

Science Study Plan		
Topic	Date	Time
Life Processes PYQ	Recording Available	Recording Available
Chemical Reactions & Equations L-1	Recording Available	Recording Available
Chemical Reactions & Equations L-2	Recording Available	Recording Available
Light PYQ	Recording Available	Recording Available
Control & Coordination PYQ	Recording Available	Recording Available
Acids Base & Salts L-1	Recording Available	Recording Available
Acids Base & Salts L-2	Recording Available	Recording Available
Human Eye & Colourful World PYQ	Recording Available	Recording Available
How do Organisms Reproduce PYQ	Recording Available	Recording Available
Metals & Non-Metals L-1	Recording Available	Recording Available
Metals & Non-Metals L-2	Recording Available	Recording Available
Electricity PYQ	Recording Available	Recording Available
Our Environment PYQ	Recording Available	Recording Available
Carbon & its Compounds L-1	Recording Available	Recording Available
Carbon & its Compounds L-2	Recording Available	Recording Available
Magnetic Effects of Electric Current PYQ	Recording Available	Recording Available
Heredity Concept	Recording Available	Recording Available
Heredity PYQ	Recording Available	Recording Available
Mock Paper - I (On Zoom)	Recording Available	Recording Available
Mock Paper - II (On Zoom )	Recording Available	Recording Available
