

சிற்பி- TNPSC CTS Diploma Batch 2026

Date	Day	Electronics and Communication Time: 6-7 AM	Electronics and Communication Time: 7-8 AM
July 24	Friday	Electronics Devices	Electronics Devices
July 25	Saturday	Electronics Devices	Electronics Devices
July 26	Sunday		
July 27	Monday	Electronics Devices	Electrical circuits
July 28	Tuesday	Electrical circuits	Electrical circuits
July 29	Wednesday	Electrical circuits	Electrical circuits
July 30	Thursday	Programming C	Programming C
July 31	Friday	Programming C	Computer Hardware
August 1	Saturday		
August 2	Sunday		
August 3	Monday	Computer Hardware	Industrial Electronics
August 4	Tuesday	Industrial Electronics	Industrial Electronics
August 5	Wednesday	Industrial Electronics	Industrial Electronics
August 6	Thursday	Analog and digital electronics	Analog and digital electronics
August 7	Friday	Analog and digital electronics	Analog and digital electronics
August 8	Saturday		
August 9	Sunday		
August 10	Monday	Analog and digital electronics	Communication Engineering
August 11	Tuesday	Communication Engineering	Communication Engineering
August 12	Wednesday	Communication Engineering	Communication Engineering
August 13	Thursday	Analog and digital communication systems	Analog and digital communication systems
August 14	Friday	Analog and digital communication systems	Analog and digital communication systems
August 15	Saturday		
August 16	Sunday		
August 17	Monday	Analog and digital communication systems	microcontroller
August 18	Tuesday	microcontroller	microcontroller
August 19	Wednesday		
August 20	Thursday		

Date	Day	Electronics and Communication Time: 6-7 AM	Electronics and Communication Time: 7-8 AM
August 21	Friday	microcontroller	microcontrollers
August 22	Saturday	Very large scale Integrated circuits	Very large scale Integrated circuits
August 23	Sunday		
August 24	Monday	Very large scale Integrated circuits	Very large scale Integrated circuits
August 25	Tuesday	Very large scale Integrated circuits	Embedded system
August 26	Wednesday	Embedded system	Embedded system
August 27	Thursday	Embedded system	Embedded system
August 28	Friday		
August 29	Saturday
