday, February 28, 2026	Biotechnology and its Applications
Monday, March 2, 2026	Organisms and Populations -1
Tuesday, March 3, 2026	Organisms and Populations -2
Wednesday, March 4, 2026	Ecosystem
Thursday, March 5, 2026	Biodiversity and Conservation
Friday, March 6, 2026	Biotechnology: Principles and Processes -2
Saturday, March 7, 2026	Biotechnology and its Applications
Monday, March 9, 2026	Organisms and Populations -1
Tuesday, March 10, 2026	Organisms and Populations -2
Wednesday, March 11, 2026	Ecosystem
Thursday, March 12, 2026	Biodiversity and Conservation
