

AP CDPO 2025 Home Science Study Plan

Chapter Name	Topic Name	Faculty Name	Class Date
Food Science and Nutrition	Basic food group	Satya Sir	2025-09-29
Food Science and Nutrition	Body building goods, energy food and protractive foods	Satya Sir	2025-09-30
Food Science and Nutrition	Nutritive Value	Satya Sir	2025-10-01
Food Science and Nutrition	cooking methods their effect on nutritive value and palatability	Satya Sir	2025-10-03
Food Science and Nutrition	Food poisoning, food allergy	Satya Sir	2025-10-04
Food Science and Nutrition	food sources and deficiency signs of carbohydrates	Satya Sir	2025-10-06
Food Science and Nutrition	food sources and deficiency signs of fat, proteins, vitamins and minerals	Satya Sir	2025-10-07
Food Science and Nutrition	Nutritional inter-relationships	Satya Sir	2025-10-08
Food Science and Nutrition	Food and Nutrient requirement in human life cycle - Adulthood pregnancy - lactation - infancy - pre-school age, school age, preadolescence and adolescence	Satya Sir	2025-10-09
Food Science and Nutrition	nutritionally vulnerable groups - factors effect in nutrient requirements	Satya Sir	2025-10-10
Food Science and Nutrition	Principles of meal planning	Satya Sir	2025-10-11
Food Science and Nutrition	Therapeutic modification of normal diet during dietary deficiencies diseases	Satya Sir	2025-10-13
Food Science and Nutrition	common diseases - Fever Diseases of gastre intestinal tract, obesity, Diabetes - Heart diseases and Renal diseases.	Satya Sir	2025-10-14
Child Development	Factors affecting growth and development of child prenatal care	Satya Sir	2025-10-16
Child Development	preparation for child birth - premature baby - causes postnatal care breast feeding v.s. bottle feeding weaning	Satya Sir	2025-10-17
Child Development	immunization, physical intellectual, and emotional development during infancy toddlerhood	Satya Sir	2025-10-18
Child Development	childhood and adolescence developmental talks	Satya Sir	2025-10-23
Child Development	physical and physiocological needs of young children	Satya Sir	2025-10-24

Chapter Name	Topic Name	Faculty Name	Class Date
Child Development	Learning types and effects importance of play - language growth - Habit of formation.	Satya Sir	2025-10-25
Child Development	Creches and Balwadies	Satya Sir	2025-10-27
Child Development	Needs of Importance in the growth and development of children	Satya Sir	2025-10-28
Child Development	Population education, Child and family Welfare services of State National and International Agencies	Satya Sir	2025-10-29
Child Development	Demographic characteristics of child population	Satya Sir	2025-10-30
Child Development	emerging philosophy of Child Welfare and emphasised in the Children's Character of Rights, Indian Constitution and other legislative provision	Satya Sir	2025-10-31
Child Development	.Children in need of special care, the disabled, the deserted and disturbed in the role of professional held and services available	Satya Sir	2025-11-01
Child Development	Agriculture productivity trends	Satya Sir	2025-11-03
Child Development	Demand and supply of foods grain	Satya Sir	2025-11-04
Child Development	Agriculture planning and Government policy	Satya Sir	2025-11-05
Child Development	- Credit and credit institutions in the agricultural sector	Satya Sir	2025-11-06
Child Development	Agricultural marketing	Satya Sir	2025-11-07
Child Development	Storages losses - Rural reconstruction	Satya Sir	2025-11-08
Child Development	Community development and Panchayats - their principles and organisations.	Satya Sir	2025-11-10
Child Development	Community development and Panchayats - their principles and organisations. 2	Satya Sir	2025-11-11
Child Development	The Five Year Plan of Government of India	Satya Sir	2025-11-12
Child Development	Principles of Rural reconstruction - Problems of Indian villages	Satya Sir	2025-11-13
Child Development	Community development - National Programmes for rural women and children	Satya Sir	2025-11-14
Child Development	ANP, IRDP, SNP Adult literacy, ICDS	Satya Sir	2025-11-15

Chapter Name	Topic Name	Faculty Name	Class Date
Child Development	Family Welfare Programme - Social Welfare Boards etc.	Satya Sir	2025-11-17
Child Development	Problems involved in improving nutritional status of Community	Satya Sir	2025-11-18
Child Development	Nutrition intervention programmes	Satya Sir	2025-11-19
Child Development	- International agency involved in alleviating malnutrition	Satya Sir	2025-11-20
Child Development	UNESCO, ENICEF, WHO, FAO.	Satya Sir	2025-11-21
