

| <b>Study Plan</b>              |   |
|--------------------------------|---|
| <b>Mentor</b>                  | <b>Mahima Ma'am</b>                                     |
| <b>Lecture Time</b>            | <b>2 PM - 3 PM</b>                                      |
| <b>Date</b>                    | <b>Food Analysis &amp; Testing</b>                      |
| <b>Thursday, Sep 24, 2026</b>  | Introduction to food analysis and testing               |
| <b>Friday, Sep 25, 2026</b>    | Field and lab sampling lecture 1                        |
| <b>Monday, Sep 28, 2026</b>    | Field and lab sampling lecture 2                        |
| <b>Tuesday, Sep 29, 2026</b>   | statistical tools used in food analysis                 |
| <b>Wednesday, Sep 30, 2026</b> | methods of food analysis lecture 1                      |
| <b>Thursday, Oct 1, 2026</b>   | methods of food analysis lecture 2                      |
| <b>Friday, Oct 2, 2026</b>     | methods of food analysis lecture 3                      |
| <b>Monday, Oct 5, 2026</b>     | methods of food analysis lecture 4                      |
| <b>Tuesday, Oct 6, 2026</b>    | methods of food analysis lecture 5                      |
| <b>Wednesday, Oct 7, 2026</b>  | methods of food analysis lecture 6                      |
| <b>Thursday, Oct 8, 2026</b>   | methods of food analysis lecture 7                      |
| <b>Friday, Oct 9, 2026</b>     | methods of food analysis lecture 8                      |
| <b>Monday, Oct 12, 2026</b>    | methods of food analysis lecture 9                      |
| <b>Tuesday, Oct 13, 2026</b>   | methods of food analysis lecture 10                     |
| <b>Wednesday, Oct 14, 2026</b> | methods of food analysis lecture 11                     |
| <b>Thursday, Oct 15, 2026</b>  | methods of food analysis lecture 12                     |
| <b>Friday, Oct 16, 2026</b>    | methods of food analysis lecture 13                     |
| <b>Monday, Oct 19, 2026</b>    | methods of food analysis lecture 14                     |
| <b>Tuesday, Oct 20, 2026</b>   | methods of food analysis lecture 15                     |
| <b>Wednesday, Oct 21, 2026</b> | methods of food analysis lecture 16                     |
| <b>Thursday, Oct 22, 2026</b>  | Quality assurance and control in food testing lecture 1 |
| <b>Friday, Oct 23, 2026</b>    | Quality assurance and control in food testing lecture 2 |
