

## AGRICULTURE

### Study Plan

| Date      | Day | Krashna Sir                | Krashna Sir                                  |
|-----------|-----|----------------------------|----------------------------------------------|
|           |     | Soil Science               | Agrometeorology, Soil Science & Weed Science |
|           |     | 5:00 PM - 6:00 PM          |                                              |
| 26-Oct-23 | Thu | Soil Fertility Lecture 1   |                                              |
| 27-Oct-23 | Fri | Soil Fertility Lecture 2   |                                              |
| 28-Oct-23 | Sat |                            |                                              |
| 29-Oct-23 | Sun |                            |                                              |
| 30-Oct-23 | Mon | Soil Fertility Lecture 3   |                                              |
| 31-Oct-23 | Tue | Soil Fertility Lecture 4   |                                              |
| 1-Nov-23  | Wed | Soil Fertility Lecture 5   |                                              |
| 2-Nov-23  | Thu | Soil Fertility Lecture 6   |                                              |
| 3-Nov-23  | Fri | Soil Fertility Lecture 7   |                                              |
| 4-Nov-23  | Sat |                            |                                              |
| 5-Nov-23  | Sun |                            |                                              |
| 6-Nov-23  | Mon | Soil Fertility Lecture 8   |                                              |
| 7-Nov-23  | Tue | Rocks & Minerals Lecture 1 |                                              |
| 8-Nov-23  | Wed | Rocks & Minerals Lecture 2 |                                              |
| 9-Nov-23  | Thu | Soil Colloids Lecture 1    |                                              |
| 10-Nov-23 | Fri |                            |                                              |
| 11-Nov-23 | Sat |                            |                                              |
| 12-Nov-23 | Sun |                            |                                              |
| 13-Nov-23 | Mon |                            |                                              |
| 14-Nov-23 | Tue |                            |                                              |
| 15-Nov-23 | Wed |                            |                                              |
| 16-Nov-23 | Thu | Problematic Soil Lecture 1 |                                              |
| 17-Nov-23 | Fri | Problematic Soil Lecture 2 |                                              |
| 18-Nov-23 | Sat |                            |                                              |
| 19-Nov-23 | Sun |                            |                                              |
| 20-Nov-23 | Mon | Problematic Soil Lecture 3 |                                              |
| 21-Nov-23 | Tue | Problematic Soil Lecture 4 |                                              |
| 22-Nov-23 | Wed | Soils of India Lecture 1   |                                              |
| 23-Nov-23 | Thu | Soils of India Lecture 2   |                                              |
| 24-Nov-23 | Fri |                            | Soil Physical Properties Lecture 1           |
| 25-Nov-23 | Sat |                            |                                              |
| 26-Nov-23 | Sun |                            |                                              |
| 27-Nov-23 | Mon |                            | Soil Physical Properties Lecture 2           |
| 28-Nov-23 | Tue |                            | Soil Physical Properties Lecture 3           |

|                                                         |                                                   |  |                                             |
|---------------------------------------------------------|---------------------------------------------------|--|---------------------------------------------|
| 29-Nov-23                                               | Wed                                               |  | Soil Physical Properties Lecture 4          |
| 30-Nov-23                                               | Thu                                               |  | Soil Physical Properties Lecture 5          |
| 1-Dec-23                                                | Fri                                               |  | Soil Erosion & Conservation Lecture 1       |
| 2-Dec-23                                                | Sat                                               |  |                                             |
| 3-Dec-23                                                | Sun                                               |  |                                             |
| 4-Dec-23                                                | Mon                                               |  | Soil Erosion & Conservation Lecture 2       |
| 5-Dec-23                                                | Tue                                               |  | Agrometeorology Lecture 1                   |
| 6-Dec-23                                                | Wed                                               |  | Agrometeorology Lecture 2                   |
| 7-Dec-23                                                | Thu                                               |  | Agrometeorology Lecture 3                   |
| 8-Dec-23                                                | Fri                                               |  | Agrometeorology Lecture 4                   |
| 9-Dec-23                                                | Sat                                               |  |                                             |
| 10-Dec-23                                               | Sun                                               |  |                                             |
| 11-Dec-23                                               | Mon                                               |  | Weed Science Lecture 1                      |
| 12-Dec-23                                               | Tue                                               |  | Weed Science Lecture 2                      |
| 13-Dec-23                                               | Wed                                               |  | Weed Science Lecture 3                      |
| 14-Dec-23                                               | Thu                                               |  | Weed Science Lecture 4                      |
