

STUDY PLAN

UGC NET Computer Science By Mayank Garg & Abhishek Yadav Sir

Date	Day	Time - 10:00 AM - 11:00 AM	01:00 PM - 02:00 PM
Recorded		Orientation_Class	-----
Recorded		Computer System Architecture_Class_1	System Software and Operating System_Class_1
Recorded		Computer System Architecture_Class_2	System Software and Operating System_Class_2
Recorded		Computer System Architecture_Class_3	System Software and Operating System_Class_3
Recorded		Computer System Architecture_Class_4	System Software and Operating System_Class_4
Recorded		Computer System Architecture_Class_5	System Software and Operating System_Class_5
Recorded		Computer System Architecture_Class_6	System Software and Operating System_Class_6
Recorded		Computer System Architecture_Class_7	System Software and Operating System_Class_7
Recorded		Computer System Architecture_Class_8	System Software and Operating System_Class_8
Recorded		Computer System Architecture_Class_9	System Software and Operating System_Class_9
Recorded		Computer System Architecture_Class_10	System Software and Operating System_Class_10
Recorded		Computer System Architecture_Class_11	System Software and Operating System_Class_11
Recorded		Computer System Architecture_Class_12	System Software and Operating System_Class_12
Recorded		Computer System Architecture_Class_13	System Software and Operating System_Class_13
Recorded		Computer System Architecture_Class_14	System Software and Operating System_Class_14
Recorded		Computer System Architecture_Class_15	System Software and Operating System_Class_15
10-Aug-26	Monday	Computer System Architecture_Class_16	Programming Languages and Computer Graphics_Class_1
11-Aug-26	Tuesday	Computer System Architecture_Class_17	Programming Languages and Computer Graphics_Class_2
12-Aug-26	Wednesday	Computer System Architecture_Class_18	Programming Languages and Computer Graphics_Class_3

13-Aug-26	Thursday	Computer System Architecture_Class_19	Programming Languages and Computer Graphics_Class_4
14-Aug-26	Friday	Computer System Architecture_Class_20	Programming Languages and Computer Graphics_Class_5
17-Aug-26	Monday	Discrete structure and optimization_Class_1	Programming Languages and Computer Graphics_Class_6
18-Aug-26	Tuesday	Discrete structure and optimization_Class_2	Programming Languages and Computer Graphics_Class_7
19-Aug-26	Wednesday	Discrete structure and optimization_Class_3	Programming Languages and Computer Graphics_Class_8
20-Aug-26	Thursday	Discrete structure and optimization_Class_4	Programming Languages and Computer Graphics_Class_9
21-Aug-26	Friday	Discrete structure and optimization_Class_5	Programming Languages and Computer Graphics_Class_10
24-Aug-26	Monday	Discrete structure and optimization_Class_6	Programming Languages and Computer Graphics_Class_11
25-Aug-26	Tuesday	Discrete structure and optimization_Class_7	Programming Languages and Computer Graphics_Class_12
26-Aug-26	Wednesday	Discrete structure and optimization_Class_8	Programming Languages and Computer Graphics_Class_13
27-Aug-26	Thursday	Discrete structure and optimization_Class_9	Programming Languages and Computer Graphics_Class_14
28-Aug-26	Friday	Discrete structure and optimization_Class_10	Programming Languages and Computer Graphics_Class_15
31-Aug-26	Monday	Discrete structure and optimization_Class_11	Data Structures and Algorithms_Class_1
1-Sep-26	Tuesday	Discrete structure and optimization_Class_12	Data Structures and Algorithms_Class_2
2-Sep-26	Wednesday	Discrete structure and optimization_Class_13	Data Structures and Algorithms_Class_3
3-Sep-26	Thursday	Discrete structure and optimization_Class_14	Data Structures and Algorithms_Class_4
4-Sep-26	Friday	Discrete structure and optimization_Class_15	Data Structures and Algorithms_Class_5
7-Sep-26	Monday	Discrete structure and optimization_Class_16	Data Structures and Algorithms_Class_6
8-Sep-26	Tuesday	Discrete structure and optimization_Class_17	Data Structures and Algorithms_Class_7
9-Sep-26	Wednesday	Discrete structure and optimization_Class_18	Data Structures and Algorithms_Class_8
10-Sep-26	Thursday	Discrete structure and optimization_Class_19	Data Structures and Algorithms_Class_9
11-Sep-26	Friday	Discrete structure and optimization_Class_20	Data Structures and Algorithms_Class_10
14-Sep-26	Monday	Software Engineering_Class_1	Data Structures and Algorithms_Class_11
15-Sep-26	Tuesday	Software Engineering_Class_2	Data Structures and Algorithms_Class_12
16-Sep-26	Wednesday	Software Engineering_Class_3	Data Structures and Algorithms_Class_13

17-Sep-26	Thursday	Software Engineering_Class_4	Data Structures and Algorithms_Class_14
18-Sep-26	Friday	Software Engineering_Class_5	Data Structures and Algorithms_Class_15
21-Sep-26	Monday	Software Engineering_Class_6	Data Communication and Computer Networks_Class_1
22-Sep-26	Tuesday	Software Engineering_Class_7	Data Communication and Computer Networks_Class_2
23-Sep-26	Wednesday	Software Engineering_Class_8	Data Communication and Computer Networks_Class_3
24-Sep-26	Thursday	Software Engineering_Class_9	Data Communication and Computer Networks_Class_4
25-Sep-26	Friday	Software Engineering_Class_10	Data Communication and Computer Networks_Class_5
28-Sep-26	Monday	Software Engineering_Class_11	Data Communication and Computer Networks_Class_6
29-Sep-26	Tuesday	Software Engineering_Class_12	Data Communication and Computer Networks_Class_7
30-Sep-26	Wednesday	Software Engineering_Class_13	Data Communication and Computer Networks_Class_8
1-Oct-26	Thursday	Software Engineering_Class_14	Data Communication and Computer Networks_Class_9
2-Oct-26	Friday	Software Engineering_Class_15	Data Communication and Computer Networks_Class_10
5-Oct-26	Monday	Software Engineering_Class_16	Data Communication and Computer Networks_Class_11
6-Oct-26	Tuesday	Software Engineering_Class_17	Data Communication and Computer Networks_Class_12
7-Oct-26	Wednesday	Software Engineering_Class_18	Data Communication and Computer Networks_Class_13
8-Oct-26	Thursday	Software Engineering_Class_19	Data Communication and Computer Networks_Class_14
9-Oct-26	Friday	Software Engineering_Class_20	Data Communication and Computer Networks_Class_15
12-Oct-26	Monday	Data Base Management System_Class_1	Theory of Computation and Compilers_Class_1
13-Oct-26	Tuesday	Data Base Management System_Class_2	Theory of Computation and Compilers_Class_2
14-Oct-26	Wednesday	Data Base Management System_Class_3	Theory of Computation and Compilers_Class_3
15-Oct-26	Thursday	Data Base Management System_Class_4	Theory of Computation and Compilers_Class_4
16-Oct-26	Friday	Data Base Management System_Class_5	Theory of Computation and Compilers_Class_5
19-Oct-26	Monday	Data Base Management System_Class_6	Theory of Computation and Compilers_Class_6
20-Oct-26	Tuesday	Data Base Management System_Class_7	Theory of Computation and Compilers_Class_7
21-Oct-26	Wednesday	Data Base Management System_Class_8	Theory of Computation and Compilers_Class_8

22-Oct-26	Thursday	Data Base Management System_Class_9	Theory of Computation and Compilers_Class_9
23-Oct-26	Friday	Data Base Management System_Class_10	Theory of Computation and Compilers_Class_10
26-Oct-26	Monday	Data Base Management System_Class_11	Theory of Computation and Compilers_Class_11
27-Oct-26	Tuesday	Data Base Management System_Class_12	Theory of Computation and Compilers_Class_12
28-Oct-26	Wednesday	Data Base Management System_Class_13	Theory of Computation and Compilers_Class_13
29-Oct-26	Thursday	Data Base Management System_Class_14	Theory of Computation and Compilers_Class_14
30-Oct-26	Friday	Data Base Management System_Class_15	Theory of Computation and Compilers_Class_15
2-Nov-26	Monday	Data Base Management System_Class_16	Practice_Class_1
3-Nov-26	Tuesday	Data Base Management System_Class_17	Practice_Class_2
4-Nov-26	Wednesday	Data Base Management System_Class_18	Practice_Class_3
5-Nov-26	Thursday	Data Base Management System_Class_19	Practice_Class_4
6-Nov-26	Friday	Data Base Management System_Class_20	Practice_Class_5
9-Nov-26	Monday	Artificial intelligence_Class_1	
10-Nov-26	Tuesday	Artificial intelligence_Class_2	
11-Nov-26	Wednesday	Artificial intelligence_Class_3	
12-Nov-26	Thursday	Artificial intelligence_Class_4	
13-Nov-26	Friday	Artificial intelligence_Class_5	
16-Nov-26	Monday	Artificial intelligence_Class_6	
17-Nov-26	Tuesday	Artificial intelligence_Class_7	
18-Nov-26	Wednesday	Artificial intelligence_Class_8	
19-Nov-26	Thursday	Artificial intelligence_Class_9	
20-Nov-26	Friday	Artificial intelligence_Class_10	
23-Nov-26	Monday	Artificial intelligence_Class_11	
24-Nov-26	Tuesday	Artificial intelligence_Class_12	
25-Nov-26	Wednesday	Artificial intelligence_Class_13	
26-Nov-26	Thursday	Artificial intelligence_Class_14	
27-Nov-26	Friday	Artificial intelligence_Class_15	
30-Nov-26	Monday	Artificial intelligence_Class_16	
1-Dec-26	Tuesday	Artificial intelligence_Class_17	
2-Dec-26	Wednesday	Artificial intelligence_Class_18	
3-Dec-26	Thursday	Artificial intelligence_Class_19	
4-Dec-26	Friday	Artificial intelligence_Class_20
