

**APSC JE 2025 | Civil Engineering | Hinglish | Video Course by Adda247**

Subject		Content Availability Date
Technical Subjects	Fluid Mechanics	Available
	Design of Steel Structures	Available
	RCC Structure	Available
	Strength of Material	Available
	Highway Engineering	Available
	Railway Engineering	Available
	Engineering Mechanics	Available
	Soil Mechanics and Foundation Engineering	Available
	Estimation and Costing	Available
	Structural Analysis	Available
	Environmental Engineering	Available
	Engineering Material Science	Available
	Surveying	Available
	Building Material and Construction	Available
	Irrigation Engineering	Available
	Hydrology	Available
Non-Technical Subjects	Physics	Available
	Chemistry	Available
	Biology	Available
	History	Available
	Polity	Available
	Geography	Available
	Reasoning	15/06/2025
	Quantitative Aptitude	15/06/2025
	English	15/06/2025
