

Biology (SUBHASH) - 1:00 PM to 2:00 PM

Chapter Name	Date
Biodiversity and Conservation	Friday, July 25, 2025
The Living World	Monday, July 28, 2025
Biological Classification	Tuesday, July 29, 2025
Biological Classification	Wednesday, July 30, 2025
Plant Kingdom	Thursday, July 31, 2025
Plant Kingdom	Friday, August 1, 2025
Animal Kingdom	Monday, August 4, 2025
Animal Kingdom	Tuesday, August 5, 2025
Morphology of Flowering Plants	Wednesday, August 6, 2025
Morphology of Flowering Plants	Thursday, August 7, 2025
Anatomy of Flowering Plants	Friday, August 8, 2025
Anatomy of Flowering Plants	Monday, August 11, 2025
Structural Organisation in Animals	Tuesday, August 12, 2025
Structural Organisation in Animals	Wednesday, August 13, 2025
Cell: The Unit of Life	Thursday, August 14, 2025
Cell: The Unit of Life	Friday, August 15, 2025
Biomolecules	Monday, August 18, 2025
Biomolecules	Tuesday, August 19, 2025
Cell Cycle and Cell Division	Wednesday, August 20, 2025
Cell Cycle and Cell Division	Thursday, August 21, 2025
Photosynthesis in Higher Plants	Friday, August 22, 2025
Photosynthesis in Higher Plants	Monday, August 25, 2025

Respiration in Plants	Tuesday, August 26, 2025
Respiration in Plants	Wednesday, August 27, 2025
Plant Growth and Development	Thursday, August 28, 2025
Plant Growth and Development	Friday, August 29, 2025
Breathing and Exchange of Gases	Monday, September 1, 2025
Breathing and Exchange of Gases	Tuesday, September 2, 2025
Body Fluids and Circulation	Wednesday, September 3, 2025
Body Fluids and Circulation	Thursday, September 4, 2025
Excretory Products and their Elimination	Friday, September 5, 2025
Excretory Products and their Elimination	Saturday, September 6, 2025
Neural Control and Coordination	Sunday, September 7, 2025
Neural Control and Coordination	Monday, September 8, 2025
Chemical Coordination and Integration	Tuesday, September 9, 2025
Chemical Coordination and Integration	Wednesday, September 10, 2025
Sexual Reproduction in Flowering Plants	Thursday, September 11, 2025
Sexual Reproduction in Flowering Plants	Friday, September 12, 2025
Human Reproduction	Saturday, September 13, 2025
Human Reproduction	Sunday, September 14, 2025
Reproductive Health	Monday, September 15, 2025
Reproductive Health	Tuesday, September 16, 2025
Principles of Inheritance and Variation	Wednesday, September 17, 2025
Principles of Inheritance and Variation	Thursday, September 18, 2025
Molecular Basis of Inheritance	Friday, September 19, 2025
Molecular Basis of Inheritance	Saturday, September 20, 2025

Evolution	Sunday, September 21, 2025
Evolution	Monday, September 22, 2025
Human Health and Disease	Tuesday, September 23, 2025
Human Health and Disease	Wednesday, September 24, 2025
Human Health and Disease	Thursday, September 25, 2025
Microbes in Human Welfare	Friday, September 26, 2025
Biotechnology: Principles and Processes	Saturday, September 27, 2025
Biotechnology: Principles and Processes	Sunday, September 28, 2025
Biotechnology and its Applications	Monday, September 29, 2025
Organisms and Populations	Tuesday, September 30, 2025
Organisms and Populations	Wednesday, October 1, 2025
Ecosystem	Thursday, October 2, 2025
Ecosystem	Friday, October 3, 2025
