- 6m – 1+ yrs. of experience in Node.js development
- Good communication skills
- Highly organized
- Ability to understand, and document existing Node.js code
- Ability to spec out and plan new web application features alongside a team
- Ability to create feature documentation
- Ability to rapidly develop non-production ready test pages from design files for user testing purposes

Desired Skills

- Experience developing in React.js
- Experience developing in Node.js
- Experience working with SQL/NoSQL
- Process improvement experience
- Self-motivated
- Good problem-solving skills
- The ability to work independently on projects

Benefits

- Health insurance with 100% premium covered
- Generous PTO / sick leave
- PF plan with employer match
- Free snacks and drinks
- Annual company retreat
- Bring your dog to work 🐕
- Work in a high-growth start-up that will redefine urban mobility

About Us

Yatri was founded in 2017 to prove world-class electric vehicles can be designed, engineered, and manufactured from the ground up in Nepal - that switching to electric does not have to be a compromise but better, quicker and kinder to the planet.

Send your resume and cover letter to careers@yatrimotorcycles.com and mention 'Application - Job Title' in the subject line.
