

**A Complete Book  
For  
CUET General Test  
(Logical Reasoning)**

## PREFACE

Thank you for choosing our institute as your education buddy. “**A COMPLETE BOOK FOR NTA CUET UG, PG (Part - A) & OTHER COMPETITIVE EXAMS FOR LOGICAL REASONING**” is motivated by the desire we and others have had to further the evolution of the core course in General Test. **In this Latest edition we have added all types of latest pattern Questions being asked in recent examinations of CUET.** We have carefully prepared our study material which is updated as per the latest examination pattern.

The aim of this book is to help students learn and understand the new pattern of questions frequently being asked in competitive exams which will help them to maximise their overall scores. This is to reinforce the concepts in student’s mind with various types of questions. This study material has been prepared by experienced faculties, subject-matter experts and with the expertise of Adda247 keeping the new pattern and challenges of competitive exams in mind.

This book is carefully divided into chapters with each chapter explaining the **concepts and tricks** from the basic level to the advanced level. **This book covers 750+ questions with solutions which will help the candidate to crack competitive exam with ease.**

We, **Adda247 unit** hereby assure you that whatever difficulty you are facing in this challenging environment, you will find us with the best possible solution. As educators, we promise you the best so that all your needs are taken care of.
