

Chemistry	Uploading Date
Mole Concept and Classification of Matter	Available
Structure of Atom	Available
Periodic Classification of Elements	Available
Chemical Bonding and Molecular Structure	Available
Redox Reactions	Available
Solid State	Available
Solutions	Available
Behaviour of Gases	Available
Electrochemistry	Available
Chemical Kinetics	Available
The s-Block Elements	Available
Organic Chemistry: Some Basic Principles and Techniques	Available
Alcohols, Phenols and Ethers	Available
Aldehydes, Ketones and Carboxylic Acids	Available
Biomolecules	Available
Chemistry in Everyday Life	Available
