| Date                      | Subject               | Topic                   | Timing             |
| Wednesday, March 11, 2026 | Computer Fundamentals | Computer Fundamentals-1 | 9:00 PM - 10:00 PM |
| Thursday, March 12, 2026  |                       | Computer Fundamentals-2 | 9:00 PM - 10:00 PM |
| Friday, March 13, 2026    |                       | Computer Fundamentals-3 | 9:00 PM - 10:00 PM |
| Monday, March 16, 2026    |                       | Computer Fundamentals-4 | 9:00 PM - 10:00 PM |
| Tuesday, March 17, 2026   |                       | Computer Fundamentals-5 | 9:00 PM - 10:00 PM |
| Wednesday, March 18, 2026 |                       | Computer Fundamentals-6 | 9:00 PM - 10:00 PM |
| Thursday, March 19, 2026  |                       | Computer Fundamentals-7 | 9:00 PM - 10:00 PM |
| Friday, March 20, 2026    |                       | Computer Fundamentals-8 | 9:00 PM - 10:00 PM |
| Monday, March 23, 2026    | MS Office             | MS Windows-1            | 9:00 PM - 10:00 PM |
| Tuesday, March 24, 2026   |                       | MS Windows-2            | 9:00 PM - 10:00 PM |
| Wednesday, March 25, 2026 |                       | MS Word-1               | 9:00 PM - 10:00 PM |
| Thursday, March 26, 2026  |                       | MS Word-2               | 9:00 PM - 10:00 PM |
| Friday, March 27, 2026    |                       | MS Excel-1              | 9:00 PM - 10:00 PM |
| Monday, March 30, 2026    |                       | MS Excel-2              | 9:00 PM - 10:00 PM |
| Tuesday, March 31, 2026   |                       | MS-PowerPoint-1         | 9:00 PM - 10:00 PM |
| Wednesday, April 1, 2026  |                       | MS-PowerPoint-2         | 9:00 PM - 10:00 PM |
| Thursday, April 2, 2026   | Computer Organization | Computer Organization-1 | 9:00 PM - 10:00 PM |
| Friday, April 3, 2026     |                       | Computer Organization-2 | 9:00 PM - 10:00 PM |
| Monday, April 6, 2026     |                       | Computer Organization-3 | 9:00 PM - 10:00 PM |
| Tuesday, April 7, 2026    |                       | Computer Organization-4 | 9:00 PM - 10:00 PM |
| Wednesday, April 8, 2026  |                       | Computer Organization-5 | 9:00 PM - 10:00 PM |
| Thursday, April 9, 2026   |                       | Computer Organization-6 | 9:00 PM - 10:00 PM |
| Friday, April 10, 2026    |                       | Computer Organization-7 | 9:00 PM - 10:00 PM |
| Monday, April 13, 2026    |                       | Computer Organization-8 | 9:00 PM - 10:00 PM |
| Tuesday, April 14, 2026   | Information Systems   | Information Systems-1   | 9:00 PM - 10:00 PM |
| Wednesday, April 15, 2026 |                       | Information Systems-2   | 9:00 PM - 10:00 PM |
| Thursday, April 16, 2026  |                       | Information Systems-3   | 9:00 PM - 10:00 PM |
| Friday, April 17, 2026    |                       | Information Systems-4   | 9:00 PM - 10:00 PM |
| Monday, April 20, 2026    |                       | Information Systems-5   | 9:00 PM - 10:00 PM |

| Wednesday, April 22, 2026 |                              | Information Systems-7          | 9:00 PM - 10:00 PM |
| Thursday, April 23, 2026  |                              | Information Systems-8          | 9:00 PM - 10:00 PM |
| Friday, April 24, 2026    | DBMS                         | DBMS fundamentals-1            | 9:00 PM - 10:00 PM |
| Monday, April 27, 2026    |                              | DBMS fundamentals-2            | 9:00 PM - 10:00 PM |
| Tuesday, April 28, 2026   |                              | DBMS fundamentals-3            | 9:00 PM - 10:00 PM |
| Wednesday, April 29, 2026 |                              | DBMS fundamentals-4            | 9:00 PM - 10:00 PM |
| Thursday, April 30, 2026  |                              | DBMS fundamentals-5            | 9:00 PM - 10:00 PM |
| Friday, May 1, 2026       |                              | DBMS fundamentals-6            | 9:00 PM - 10:00 PM |
| Monday, May 4, 2026       |                              | DBMS fundamentals-7            | 9:00 PM - 10:00 PM |
| Tuesday, May 5, 2026      |                              | DBMS fundamentals-8            | 9:00 PM - 10:00 PM |
| Wednesday, May 6, 2026    |                              | DBMS fundamentals-9            | 9:00 PM - 10:00 PM |
| Thursday, May 7, 2026     |                              | DBMS fundamentals-10           | 9:00 PM - 10:00 PM |
| Friday, May 8, 2026       | Data Structure               | Data Structure using C++ -1    | 9:00 PM - 10:00 PM |
| Monday, May 11, 2026      |                              | Data Structure using C++ -2    | 9:00 PM - 10:00 PM |
| Tuesday, May 12, 2026     |                              | Data Structure using C++ -3    | 9:00 PM - 10:00 PM |
| Wednesday, May 13, 2026   |                              | Data Structure using C++ -4    | 9:00 PM - 10:00 PM |
| Thursday, May 14, 2026    |                              | Data Structure using C++ -5    | 9:00 PM - 10:00 PM |
| Friday, May 15, 2026      |                              | Data Structure using C++ -6    | 9:00 PM - 10:00 PM |
| Monday, May 18, 2026      |                              | Data Structure using C++ -7    | 9:00 PM - 10:00 PM |
| Tuesday, May 19, 2026     |                              | Data Structure using C++ -8    | 9:00 PM - 10:00 PM |
| Wednesday, May 20, 2026   |                              | Data Structure using C++ -9    | 9:00 PM - 10:00 PM |
| Thursday, May 21, 2026    |                              | Data Structure using C++ -10   | 9:00 PM - 10:00 PM |
| Friday, May 22, 2026      | Operating System using LINUX | Operating System using LINUX-1 | 9:00 PM - 10:00 PM |
| Monday, May 25, 2026      |                              | Operating System using LINUX-2 | 9:00 PM - 10:00 PM |
| Tuesday, May 26, 2026     |                              | Operating System using LINUX-3 | 9:00 PM - 10:00 PM |
| Wednesday, May 27, 2026   |                              | Operating System using LINUX-4 | 9:00 PM - 10:00 PM |
| Thursday, May 28, 2026    |                              | Operating System using LINUX-5 | 9:00 PM - 10:00 PM |
| Friday, May 29, 2026      | System Programming           | System Programming-1           | 9:00 PM - 10:00 PM |
| Monday, June 1, 2026      |                              | System Programming-2           | 9:00 PM - 10:00 PM |
| Tuesday, June 2, 2026     |                              | System Programming-3           | 9:00 PM - 10:00 PM |

| Faculty - Mayank Garg sir |                                |                      |                    |
