

Biology (SUBHASH) - 1:00 PM to 2:00 PM

Chapter Name	Date
Biodiversity and Conservation	Thursday, September 4, 2025
The Living World	Friday, September 5, 2025
Biological Classification	Saturday, September 6, 2025
Biological Classification	Sunday, September 7, 2025
Plant Kingdom	Monday, September 8, 2025
Plant Kingdom	Tuesday, September 9, 2025
Animal Kingdom	Wednesday, September 10, 2025
Animal Kingdom	Thursday, September 11, 2025
Morphology of Flowering Plants	Friday, September 12, 2025
Morphology of Flowering Plants	Saturday, September 13, 2025
Anatomy of Flowering Plants	Sunday, September 14, 2025
Anatomy of Flowering Plants	Monday, September 15, 2025
Structural Organisation in Animals	Tuesday, September 16, 2025
Structural Organisation in Animals	Wednesday, September 17, 2025
Cell: The Unit of Life	Thursday, September 18, 2025
Cell: The Unit of Life	Friday, September 19, 2025
Biomolecules	Saturday, September 20, 2025
Biomolecules	Sunday, September 21, 2025
Cell Cycle and Cell Division	Monday, September 22, 2025
Cell Cycle and Cell Division	Tuesday, September 23, 2025
Photosynthesis in Higher Plants	Wednesday, September 24, 2025
Photosynthesis in Higher Plants	Thursday, September 25, 2025

Respiration in Plants	Friday, September 26, 2025
Respiration in Plants	Saturday, September 27, 2025
Plant Growth and Development	Sunday, September 28, 2025
Plant Growth and Development	Monday, September 29, 2025
Breathing and Exchange of Gases	Tuesday, September 30, 2025
Breathing and Exchange of Gases	Wednesday, October 1, 2025
Body Fluids and Circulation	Thursday, October 2, 2025
Body Fluids and Circulation	Friday, October 3, 2025
Excretory Products and their Elimination	Saturday, October 4, 2025
Excretory Products and their Elimination	Sunday, October 5, 2025
Neural Control and Coordination	Monday, October 6, 2025
Neural Control and Coordination	Tuesday, October 7, 2025
Chemical Coordination and Integration	Wednesday, October 8, 2025
Chemical Coordination and Integration	Thursday, October 9, 2025
Sexual Reproduction in Flowering Plants	Friday, October 10, 2025
Sexual Reproduction in Flowering Plants	Saturday, October 11, 2025
Human Reproduction	Sunday, October 12, 2025
Human Reproduction	Monday, October 13, 2025
Reproductive Health	Tuesday, October 14, 2025
Reproductive Health	Wednesday, October 15, 2025
Principles of Inheritance and Variation	Thursday, October 16, 2025
Principles of Inheritance and Variation	Friday, October 17, 2025
Molecular Basis of Inheritance	Saturday, October 18, 2025
Molecular Basis of Inheritance	Sunday, October 19, 2025

Evolution	Monday, October 20, 2025
Evolution	Tuesday, October 21, 2025
Human Health and Disease	Wednesday, October 22, 2025
Human Health and Disease	Thursday, October 23, 2025
Human Health and Disease	Friday, October 24, 2025
Microbes in Human Welfare	Saturday, October 25, 2025
Biotechnology: Principles and Processes	Sunday, October 26, 2025
Biotechnology: Principles and Processes	Monday, October 27, 2025
Biotechnology and its Applications	Tuesday, October 28, 2025
Organisms and Populations	Wednesday, October 29, 2025
Organisms and Populations	Thursday, October 30, 2025
Ecosystem	Friday, October 31, 2025
Ecosystem	Saturday, November 1, 2025
