

**Biology (SUBHASH) - 1:00 PM to 2:00 PM**

<b>Chapter Name</b>	<b>Date</b>
Biodiversity and Conservation	Tuesday, August 26, 2025
The Living World	Wednesday, August 27, 2025
Biological Classification	Thursday, August 28, 2025
Biological Classification	Friday, August 29, 2025
Plant Kingdom	Saturday, August 30, 2025
Plant Kingdom	Sunday, August 31, 2025
Animal Kingdom	Monday, September 1, 2025
Animal Kingdom	Tuesday, September 2, 2025
Morphology of Flowering Plants	Wednesday, September 3, 2025
Morphology of Flowering Plants	Thursday, September 4, 2025
Anatomy of Flowering Plants	Friday, September 5, 2025
Anatomy of Flowering Plants	Saturday, September 6, 2025
Structural Organisation in Animals	Sunday, September 7, 2025
Structural Organisation in Animals	Monday, September 8, 2025
Cell: The Unit of Life	Tuesday, September 9, 2025
Cell: The Unit of Life	Wednesday, September 10, 2025
Biomolecules	Thursday, September 11, 2025
Biomolecules	Friday, September 12, 2025
Cell Cycle and Cell Division	Saturday, September 13, 2025
Cell Cycle and Cell Division	Sunday, September 14, 2025
Photosynthesis in Higher Plants	Monday, September 15, 2025
Photosynthesis in Higher Plants	Tuesday, September 16, 2025

Respiration in Plants	Wednesday, September 17, 2025
Respiration in Plants	Thursday, September 18, 2025
Plant Growth and Development	Friday, September 19, 2025
Plant Growth and Development	Saturday, September 20, 2025
Breathing and Exchange of Gases	Sunday, September 21, 2025
Breathing and Exchange of Gases	Monday, September 22, 2025
Body Fluids and Circulation	Tuesday, September 23, 2025
Body Fluids and Circulation	Wednesday, September 24, 2025
Excretory Products and their Elimination	Thursday, September 25, 2025
Excretory Products and their Elimination	Friday, September 26, 2025
Neural Control and Coordination	Saturday, September 27, 2025
Neural Control and Coordination	Sunday, September 28, 2025
Chemical Coordination and Integration	Monday, September 29, 2025
Chemical Coordination and Integration	Tuesday, September 30, 2025
Sexual Reproduction in Flowering Plants	Wednesday, October 1, 2025
Sexual Reproduction in Flowering Plants	Thursday, October 2, 2025
Human Reproduction	Friday, October 3, 2025
Human Reproduction	Saturday, October 4, 2025
Reproductive Health	Sunday, October 5, 2025
Reproductive Health	Monday, October 6, 2025
Principles of Inheritance and Variation	Tuesday, October 7, 2025
Principles of Inheritance and Variation	Wednesday, October 8, 2025
Molecular Basis of Inheritance	Thursday, October 9, 2025
Molecular Basis of Inheritance	Friday, October 10, 2025

Evolution	Saturday, October 11, 2025
Evolution	Sunday, October 12, 2025
Human Health and Disease	Monday, October 13, 2025
Human Health and Disease	Tuesday, October 14, 2025
Human Health and Disease	Wednesday, October 15, 2025
Microbes in Human Welfare	Thursday, October 16, 2025
Biotechnology: Principles and Processes	Friday, October 17, 2025
Biotechnology: Principles and Processes	Saturday, October 18, 2025
Biotechnology and its Applications	Sunday, October 19, 2025
Organisms and Populations	Monday, October 20, 2025
Organisms and Populations	Tuesday, October 21, 2025
Ecosystem	Wednesday, October 22, 2025
Ecosystem	Thursday, October 23, 2025
