

STUDY PLAN

Date	Ramandeep Ma'am	Ramandeep Ma'am
	Zoology Time -11AM -12noon	Botany TIME 12noon - 1PM
18-Mar	zoology : biology and its meaning	systematics
19-Mar	taxonomy and its types	monera
20-Mar	taxonomy and its types	monera
21-Mar		protista
22-Mar		
23-Mar	kingdom animalia intro	fungi
24-Mar	porifera	fungi
25-Mar	coelentrata	algae
26-Mar	platyhelminthes	algae
27-Mar	platyhelminthes	bryophtes
28-Mar	annalids	bryophytes
29-Mar		
30-Mar	arthropods	pteridophytes
31-Mar	chordates	gymnosperms
1-Apr	chordates	gymnosperms
2-Apr	chordates	angiosperms
3-Apr	animal tissues	angiosperms
4-Apr	animal tissues	viruses
5-Apr		
6-Apr	frog	lichens
7-Apr	coakroch	tissue system in plants
8-Apr	digestion and absorption	tissue system in plants
9-Apr	disgestyion and absorption	morphology
10-Apr	digestion and absorption	morphology
11-Apr	breathing	morphology
12-Apr		
13-Apr	breathing	anatomy of plants

Date	Ramandeep Ma'am	Ramandeep Ma'am
	Zoology Time -11AM -12noon	Botany TIME 12noon - 1PM
14-Apr	excretion	anatomy of plants
15-Apr	excretion	inflorescence
16-Apr	excretion	fruits
17-Apr	circulation	plants families
18-Apr	circulation	plants families
19-Apr		
20-Apr	locomotion	plants families
21-Apr	locomotion	plants families
22-Apr	neural control	transport in plants
23-Apr	neural control	transport in plants
24-Apr	neural control	transport in plants
25-Apr	chemical control	mineral nutrition
26-Apr		
27-Apr	chemical control	mineral nutrition
28-Apr	reproduction	nitrogen metabolism
29-Apr	reproduction	photosynthesis
30-Apr	reproduction	photosynthesis
1-May	reproduction	photosynthesis
2-May	reproductive health	respiration
3-May		
4-May	reproductive health	respiration
5-May	biomolecules	plants growth
6-May	biomolecules	plant growth
7-May	cell	plant movements
8-May	cell	plant movements
9-May	cell	reproduction in organisms
10-May		
11-May	heredity and variation	reproduction in organisms
12-May	heredity and variation	sexual reproduction in plants

Date	Ramandeep Ma'am	Ramandeep Ma'am
	Zoology Time -11AM -12noon	Botany TIME 12noon - 1PM
13-May	heredity and variation	sexual reproduction in plants
14-May	heredity and variation	sexual reproduction in plants
15-May	molecular basis of inheritance	sexual reproduction in plants
16-May		
17-May		
18-May	molecular basis of inheritance	revision
19-May	evolution	doubt session
20-May	evolution	test
21-May	evolution	pyq discussion
22-May	health and disease	pyq discussion
23-May	health and disease	mock test
24-May		
25-May	health and disease	complete tissue and morpho revision
26-May	improvements in food production	revision complete processes
27-May	improvements in food production	plant kingdom revision
28-May	microbes in human welfare	test
29-May	microbes in human welfare	test
30-May	biotechmology and principles	doubt session
31-May		
1-Jun	biotechmology and principles	reproduction in oorgaisms revision
2-Jun	application of biotechnology	sexual reproduction revision
3-Jun	applications of biotechnology	all cycles revise
4-Jun	environmental issues	all cycles revise
5-Jun	environmental issues	test
6-Jun	biodiversity and conservation	mock test
7-Jun		
8-Jun	biodiversity and conservation	complete revision one shot
9-Jun	ecosystem	
10-Jun	ecosystem	test

Date	Ramandeep Ma'am	Ramandeep Ma'am
	Zoology Time -11AM -12noon	Botany TIME 12noon - 1PM
11-Jun	revision	diagram discussions
12-Jun	revision	ncert tables discussion
13-Jun	revision	one liners
14-Jun		
15-Jun	mock test 1	test
16-Jun	mock test 3	revision
17-Jun	doubt session	doubt
18-Jun	revision at one shot	mock test
19-Jun	test	mock teste
20-Jun	test	mock test
21-Jun		
22-Jun	test	pyqs
23-Jun	pyqs
